*Shakespeare for the wiser sort* Steve Sohmer 2018-07-30 William Shakespeare's plays are riddled with passages, scenes and sudden plot twists which baffle and confound the most devoted playgoer and the

most attentive commentator. Why, for example, didn't Hamlet succeed to the throne of Denmark at the instant of his father's death? (It's not because the Danish throne was elective.) Why does Chorus in *Romeo and Juliet* promise his audience 'two houres trafficke of our stage' when the play obviously runs almost three hours? How is it that Old Hamlet sent his son to school in (Protestant) Wittenberg but his Ghost was sent to (Catholic) Purgatory? and is there cause-and-effect here? How can Lancelot Gobbo be correct (and he is) when he claims Black Monday (the day after Easter) and Ash Wednesday (the 41st day before Easter) once fell on the same day? And what is a 'dram of eale'? This engaging and lucid book solves these tantalizing riddles and many others.

Romeo e Giulietta, dramma by G. Foppa in musica in tre atti and in verse .-Roméo et Juliette drame en musique en trois actes and in prose . Ital. & Fr 1821

*Reclaiming Romeo and Juliet* Vincenza Minutella 2013-10-01 This book explores the birth, life and afterlife of the story of Romeo and Juliet, by looking at Italian translations/rewritings for page, stage and screen. Through its analysis of published translations, theatre performances and film adaptations, the volume offers a thorough investigation of the ways in which Romeo and Juliet is handled by translators, as well as theatre and cinema practitioners. By tracing the journey of the “star-crossed lovers” from the Italian novelle to Shakespeare and back to Italy, the book provides a fascinating account of the transformations of the tale through time, cultures, languages and media, enabling a deeper understanding of the ongoing fortune of the play and exploring the role and meaning of translation. Due to its interdisciplinarity, the book will appeal to anyone interested in translation studies, theatre studies, adaptation studies, Shakespeare films and Shakespeare in performance. Moreover, it will be a useful resource for both lecturers and students.

*Bellini* Fabrizio Della Seta 2022-04-07 Vincenzo Bellini, una figura complessa, sfuggente. Visse solo trentaquattro anni, ma nella sua breve esistenza compose opere destinate a lasciare un segno nella storia della musica e del teatro. I biografi ne descrissero la vita come un susseguirsi di trionfi e disillusioni,

abbellendola di particolari sentimentali e romanzeschi e dipingendolo come un genio dall'aspetto angelico, tanto ispirato quanto poco padrone della tecnica musicale; altri enfatizzarono al contrario il lato meno affabile del suo carattere – l'insofferenza riservata ai colleghi, il cinismo nel rapporto con le donne –, finendo per diffonderne un'immagine assai lontana dalla realtà storica. Fabrizio Della Seta racconta oggi la vita di Bellini sfrondandola di ogni elemento mitologico e conduce il lettore a conoscere la figura reale del musicista e del drammaturgo, dalla prima formazione ricevuta in famiglia a Catania al perfezionamento degli studi nel conservatorio di Napoli, dal saggio scolastico di esordio ai primi successi milanesi fino alla consacrazione internazionale dei capolavori: *La sonnambula*, *Norma* e *I Puritani*. Mettendo a frutto la documentazione raccolta in centocinquanta anni di studi e aprendosi alle prospettive critiche più aggiornate, questo libro – il primo a esaminare approfonditamente l'intera produzione di Bellini – ci porta a fare esperienza diretta del mondo in cui visse e dei suoi rapporti con librettisti, cantanti e impresari, delle sue idee artistiche e dell'ossessiva ricerca della perfezione, testimoniata dalle correzioni e dai ritocchi disseminati nei libretti e nelle partiture. Bellini ci rivela le molte sfaccettature di un protagonista della cultura dell'Ottocento: un compositore dotato di una straordinaria facoltà di immaginare melodie memorabili, sempre al servizio di una visione drammatica perseguita con ferrea coerenza. Un'occasione per scoprire o approfondire la personalità e le opere di un musicista animato dal sacro fuoco del teatro.

[Giulietta e Romeo, novella storica, edizione 17. aggiuntavi la novella di Matteo Bandello su lo stesso argomento, il poemetto di Clizia Veronese ed altre antiche poesie Luigi da Porto 1831](#)

**I novellieri italiani in prosa indicati e descritti** Giambattista Passano 1864

*The Castrato* Martha Feldman 2015-02-20 *The Castrato* is a nuanced exploration of why innumerable boys were castrated for singing between the mid-sixteenth and late-nineteenth centuries. It shows that the entire foundation of Western classical singing, culminating in *bel canto*, was birthed from an unlikely and historically unique set of desires, public and private, aesthetic, economic, and political. In Italy, castration for singing was understood through the lens of Catholic blood sacrifice as expressed in idioms of offering and renunciation and, paradoxically, in satire, verbal abuse, and even the symbolism of the castrato's comic cousin Pulcinella. Sacrifice in turn was inseparable from the system of patriarchy involving

teachers, patrons, colleagues, and relatives—whereby castrated males were produced not as nonmen, as often thought nowadays, but as idealized males. Yet what captivated audiences and composers—from Cavalli and Pergolesi to Handel, Mozart, and Rossini—were the extraordinary capacities of castrato voices, a phenomenon ultimately unsettled by Enlightenment morality. Although the castrati failed to survive, their musicality and vocality have persisted long past their literal demise.

**New Places: Shakespeare and Civic Creativity** Paul Edmondson 2018-04-05 **New Places: Shakespeare and Civic Creativity** documents and analyses the different ways in which a range of innovative projects take Shakespeare out into the world beyond education and the theatre. Mixing critical reflection on the social value of Shakespeare with new creative work in different forms and idioms, the volume triumphantly shows that Shakespeare can make a real contribution to contemporary civic life. Highlights include: Garrick's 1769 Shakespeare ode, its revival in 2016, and a devised performance interpretation of it; the full text of Carol Ann Duffy's *A Shakespeare Masque* (set to music by Sally Beamish); a new Shakespearean libretto inspired by Wagner; an exploration of the civic potential of new Shakespeare opera and ballet; a fresh Shakespeare-inspired poetic liturgy, including commissions by major British poets; a production of *The Merchant of Venice* marking the 500th anniversary of the Venetian Jewish Ghetto; and a remaking of *Pericles* as a response to the global migrant crisis.

Franco Corelli Ren Seghers 2008 (Amadeus). His exceptional good looks made him a matinee idol, and Franco Corelli the Prince of Tenors was dubbed "Mr. Soldout" for 20 consecutive years. In 1958, just seven years after beginning his career, he was already the highest-paid tenor in Italy. Following his Met debut in 1961, he was celebrated as the greatest tenor in the world, a position that he retained until his departure from the Met in 1975. His charismatic performances in such operas as *La Vestale* and *Fedora* (both in collaboration with Maria Callas), coupled with a formidable mystique, as well as a number of notorious and colorful incidents, including his real-life sword fight with Boris Christoff in Rome, the Callas walkout there, the beating up of a spectator in Naples, and the alleged biting of Birgit Nilsson on a Boston tour of *Turandot*, created a mania for Corelli. Nearly a decade in the making, this definitive biography is based on the author's extensive research of theater archives and interviews with the opera star's numerous friends, family members, colleagues (Nilsson, Pavarotti, and many others), as well as the

management of some of the world's leading opera houses.
