The Deeper the Roots Michael Tubbs 2021-11-16 “Insightful, emotional, and enraging. By sharing his story in gripping detail, Michael Tubbs embodies an old feminist tradition whereby the personal is political. He empowers us to fight for equal opportunities for our communities, and encourages us to amass the courage to overcome loss and injustice.” –Ibram X. Kendi, National Book Award-winning author of *Stamped from the Beginning* and *How to Be an Antiracist* The making of a visionary political leader—and a blueprint for a more equitable country “Don’t tell nobody our business,” Michael Tubbs’s mother often told him growing up. For Michael, that meant a lot of things: don’t tell anyone about the day-to-day struggle of being Black and broke in Stockton, CA. Don’t tell anyone the pain of having a father incarcerated for 25 years to life. Don’t tell anyone about living two lives, the brainy bookworm and the kid with the newest Jordans. And also don’t tell anyone about the particular joys of growing up with three “moms”—a Nana who never let him miss church, an Auntie who’d take him to the library any time, and a mother, “She-Daddy”, who schooled him in the wisdom of hip-hop and taught him never to take no for an answer. So for a long time Michael didn’t tell anyone his story, but as he went on to a scholarship at Stanford and an internship in the Obama White House, he began to realize the

power of his experience, the need for his perspective in the halls of power. By the time he returned to Stockton to become, in 2016 at age 26, its first Black mayor and the youngest-ever mayor of a major American city, he knew his story meant something. *The Deeper the Roots* is a memoir astonishing in its candor, voice, and clarity of vision. Tubbs shares with us the city that raised him, his family of badass women, his life-changing encounters with Oprah Winfrey and Barack Obama, the challenges of governing in the 21st century and everything in between—en route to unveiling his compelling vision for America rooted in his experiences in his hometown.

Community Music Today Kari K. Veblen 2013-01-16 Community Music Today highlights community music workers who constantly improvise and reinvent to lead through music and other expressive media. It answers the perennial question “What is community music?” through a broad, international palette of contextual shades, hues, tones, and colors. With over fifty musician/educators participating, the book explores community music in global contexts, interconnections, and marginalized communities, as well as artistry and social justice in performing ensembles. This book is both a response to and a testimony of what music is and can do, music’s place in people’s lives, and the many ways it unites and marks communities. As documented in case studies, community music workers may be musicians, teachers, researchers, and activists, responding to the particular situations in which they find themselves. Their voices are the threads of the multifaceted tapestry of musical practices at play in formal, informal, nonformal, incidental, and accidental happenings of community music.

UKETopia! Jim Beloff 2021-12-10 When Billboard Associate Publisher, Jim Beloff purchased his first ukulele at the Rose Bowl Flea Market in 1992, there were no ukulele songbook collections on the market—none—just a few vintage instructional books. As an already-accomplished guitarist, this frustrated Jim, who had fallen in love instantly with this little instrument. Sensing that there might be an opportunity to fill this void, he and his graphic-artist wife, Liz, created Flea Market Music, Inc., which, for thirty years, has published more than three dozen song and instructional books, totaling over one million copies in print. They have also grown the ukulele market through their influential fleamarketmusic.com website, the creation of the popular UKETopia concert series, marketing and promoting their family's line of ukuleles, consulting on two major museum shows, and a continuous performing schedule. At the same time, Jim (aka Jumpin' Jim) wrote the first complete full-color history book on the ukulele, recorded and produced nearly a dozen CDs, made

three instructional DVDs, composed two ukulele concertos for symphony orchestra, penned numerous articles for ukulele and trade magazines, and continues to lead workshops at uke festivals throughout the world. Today, Jim and Liz are recognized as having played a major role in the current third wave of ukulele popularity. They've also accumulated a lot of wonderful stories and photographs in their almost three decades of ukulele adventures that are included in UKETopia! Jim also recounts some stories of memorable experiences trading licks and working with celebrities such as George Harrison, Bette Midler, William H. Macy, Eddie Vedder and, yes, Tiny Tim.

Human Resource Management in the Philippine Setting Tomas Donato Andres 1991

World Music Terry E. Miller 2013-04-03 Authors Terry E. Miller and Andrew Shahriari take students around the world to experience the diversity of musical expression. World Music: A Global Journey, now in its third edition, is known for its breadth in surveying the world's major cultures in a systematic study of world music within a strong pedagogical framework. As one prepares for any travel, each chapter starts with background preparation, reviewing the historical, cultural, and musical overview of the region. Visits to multiple 'sites' within a region provide in-depth studies of varied musical traditions. Music analysis begins with an experimental "first impression" of the music, followed by an "aural analysis" of the sound and prominent musical elements. Finally, students are invited to consider the cultural connections that give the music its meaning and life. Features of the Third Edition Over 3 hours of diverse musical examples. with a third audio CD of new musical examples Listening Guides analyze the various pieces of music with some presented in an interactive format online Biographical highlights of performers and ethnomusicologists updated and new ones added Numerous pedagogical aids, including "On Your Own Time" and "Explore More" sidebars, and "Questions to Consider" Popular music incorporated with the traditional Dynamic companion web site hosts new Interactive Listening Guides, plus many resources for student and instructor. Built to serve online courses. The CD set is available separately (ISBN 978-0-415-89402-9) or with its Value Pack and book (ISBN 978 0415- 80823-1). For eBook users, MP3 files for the accompanying audio files are available only with the Value Pack of eBook & MP3 files (ISBN 978-0-203-15298-0). Please find instructions on how to obtain the audio files in the contents section of the eBook.

The Hawaiian Steel Guitar and Its Great Hawaiian Musicians Lorene Ruymar 1996 (Fretted). The term "steel guitar" can refer to instruments with multiple tunings, 6 to 14 strings, and even multiple fretboards. To add even more confusion, the term "Hawaiian guitar" refers to an instrument played flat on the lap with a steel bar outside of Hawaii, but in Hawaii, it is the early term for the slack key guitar. Lorene Ruymar clears up the confusion in her new book that takes a look at Hawaiian music; the origin of the steel guitar and its spread throughout the world; Hawaiian playing styles, techniques and tunings;

The Oxford Handbook of Music Revival Caroline Bithell 2014 Revivals - movements that revitalize, resuscitate, or re-indigenize traditions perceived as threatened or moribund into new temporal, spatial, or cultural contexts - have been well-documented in Western Europe and Euro-North America. Less documented are the revival processes that have been occurring and recurring elsewhere in the world. And particularly under-analyzed are the aftermaths of revivals: the new infrastructures, musical styles, performance practices, subcultural communities, and value systems that have grown out of revival movements. The Oxford Handbook of Music Revival helps us achieve a deeper understanding of the role and development of traditional, folk, roots, world, classical, and early music in modern-day postindustrial, postcolonial, and postwar contexts. The book's thirty chapters present innovative theoretical perspectives illustrated through new ethnographic case studies on diverse music cultures around the world. Together these essays reveal the potency of acts of revival, resurgence, restoration, and renewal in shaping musical landscapes and transforming social experience. The contributors present research from Euro-America, Native America, Latin America and the Caribbean, Africa, Europe, the former Soviet bloc, Asia, Australia, and the Pacific. They enrich the field by applying approaches and insights from across the disciplines of ethnomusicology, ethnochoreology, historical musicology, folklore studies, anthropology,

ethnology, sociology, and cultural studies. The book makes a powerful argument for the untapped potential of revival as a productive analytical tool in contemporary, global contexts-one that is crucial for understanding manifestations of musical heritage in postmodern, cosmopolitan societies. With its detailed treatment of authenticity, recontextualization, transmission, institutionalization, globalization, and other key concerns, the collection makes a significant impact far beyond the field of revival studies and is crucial for understanding contemporary manifestations of folk, traditional, and heritage music in today's postmodern cosmopolitan societies.

The Ukulele 4 Chord Songbook Hal Leonard Corp. 2015-12-01 (Ukulele). With just 4 chords, you can play 50 hot songs on your ukulele! Pynchon's Sound of Music Christian Hänggi 2020-05-15 Pynchon's Sound of Music is dedicated to cataloging, exploring, and interpreting the manifold manifestations of music in Thomas Pynchon's work. An original mix of close and distant readings, this monograph employs a variety of disciplines--from literary studies and musicology to philosophy, media theory, and history--to explain Pynchon through music and music through Pynchon. Encyclopedic and eclectic in its approach, Pynchon's Sound of Music discusses the author's use of instruments such as the kazoo, harmonica, and saxophone and embarks on close readings of the most salient and musically tantalizing passages. Zooming out to a bird's eye view, Christian Hänggi puts Pynchon's historical musical references and allusions into perspective to trace the trends and tendencies in the development of the author's interest in music. A treasure trove for fans and an invaluable source for future scholarship, this book includes the Pynchon Playlist, a catalog of over 900 musical references in Pynchon's oeuvre, and an exhaustive index of more than 700 appearances of musical instruments.

Forgotten California Murders David Alexander Kulczyk 2021-07-19 Forgotten California Murders 1915 to 1968 chronicles homicides that happened so long ago they have been forgotten even by the families of the killers and the victims. Their crimes are no less shocking than the murders that have had books and films made about them.

A History of Rock Music in 500 Songs Vol 1 ANDREW. HICKEY 2019-12-28 In this series of books, based on the hit podcast A History of Rock Music in 500 Songs, Andrew Hickey analyses the history of rock and roll music, from its origins in swing, Western swing, boogie woogie, and gospel, through to the 1990s, grunge, and Britpop. Looking at five hundred representative songs, he tells the story

Downloaded from avenza-dev.avenza.com

Songs in the Key of Z Irwin Chusid 2000 Outsider musicians can be the product of damaged DNA, alien abduction, drug fry, demonic possession, or simply sheer obliviousness. This book profiles dozens of outsider musicians, both prominent

and obscure—figures such as The Shaggs, Syd Barrett, Tiny Tim, Jandek, Captain Beefheart, Daniel Johnston, Harry Partch, and The Legendary Stardust Cowboy—and presents their strange life stories along with photographs, interviews, cartoons, and discographies. About the only things these self-taught artists have in common are an utter lack of conventional tunefulness and an overabundance of earnestness and passion. But, believe it or not, they're worth listening to, often outmatching all contenders for inventiveness and originality. A CD featuring songs by artists profiled in the book is also available.

101 Disney Songs for Trumpet Hal Leonard Corp. 2018-01-01 (Instrumental Folio). If you play an instrument and you're a Disney fan, you'll love this collection of 101 favorites to learn and play!
