The Department of Sensitive Crimes Alexander McCall Smith 2019-04-16 In the Swedish criminal justice system, certain cases are considered especially strange and difficult, in Malmö, the dedicated detectives who investigate these crimes are members of an elite squad known as the Sensitive Crimes Division. These are their stories. The first case: the small matter of a man stabbed in the back of the knee. Who would perpetrate such a crime and why? Next: a young woman's imaginary boyfriend goes missing. But how on earth do you search for someone who doesn't exist? And in the final investigation:

eerie secrets that are revealed under a full moon may not seem so supernatural in the light of day. No case is too unusual, too complicated, or too, well insignificant for this squad to solve. The team: Ulf “the Wolf” Varg, the top dog, thoughtful and diligent; Anna Bengsdotter, who's in love with Varg's car (and possibly Varg too); Carl Holgersson, who likes nothing more than filling out paperwork; and Erik Nykvist, who is deeply committed to fly fishing. With the help of a rather verbose local police officer, this crack team gets to the bottom of cases other detectives can't or won't bother to handle. Equal parts hilarious and heartening, *The Department of Sensitive Crimes* is a tour de farce from a true master.

Corduroy Mansions Alexander McCall Smith 2010-07-13 **CORDUROY MANSIONS - Book 1** In the Corduroy Mansions series of novels, set in London’s hip Pimlico neighborhood, we meet a cast of charming eccentrics, including perhaps the world’s most clever terrier, who make their home in a handsome, though slightly dilapidated, apartment block. Corduroy Mansions is the affectionate nickname given to a genteel, crumbling mansion block in London’s vibrant Pimlico neighborhood and the home turf of a captivating collection of quirky and altogether McCall-Smithian characters. There’s the middle-aged wine merchant William, who’s trying to convince his reluctant twenty-four-year-old son, Eddie, to leave the nest; and Marcia, the boutique caterer who has her sights set on William. There’s also the (justifiably) much-loathed Member of Parliament Oedipus Snark; his mother, Berthea, who’s writing his biography and hating every minute of it; and his long-suffering girlfriend, Barbara, a literary agent who would like to be his wife (but, then, she’d like to be almost anyone’s wife). There’s the vitamin evangelist, the psychoanalyst, the art student with a puzzling boyfriend and Freddie de la Hay, the Pimlico terrier who insists on wearing a seat belt and is almost certainly the only avowed vegetarian canine in London. Filled with the ins and outs of neighborliness in all its unexpected variations, Corduroy Mansions showcases the life, laughter and humanity that have become the hallmarks of Alexander McCall Smith’s work.

A Work of Beauty Alexander McCall Smith 2016-04-15 HISTORY OF ARCHITECTURE. "I love this city, and always shall. I write about it. I dream about it. I walk its streets and see something new each day - traces of faded lettering on the stone, still legible, but just; some facade that I have walked past before and not noticed; an unregarded doorway with the names, in brass, of those who lived there sixty years ago, the bell-pulls sometimes still in place, as if one might summon long-departed residents from their slumbers." Edinburgh is a city of stories - a place that has witnessed everything from great historical upheavals, to the individual lives of a remarkable cast of characters. Every spire, cobblestone, bridge, close and avenue has a tale to tell. In this sumptuous new book, Alexander McCall Smith curates his own, distinctive story of Edinburgh - combining his affectionate, incisive wit with a wealth of stunning imagery drawn from Scotland's national collection of architecture and archaeology.

Dream Angus Alexander McCall Smith 2012-01-05 Short stories inspired by the ancient Celtic god of love and youth, from the New York Times–bestselling author of *The No. 1 Ladies' Detective Agency*. Angus is one of the earliest Celtic deities and one of the most cherished to this day. Like an even more handsome combination of Apollo and Eros, he is the god of love, youth, and beauty. Just the sight of him has made people fall in love, and he has the power to reveal a person's true love in a dream, if asked politely. Alexander McCall Smith has turned his storytelling talents to crafting a collection of short fiction from this Irish mythology. Five contemporary fables of love lost and found unfold alongside Angus's search for the beautiful Caér, the swan maiden he met in his dreams. McCall Smith mesmerizingly unites reality and dreams, today and the ancient past, leaving the reader to wonder: what is life but the pursuit of dreams? "Smith fluidly weaves in contemporary vignettes of the dream god's benevolent influence, touching the lives of honeymooners on a windswept northern island; of a teenage boy sent away to boarding school in Scotland who tricks his mother into revealing who his true father is; and of a Toronto woman bereft at the discovery that her husband is having an affair. Angus, who presides over love and youth is also, it turns out, kindly to pigs. He is nicely reimaged in this spare, polished work." —Publishers Weekly "This slim, elegant volume is further evidence of [Smith's] consummate ability to blend wit, wisdom, and heart." —Booklist (starred review)

At the same time that Clover falls in love with James, Amanda realizes that she has fallen out of love with David . . . and that she is interested in someone else. While Amanda tries to navigate the new path her heart is leading her down, Clover finds, much to her dismay, that James seems to be growing away from her. complex. So when the girlfriend of an infamous author who insists her bad-boy beau is being blackmailed approaches Ulf Varg, the department's lead detective, Ulf is determined to help. It's rather difficult to determine what skeletons hide in the hard-living lothario's closet, though. And while Swedes are notoriously tolerant . . . well, there are limits. Even for the Swedish. The case requires Ulf's total concentration, but he finds himself distracted by his ongoing attraction to his co-worker, Anna, whose own fears about her husband's fidelity are causing a strain on her marriage. When Ulf is also tasked with looking into a group of dealers exporting wolves that seem more *canis familiaris* than *canis lupus*, it will require all of his team's investigative instincts and dogged persistence to put these matters to bed.

There is the undeserved rise of his rival (and owner of a one-legged dachshund), Detlev Amadeus Unterholzer; the interminable ramblings of the librarian, Herr Huber; and the condescension of his colleagues with regard to his unmarried state. But when his friend Ophelia Prinzel takes it upon herself to match-make, and duly produces a cheerful heiress with her own Schloss, it appears that the professor's true worth is about to be recognised. Maddening, idiotic and hugely entertaining, von Igelfeld is an inspired comic creation.

The Dog Who Came in from the Cold Alexander McCall Smith 2011-06-21 CORDUROY MANSIONS - Book 2 In the Corduroy Mansions series of novels, set in London's hip Pimlico neighborhood, we meet a cast of charming eccentrics, including perhaps the world's most clever terrier, who make their home in a handsome, though slightly dilapidated, apartment block. The heartwarming and hilarious new installment in the Corduroy Mansions series presents the further adventures of Alexander McCall Smith's newest beloved character: the Pimlico terrier Freddie de la Hay. In the elegantly crumbling mansion block in Pimlico called Corduroy Mansions, the comings and goings of the wonderfully motley crew of residents continue apace. A pair of New Age operators has determined that Terence Moongrove's estate is the cosmologically correct place for their center for cosmological studies. Literary agent Barbara Ragg has decided to represent Autobiography of a Yeti, purportedly dictated to the author by the Abominable Snowman himself. And our small, furry, endlessly surprising canine hero Freddie de la Hay—belonging to failed oenophile William French—has been recruited by MI6 to infiltrate a Russian spy ring. Needless to say, the other denizens of Corduroy Mansions have issues of their own. But all of them will be addressed with the wit and insight into the foibles of the human condition that have become the hallmark of this peerless storyteller.
