Uncovering the Alien Agenda T. L. Parker 2017-02-12 One of the most puzzling aspects of the UFO mystery has always been the alien agenda. What do they want and what's their end game? Uncovering the alien agenda examines stories of alien abduction that might provide clues to these questions. Are these beings interdimensional or can science explain some of the extraordinary claims of alien abductees and UFO witnesses? In 1940, a Montana man crosses paths with Nordics. Although his encounter comes before Roswell and Betty and Barney Hill, his description of the craft closely matches modern UFO sightings. Read accounts of abductions and learn about some of the extraordinary physical evidence that is now being collected in the field of Ufology.

**The UFO Files** David Clarke 2013-04-30 'What does all this stuff about flying saucers amount to? What can it mean? What is the truth?' Winston Churchill, prime minister's personal minute, 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings, drawing on formerly secret government documents at the National Archives in London. Alongside extraordinary reports by ordinary people, it reveals details of official interest and investigations stretching back more than 80 years. In this remarkable book, fully updated for this second edition, David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign, the secret British Intelligence UFO study completed in 2000. As well as covering Roswell and Britain's own Rendlesham Forest mystery, Clarke raids the records for dramatic stories of abductions and close encounters, ghost aircraft and crop circles, and UFO reports by both civilian aircrew and military personnel. Dramatic witness statements and interviews combine with rarely seen photographs, drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries.

**Evolving Realities** Marie Mock 2014-06-07 A dramatic life-altering out-of-body experience at the age of sixteen opened the author's mind to a new perspective on the world. Her mother demanded that she never tell anyone about this event. Years later she felt an extremely strong urge to share it, to help people understand the incredible realm beyond our physical reality. Many strange and unexplainable occurrences are described in this book. After telling friends and family members about these phenomena, they related their own fantastic events and encounters. Recorded in this book are various types of metaphysical experiences, including near-death, ghosts, up-close UFO sightings, and many other exotic happenings. Some were terrifying. Some were comforting. But they all are amazing and thought provoking

**Amazing UFO Encounters of North America** George Mitrovic 2018-12-21 This is a book about people's encounters with UFOs in North America. Either by single people, groups of people or hordes of people. Many of the sightings include the Police and other forces so we may assume that they should be reliable witnesses. They happen everywhere and at any time and in this book they are in chronological order in each state so that you can refer to your home state easily to see what has happened there. This book is far from complete. You might notice that some of your favourites might be missing. I know that your Grandma saw something in the local lake or woods or sky but she never did mention when and sometimes even where so Grandma's sighting will not be included. This also applies to plenty of other sightings. No dates, no entry. Even a year is enough and the name of the locality. Neither of these is a no show. But there are thousands more so find out about what might have or still might be lurking in your neighborhood. This is not your normal road map but happy travelling. You will be amazed as to what you will find in your state or even your neighborhood! Not all states start at 1800 either but I will try and start with datable and generally findable events. I have included first person, second person and third person accounts so that you have a full range of observations. What are being observed? Where are they from? Are they part of something more mysterious than we can realize? Read on and be amazed. Amazed by the variety of sightings and eerily enough the similarities of sightings as well.

How We Know What Isn't So Thomas Gilovich 2008-06-30 Thomas Gilovich offers a wise and readable guide to the fallacy of the obvious in everyday life. When can we trust what we believe—that "teams and players have winning streaks," that "flattery works," or that "the more people who agree, the more likely they are to be right"—and when are such beliefs suspect? Thomas Gilovich offers a guide to the fallacy of the obvious in everyday life. Illustrating his points with examples, and supporting them with the latest research findings, he documents the cognitive, social, and motivational processes that distort our thoughts, beliefs, judgments and decisions. In a rapidly changing world, the biases and stereotypes that help us process an overload of complex information inevitably distort what we would like to believe is reality. Awareness of our propensity to make these systematic errors, Gilovich argues, is the first step to more effective analysis and action.

*The Mammoth Book of UFOs* Lynn Picknett 2012-03-01 The ultimate guide to the history, background and meaning of whether UFOs really exist, plus associated phenomena such as alien abduction, crop circles and cattle mutilations. There is also a comprehensive overview of the many conspiracy theories which surround UFOs and abductions - from the craft as secret Nazi technology to weird CIA plots. Written by a ufologist with many years in the field, this exciting and highly provocative book at times reads like a thriller. What messages do UFOs hold for us and for the future of life on earth?

**UFOs and Aliens: Exceptional Cases of Alien Contact** Eirik Leivsson 2016-04-10 Discover Extraordinary Stories Of ET Contact Many of us are fascinated with the idea of extraterrestrial intelligence. The existence of highly evolved beings elsewhere in the universe is commonly thought of as probable. If any of them have visited our planet, however, is more debated. Still, people from all over the world have come forward with intriguing stories of alien contact. Stories which seem to suggest that this may actually be the case. While most of these accounts are compelling by their very nature, a few stand out as particularly awe-inspiring. 13 of these exceptional cases are detailed in this book. During The Course Of The Book We Will Explore: A close encounter with three plant-like beings, said to be from the Sirius star system A stunning appearance of several UFOs and alien beings, including a nearby landing,

witnessed by as many as sixty-three school children A UFO's strange and horrifying attack on an Australian family How a joyous gathering at a farmhouse became interrupted by the arrival of a dozen or so bizarre looking creatures A man's intimate encounter with two naked female humanoids of unknown origin And much more!

Tibando 2019-01-31 Global Evidence of the UFO and ETI presence is the first book in a series of six volumes that was originally written as a single 3500 page treatise entitled "A Citizen's Disclosure on UFOs and ETI". Together, this series of books are the most comprehensive and definitive books of their kind offering the novice and clear path for further research as well as offering the seasoned UFO investigator some thought provoking alternative insights. With a massive bibliography, webliography and videography each book becomes interactive with numerous web links expanding and already colossal book into an encyclopedic tome. These volumes are sure to become your go-to UFO and ETI reference manuals. Each volume stands complete filled with hundreds of coloured photographs presenting the best evidence on the UFO and ETI phenomenon from a citizen's perspective that draws from the author's 65 years of personal experiences, contacts, research and investigations. In Volume One "Global Evidence of the UFO and ETI Presence" you will learn: - Human history is far older than previously thought and that our evolution has been frequently influenced by an ancient ET presence as found in caves paintings, ancient petroglyphs and medieval artwork. - The UFO Community has been ghettoized with a corrupted UFO data base compounded by misunderstanding from within and by a propaganda campaign of deception by the military industrial complex. - Most Ancient Alien Theorists have through re-interpretation and speculation promoted widely held misconceptions of what is actually in the holy books of the world's major religions. - Do some religions speak specifically about life on other planets in their holy texts? Surprisingly, a young world-embracing religion may hold some of the best answers and insights into the UFO question. - What are the characteristics and phenomenology of unidentified flying objects? - How to become a better, more credible observer by properly identifying conventional aerial objects from those truly extraordinary extraterrestrial flying objects. - The similarities and unique differences of the global UFO/ETI phenomenon that are often suppressed by governments and their military and intelligence communities. - The psychology of UFOs and its effects on the human witnesses

from leading psychologists. - What is the Extraterrestrial Hypothesis and how does it differ from the other related hypotheses? - Categorizing the kinds of UFO encounters and the classifications of Extraterrestrial Intelligences visiting the Earth. - Knowing the differences and similarities between extraterrestrial and paranormal realities. - Understanding the holographic universe and the holographic paradigm and resolving the Fermi Paradox. The journey into a bigger universe has just begun and the exploration promises to be mind-blowing, exhilarating and positive! Enjoy the ride!

*Dear Martin / Dear Marcello: Gardner And Truzzi On Skepticism* Richards Dana 2017-04-27 In 1952, Martin Gardner wrote the book *Fads and Fallacies in the Name of Science*, which has become a modern classic of the skeptical movement. He is best known as the Father of Recreational Mathematics, but was also a frank critic of pseudoscientists and a contributor to the *Skeptical Inquirer* magazine. Marcello Truzzi was one of the founders of the Committee for the Scientific Investigation of Claims of the Paranormal in 1976. He left that and founded the Center for Scientific Anomalies Research, which was more aligned with his views. Dana Richards presents the unedited, colorful correspondence between these two well-known figures within the skeptical movement as they probed and wrestled with fundamental questions such as: The demarcation problem — how to distinguish good from bad science? How should scholars on the fringe (paranormalists) be treated?

**Extraterrestrial Encounters of The Extraordinary Kind** Betsey Lewis 2020-09-09 Are ETs benevolent or malevolent? The answer is both according to the people who have been abducted repeatedly by different ET species. In this breakthrough book, Extraterrestrial Encounters of The Extraordinary Kind, Earth Mysteries Investigator Betsey Lewis reveals firsthand accounts by people who have had UFO encounters, medical examinations by aliens, taken to underwater and subterranean bases, and given urgent messages about the fate of Earth and humanity. Read about the deadly encounter with alien beings in Russia's deepest lake-- Lake Baikal by Russian divers and the firefight that ensued between UFOs and Navy ships during the Vietnam War. How best-selling author and MUFON investigator Ann Druffel

witnessed clouds morphing into physical spaceships off the coast of Southern California near Catalina Island, not far from where the Nimitz Navy pilots had their "Tic Tac" UFO encounters in 2004. Southern California is a hotbed for UFO sightings over water. Is there an undersea base? Also included in this book: - Gigantic angels seen in space by both U.S. astronauts and Russian cosmonauts - Cloned beings dropped off by UFOs on Native American reservations and taken to cities - How reptilian aliens were once earthly dinosaurs - Lewis reveals her investigations into the bizarre cattle mutilations cases during the late 1970s and early 1980s - The captured gray alien called "Squiggly" from 1947 - What President Trump, former Presidents, and politicians have said about UFOs and aliens -How USO have been seen diving and exiting into oceans, lakes, and rivers - Children who have experienced UFO encounters and received special messages by the aliens - Betsey Lewis reveals here own UFO encounters since childhood and a possible abduction Are humans merely experiments for certain aliens or is there a higher agenda for Earth and humanity?

*UFO Sightings of 2006-2009* Scott C. Waring 2010-05 This book documents the UFO sightings seen at O'Hare Airport, NASA's Shuttle Atlantis, Area S4, England, Turkey, Russia, Texas, the lunar surface, and much more. Learn about UFO sightings documented around President Obama, Reagan, Carter and more. There are twenty intense chapters, each on a different sighting, plus three bonus chapters on new UFO related information. Did you know there were recently discovered faces on Mars of not one, but four new alien species? the photos are inside this book. Look at this conversation during the O'Hare Airport UFO sighting that the United Airlines ramp tower and the FAA Area Supervisor had in a nearby O'Hare tower. We begin to understand some details of a photograph that exists through their interesting and revealing conversation: Ramp Tower: "I'm sorry, there was, I told Dave, there was a disc flying outside above Charley 17 and he thought I was pretty much high. But, um, I'm not high and I'm not drinking." O'Hare Tower: "Yeah." Ramp Tower: "So, someone got a picture of it. So if you guys see it out there..." O'Hare Tower: "A disc, like a Frisbee?" Ramp Tower: Like a UFO type thing." O'Hare Tower: "Yeah, Okay." Ramp Tower: "He got a picture of it." (Laughing) The information in this book clearly identifies and weights the facts and possibilities that exist in new and interesting ways.

*Implausible Beliefs* Allan Mazur 2017-07-05 Why do people accept ideas that are contradicted by science or logic? In *Implausible Beliefs*, Allan Mazur offers a comparative look at the nature of irrational belief systems, their social roots, and their cultural and political impact. He begins by providing standards for judging beliefs implausible and assessing the impact of such belief systems on politics and social policy in the US. Mazur describes and defends commonsense criteria for establishing that certain views should not be sustained in the face of present-day understanding. He presents a statistical portrait of implausible beliefs rampant in the US, and who tends to accept them. Mazur applies criteria for implausibility to the Bible, astrology, and visitation to Earth of intelligent beings from other worlds. Pointing out that everyone "knows" the Bible but few actually read it, the author scrolls through the first five books of the text, noting points that undermine the scripture's natural history and moral guidance. Working on the assumption that implausible religious views are fundamentally no different from implausible secular views, he critiques secular beliefs in astrology and UFOs. Mazur concludes the volume with an attempt to explain why most people accept implausibility?some more than others?despite evidence and logic that refute them. Looking to mainstream sociology and psychology, Mazur shows how children are socialized into such beliefs, and how adults are influenced by spouses and friends. Personality is also a factor, sometimes abetted by stressful

or lonely life situations. Lucidly written, this is a provocative and informative contribution to social psychology, sociology, religion, political science, and American studies.
