New York 2003-05

Banksy Gary Shove 2021-09-28 SEE NEW REVISED 2014 EDITION Published in the USA in October 2014. This 2012 edition is now out of print. The single best collection of photographs of Banksy s street work. Period. You Are An Acceptable Level of Threat concentrates on this singular artist s iconic imagery, spanning the late 90s up until NOW. The locations are from around the world (predominantly the UK, US and Europe), and many images have never been seen before. When Banksy started out painting, the political landscape was bleak. Fortunately now, it's ten times worse. As Banksy s cheerfully aggressive political work becomes ever more relevant, this comprehensive tome sets about presenting his art in the context of the era he was responding to.

Corcoran Gallery of Art Corcoran Gallery of Art 2011 This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

Radical Fashion Claire Wilcox 2003-02 First published to accompany an exhibition at the V&A, this book looks at the three main trends which are currently dominating international fashion: the arrival of the British superstar designers; the European conceptual, minimalist movement; and the

influential Japanese designers.

Features more than 30 all-new case studies showing best practices and world-class Updated to include more than 35 percent new material Offers a proven, universal five-phase process and methodology for creating and implementing effective brand identity

How Patterns Work Assembil Books 2013 After reading this book, you won't just be able to follow pattern making instructions - you will actually understand how and why pattern making works and be able to adapt the principles for yourself. The perfect introduction to the core principles of garment construction, "How Patterns Work" simplifies and explains the relationship between pattern making and the body. Instead of learning hundreds of separate pattern making processes, "How Patterns Work" will break the process into simple principles that can be applied to any pattern change. "How Patterns Work" has been designed with: Over 70,000 words of text content. Over 250 diagrams in crisp black, white and grey. A clear table of contents for easy reference. No previous knowledge of patterns or sewing required. Chapters start from zero assumed knowledge and build slowly in complexity with step by step examples and clear diagrams. The first section of the book will answer questions such as: What are darts and how do they work with the curves of the body? What is seam allowance and how much should you add to your pattern? How are body measurements used to create accurate patterns? What are blocks and how are they different to patterns? What do the basic blocks look like? This first section of the book will also explain the overall anatomy of a pattern including the definition and uses of notches, drill holes, grain lines and body guidelines. All of the examples are shown in relation to how the pattern will ultimately be sewn, so that the principles become more relevant to real sewn garments. A large section of the book is devoted to pattern examples that can be used as a reference library to adapt and change to suit your own pattern making needs. The examples that are covered in this first section include: Adding a seam line. Removing a seam line. Moving the position of a dart. Turning darts into seam lines. Turning seam lines into darts. Increase volume evenly. Decrease volume evenly. Increase volume around a point. Decrease volume around a point. Using darts to increase volume. All of the examples listed above are shown using both the cut and spread, and the pivot flat pattern making methods, and then also shown as a draped section of fabric on a mannequin, allowing you to really see the pattern changes as both a flat pattern, and in a more tangible 3D form. Whether you are a novice fashion

student, or an experienced home sewer this is the perfect book to simplify the terminology and principles behind complex pattern making books and sewing courses. Designed as a companion guide to other pattern making texts, "How Patterns Work" consolidates pattern making methods into simple, memorable processes - making this book a perfect refresher guide for even the most advanced pattern maker. Please note that this book does not include paper patterns and does not cover specific pattern drafting exercises. Instead, this book will provide you with an overview to simplify the way you think about pattern making, arming you with knowledge that can be applied to any pattern change.

Beyond the Label Maureen Chiquet 2017-04-18 The former global CEO of Chanel charts her unlikely path from literature major to global chief executive, guiding readers to move beyond the confines of staid expectations and discover their own true paths, strengths, and leadership values. Driven. Shy. Leader. Wife. Mother. We live in a world of categories – labels designed to tell the world, and ourselves, who we are and ought to be. Some we may covet, others we may fear or disdain; but creating a life that's truly your own, means learning to define yourself on your own terms. In *Beyond the Label*, Maureen Chiquet charts her unlikely path from literature major to global chief executive. Sharing the inklings, risks and (re)defining moments that have shaped her exemplary career, Chiquet seeks to inspire a new generation of women, liberal arts grads, and unconventional thinkers to cultivate a way of living and leading that is all their own. Through vivid storytelling and provocative insights, Chiquet guides readers to consider the pressing questions and inherent paradoxes of creating a successful, fulfilling life in today's increasingly complex and competitive world. "Why should we separate art from business, feelings from logic, intuition from judgment?" Chiquet poses. "Who decided you can't be determined and flexible, introspective and attuned, mother and top executive? And where does it state standing unflinchingly in your vulnerability, embracing your femininity, won't make you stronger?" Wise, inspiring, and deeply felt, *Beyond the Label* is for anyone who longs for a life without limits on who she is or who she will become.

Культовые художники и их стиль Терри Ньюман Красочное подарочное издание о персональном стиле знаменитых художников и о том, как их творчество и яркая индивидуальность вдохновляли модных дизайнеров на создание их собственных уникальных творений.

China Chic Adjunct Assistant Professor at the Fashion Institute of Technology Valerie Steele 1999-01-01 Explores the historical significance of Chinese clothing, and offers examples and commentary on fashions ranging from the dragon robes of the Imperial era to the cheongsams shown on the runways in Paris

Legendary Authors and the Clothes They Wore Terry Newman 2017-06-27 Discover the signature sartorial and literary style of fifty men and women of letters, including Maya Angelou; Truman Capote; Colette; Bret Easton Ellis; Allen

Ginsberg; Patti Smith; Karl Ove Knausgaard; and David Foster Wallace; in this unique compendium of profiles—packed with eighty black-and-white photographs, excerpts, quotes, and fast facts—that illuminates their impact on modern fashion. Whether it's Zadie Smith's exotic turban, James Joyce's wire-framed glasses, or Samuel Beckett's Wallabees, a writer's attire often reflects the creative and spiritual essence of his or her work. As a non-linear sensibility has come to dominate modern style, curious trendsetters have increasingly found a stimulating muse in writers—many, like Joan Didion, whose personal aesthetic is distinctly "out of fashion." For decades, Didion has used her work, both her journalism and experimental fiction, as a mirror to reflect her innermost emotions and ideas—an originality that has inspired Millennials, resonated with a new generation of fashion designers and cultural tastemakers, and made Didion, in her eighties, the face of Celine in 2015. *Legendary Authors and the Clothes They Wore* examines fifty revered writers—among them Samuel Beckett; Quentin Crisp; Simone de Beauvoir; T.S. Eliot; F. Scott and Zelda Fitzgerald; Malcolm Gladwell; Donna Tartt; John Updike; Oscar Wilde; and Tom Wolfe—whose work and way of dress bears an idiosyncratic stamp influencing culture today. Terry Newman combines illuminating anecdotes about authors and their work, archival photography, first-person quotations from each writer and current designers, little-known facts, and clothing-oriented excerpts that exemplify their original writing style. Each entry spotlights an author and a signature wardrobe moment that expresses his or her persona, and reveals how it influences the fashion world today. Newman explores how the particular item of clothing or style has contributed to fashion's lingua franca—delving deeper to appraise its historical trajectory and distinctive effect. *Legendary Authors and the Clothes They Wore* is an invaluable and engaging look at the writers we love—and why we love what they wear—that is sure to captivate lovers of great literature and sophisticated fashion.

Congressional Record United States. Congress 1967

Young House Love Sherry Petersik 2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

The Farewell Symphony Edmund White 1998-09-01 Following *A Boy's Own Story* (now a classic of American fiction) and his richly acclaimed *The Beautiful Room Is Empty*, here is the eagerly awaited final volume of Edmund White's groundbreaking autobiographical trilogy. Named for the work by Haydn in which the instrumentalists leave the stage one after another until only a single violin remains playing, this is the story of a man who has outlived most of his friends. Having reached the six-month anniversary of his lover's death, he embarks on a journey of remembrance that will recount his struggle to become a writer and his discovery of what it means to be a gay man. His witty, conversational narrative transports us from the 1960s to the near present, from starkly erotic scenes in the back rooms of New York clubs to episodes of rarefied hilarity in the salons of Paris to moments of family truth in the American Midwest. Along the way, a breathtaking variety of personal connections--and near misses--slowly builds an awareness of the transformative power of genuine friendship, of love and loss, culminating in an indelible experience with a dying man. And as the flow of memory carries us across time, space and society, one man's magnificently realized story grows to encompass an

entire generation. Sublimely funny yet elegiac, full of unsparingly trenchant social observation yet infused with wisdom and a deeply felt compassion, *The Farewell Symphony* is a triumph of reflection and expressive elegance. It is also a stunning and wholly original panorama of gay life over the past thirty years--the crowning achievement of one of our finest writers.

World Clothing and Fashion Mary Ellen Snodgrass 2015-03-17 Taking a global, multicultural, social, and economic perspective, this work explores the diverse and colourful history of human attire. From prehistoric times to the age of globalization, articles cover the evolution of clothing utility, style, production, and commerce, including accessories (shoes, hats, gloves, handbags, and jewellery) for men, women, and children. Dress for different climates, occupations, recreational activities, religious observances, rites of passages, and other human needs and purposes - from hunting and warfare to sports and space exploration - are examined in depth and detail. Fashion and design trends in diverse historical periods, regions and countries, and social and ethnic groups constitute a major area of coverage, as does the evolution of materials (from animal fur to textiles to synthetic fabrics) and production methods (from sewing and weaving to industrial manufacturing and computer-aided design). Dress as a reflection of social status, intellectual and artistic trends, economic conditions, cultural exchange, and modern media marketing are recurring themes. Influential figures and institutions in fashion design, industry and manufacturing, retail sales, production technologies, and related fields are also covered.

Who's Who in Fashion Holly Price Alford 2014-09-25 "Students of fashion design are eager to explore the history of their chosen field as well as keep up with new and emerging designers. *Who's Who in Fashion* captures the energy, drama, and excitement of the luminaries who make up the world of fashion. Profiles include design philosophies, mentors, and sources of inspiration, tracing the careers of many of the men and women who have contributed to fashion. Not only are today's major figures and legendary designers of the past profiled, but lesser-known individuals and newcomers worth watching are included as well. Also included are the interesting nonconformists--free spirits who prefer to work off the main fashion path. The picture would not be complete without the style-makers, those with an instinct and an eye for fashion, who interpret it for the public: the editors, photographers, and artists"--

The Couture Secrets of Shape Charles James 2019-01-30 Avant-garde designs from "America's First Couturier" British-American designer Charles James (1906-78), "America's First Couturier," is famed for the extraordinarily elegant evening gowns he created in the 1930s through the 1950s for society ladies on both sides of the Atlantic. From the beginning of his career, James also designed revolutionary unisex styles. The famous eiderdown evening jacket, designed in 1937 for women, was revived as a cult unisex design object in 1970s New York. The eiderdown jacket and James' other unisex designs share with his ball gowns a sculptural, architectural presence and a rigorously cerebral design process grounded in science and mathematics. James is regarded as a visionary thinker in the world of fashion, introducing lasting innovations in both technique and methodology. *Charles James: The Couture Secrets of Shape* goes beyond the evening gowns, focusing on some of James' unisex designs and his life in the artist community at the Chelsea Hotel, where he lived from 1964 until his death in 1978. He remained restlessly creative in this period, his rooms at the Chelsea serving as a studio, workshop, and archive. In 1973 he wrote *The Charles James Approach to Structural Design*; this allowed a glimpse into his thinking at that time and is included in this publication in facsimile. Edited by Homer Layne, James' last assistant, and Professor Dorothea Mink, with a preface by fashion designer Rick Owens, this volume reveals a new facet of James' groundbreaking body of work.

100 Contemporary Fashion Designers Terry Jones 2013 Highlights from Taschen's Fashion Now! series creating a comprehensive overview of fashion design around the world at the start of the 21st century

Philosophical Perspectives on Fashion Giovanni Matteucci 2016-12-01 *Philosophical Perspectives on Fashion* places philosophical approaches at the heart of contemporary fashion studies. Considering the mutual relationships between aesthetics, modern society and culture, fashion and the fine arts, and the way these relationships have influenced and shaped our views on identity and taste, this ground-breaking book also explores the various intellectual and cultural movements that inform how people dress. In the context of the most recent debates, the leading fashion and philosophy scholars contributing to this volume refer to and apply theories posed by key thinkers of the modern and contemporary age, from Darwin and Wittgenstein to Husserl and Goodman, in order to answer questions such as: What is the essence of fashion and the reasons behind its fascination? What is 'anti-fashion'? What or who do we imitate when we 'follow' fashion? What is fashion criticism and what should it be? Anyone studying or interested in fashion, philosophy or art will find this book a rich source of ideas, insight and information. *Philosophical Perspectives on Fashion* is a valuable contribution to contemporary fashion theory and aesthetics, one that revitalizes the way we look at the form, purpose and meaning of fashion and aesthetic experience.

Pre-Incident Indicators of Terrorist Incidents Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Unconventional Warfare (Special Forces, Book 1) Chris Lynch 2018-11-27 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

The Numinous Tarot Guide The Numinous 2021-07-22 The Numinous Tarot Guide is an interactive, self-study guide that unlocks the meaning of the cards in an instant - and in a way that is deeply personal to every reader of every level. Designed to be used with any deck, a reading for each of the 78 cards offers a modern, evolved interpretation of the card's meaning, along with prompts and journal exercises, to help guide the reader into a space of deep reflection. The traditional way to interact with the Tarot is to ask a question and then pull a card to divine the 'answer'-this guide instead offers the invitation to choose a card first, and then use it as a portal to a deeper level of self-enquiry, using the power of story to help discover why you think the way you think, and do the things you do. The Numinous Tarot Guide offers both a complete compendium of practical Tarot knowledge, and a treasured space for personal reflection. Including insights into the symbolism, mythology and the real-life relevance of each card, it is an indispensable tool for anybody invested in forging a deeper relationship with their favourite deck, as well as an ideal gift for mystical mavens, self-help fans and Tarot readers everywhere.

Thought Economics Vikas Shah 2021-02-04 'Stimulating, intelligent and enjoyable discussions of the most important issues of our day.' STEVEN PINKER 'From entrepreneurs to athletes, and world leaders to entertainers, this is a

Downloaded from avenza-dev.avenza.com
on December 5, 2022 by guest

fascinating collection of interviews with some of the world's most influential individuals.' MARK CUBAN 'Thought Economics is a fine rebuke to the soundbite culture; these interviews are driven by real curiosity, and there is a wealth of wisdom here.' EDWARD STOURTON _____ Since 2007, entrepreneur and philanthropist Vikas Shah has been on a mission to interview the people shaping our century. Including conversations with Nobel prizewinners, business leaders, politicians, artists and Olympians, he has been in the privileged position of questioning the minds that matter on the big issues that concern us all. We often talk of war and conflict, the economy, culture, technology and revolutions as if they are something other than us. But all these things are a product of us - of our ideas, our dreams and our fears. We live in fast-moving and extraordinary times, and the changes we're experiencing now, in these first decades of the twenty-first century, feel particularly poignant as decisions are made that will inform our existence for years to come. What started out as a personal interest in the mechanisms that inform our views of the world, and a passion for understanding, has grown into a phenomenal compilation of once-in-a-lifetime conversations. In this incredible collection, Shah shares some of his most emotive and insightful interviews to date.

The Sartorialist Scott Schuman 2012 After the enormous success of The Sartorialist, Scott Schuman is back with a completely new collection of beautiful images of the men and women who have caught his attention. His much-loved blog, thesartorialist.com, remains one of the most-read in the fashion world and continues to grow in popularity as Scott travels further and more widely. This book encompasses the diverse style and visual attitude of people as far afield as Japan, Korea, London, Milan, New York, Paris, and beyond, and includes nearly forty exclusive images. In *The Sartorialist: Closer*, Scott Schuman looks deeper and with great breadth at human style, and the way it is expressed across the world. Always reacting to an inspirational moment, the images in his new book continue to reflect Scott's unique sensibility and vision. This limited-edition hardcover features a gorgeous slipcover, colored endpapers, and sewn pages and is individually numbered.

The Men's Fashion Book Jacob Gallagher 2021 The first-ever authoritative A-Z celebration of the 500 greatest names in men's fashion - 200 years of men's style through the work of designers, brands, photographers, icons, models, retailers, tailors, and stylists around the globe

Mapplethorpe Patricia Morrisroe 2016-03-16 With Robert Mapplethorpe's full endorsement and encouragement, Morrisroe interviewed more than three hundred friends, lovers, family members, and critics to form this definitive biography of America's most censored and celebrated photographer. "Eventually I found several hundred people who knew Robert Mapplethorpe in all his various incarnations—Catholic schoolboy; ROTC cadet; hippie; sexual explorer; celebrated artist; and famous AIDS victim. Their stories helped animate his pictures and bring his visual diary to life. What I discovered wasn't one "Perfect Moment" but a series of moments—some pure, some blemished, but all

emblematic of the paradoxical times in which he lived.”—Patricia Morrisroe, from the Introduction NOTE: This edition does not include photographs.

The Currency of Love Jill Dodd 2017-06-06 In this “page-turning memoir of decadence and faith” (Publishers Weekly, starred review), Jill Dodd writes movingly and evocatively about her journey from Paris model to Saudi billionaire’s harem wife to multi-million-dollar business entrepreneur. In the 1980s, Jill Dodd determined that her ticket out of an abusive home was to make it as a top model in Paris. Armed with only her desire for freedom and independence, she embarks on an epic journey that takes her to uncharted territory—the Parisian fashion industry with all its beautiful glamour and its ugly underbelly of sex, drugs, and excess. From there, Jill begins an eye-opening roller-coaster adventure that includes trips to Monte Carlo, sexual exploitation, and falling in love with one of the richest men in the world, soon becoming one of his many wives—until she ultimately finds the courage to walk away from it all and rebuild her dreams. In *The Currency of Love*, she “writes earnestly and refreshingly about learning many of life’s more difficult lessons the hard way” (Kirkus Reviews) with page-turning accounts of her struggles and triumphs as she paved her path through a dangerous and seductive world, before ultimately coming into her own as the founder and creator of global fashion line, ROXY. This “raw and inspiring story” (PopSugar) with a feminist fairy tale twist reveals how one woman chose to live her life without forfeiting her independence, ambition, creative expression, and free spirit, all while learning one invaluable lesson: nothing is worth the sacrifice of her integrity, inner peace, and spirit.

About Time Andrew Bolton 2020-06-15 “An hour, once it lodges in the queer element of the human spirit, may be stretched to fifty or a hundred times its clock length; on the other hand, an hour may be accurately represented on the timepiece of the mind by one second.” —Virginia Woolf, *Orlando: A Biography*, 1928 *About Time: Fashion and Duration* traces the evolution of fashion, from 1870 to the present, through a linear timeline of iconic garments, each paired with an alternate design that jumps forward or backward in time. These unexpected pairings, which relate to one another through shape, motif, material, pattern, technique, or decoration, create a unique and disruptive fashion chronology that conflates notions of past, present, and future. Virginia Woolf serves as “ghost narrator”: excerpts from her novels reflect on the passage of time with each subsequent plate pairing. A new short story by Michael Cunningham, winner of the Pulitzer Prize for Fiction for *The Hours*, recounts a day in the life of a woman over a time span of 150 years through her changing fashions. Scholar Theodore Martin analyzes theoretical responses to the nature of time, underscoring that time is not simply a sequence of historical events. And fashion photographer Nicholas Alan Cope illustrates 120 fashions with sublime black and-white photography. This stunning book reveals fashion’s paradoxical connection to linear notions of time.

The Battle of Versailles Robin Givhan 2015-03-17 On November 28, 1973, the world's social elite gathered at the Palace of Versailles for an international

fashion show. By the time the curtain came down on the evening's spectacle, history had been made and the industry had been forever transformed. This is that story. Conceived as a fund-raiser for the restoration of King Louis XIV's palace, in the late fall of 1973, five top American designers faced off against five top French designers in an over-the-top runway extravaganza. An audience filled with celebrities and international jet-setters, including Princess Grace of Monaco, the Duchess of Windsor, Paloma Picasso, and Andy Warhol, were treated to an opulent performance featuring Liza Minnelli, Josephine Baker, and Rudolph Nureyev. What they saw would forever alter the history of fashion. The Americans at the Battle of Versailles— Oscar de la Renta, Bill Blass, Anne Klein, Halston, and Stephen Burrows – showed their work against the five French designers considered the best in the world – Yves Saint Laurent, Hubert de Givenchy, Pierre Cardin, Emanuel Ungaro, and Marc Bohan of Christian Dior. Plagued by in-fighting, outsized egos, shoestring budgets, and innumerable technical difficulties, the American contingent had little chance of meeting the European's exquisite and refined standards. But against all odds, the American energy and the domination by the fearless models (ten of whom, in a groundbreaking move, were African American) sent the audience reeling. By the end of the evening, the Americans had officially taken their place on the world's stage, prompting a major shift in the way race, gender, sexuality, and economics would be treated in fashion for decades to come. As the curtain came down on The Battle of Versailles, American fashion was born; no longer would the world look to Europe to determine the stylistic trends of the day, from here forward, American sensibility and taste would command the world's attention. Pulitzer-Prize winning fashion journalist Robin Givhan offers a lively and meticulously well-researched account of this unique event. The Battle of Versailles is a sharp, engaging cultural history; this intimate examination of a single moment shows us how the world of fashion as we know it came to be.

Fabulous Madison Moore 2018-01-01 An exploration of what it means to be fabulous--and why eccentric style, fashion, and creativity are more political than ever Prince once told us not to hate him 'cause he's fabulous. But what does it mean to be fabulous? Is fabulous style only about labels, narcissism, and selfies--looking good and feeling gorgeous? Or can acts of fabulousness be political gestures, too? What are the risks of fabulousness? And in what ways is fabulous style a defiant response to the struggles of living while marginalized? madison moore answers these questions in a timely and fascinating book that explores how queer, brown, and other marginalized outsiders use ideas, style, and creativity in everyday life. Moving from catwalks and nightclubs to the street, moore dialogues with a range of fabulous and creative powerhouses, including DJ Vjuan Allure, voguing superstar Lasseindra Ninja, fashion designer Patricia Field, performance artist Alok Vaid-Menon, and a wide range of other aesthetic rebels from the worlds of art, fashion, and nightlife. In a riveting synthesis of autobiography, cultural analysis, and ethnography, moore positions fabulousness as a form of cultural criticism that allows those who perform it to thrive in a world where they are not supposed to exist.

The Fundamentals of Fashion Design Richard Sorger 2017-10-05 The Fundamentals of Fashion Design (2nd edition) by Richard Sorger and Jenny Udale offers a fully illustrated introduction to the key elements of fashion design, from the initial concept of a fashion idea to realising it in 3D form. New case studies featuring contemporary designers contextualise the ideas explored within the book and offer key insights into working - and succeeding - in the fashion industry. A range of design exercises also helps readers to discover new techniques. This title inspires readers to succeed at what they are best at - designing clothes. The book features interviews with: Alan Humphrey Bennett, Bally; Boudicca; Kristin Forss, Marni; Louise Grey; Richard Grey; John-Gabriel Harrison; Virginia James, Poetry and Wrap; Peter Jensen; Winni Lok, Calvin Klein; Michele Manz, 7 For All Mankind; Colin McNair, John Varvatos.

Exhibitionism Valerie Steele 2019-04-23 Founded in 1969 by the Fashion Institute of Technology, The Museum at FIT is a specialized fashion museum famous for its innovative and award-winning exhibitions. The museum has been the site of more than 200 exhibitions since the 1970s, and Exhibitionism commemorates approximately 33 of the most influential of these, including Fashion and Surrealism (1987), a groundbreaking show that explored the relationship between art and fashion; The Corset (2000), a beautiful and brilliant exploration of the most controversial garment in fashion history; and Fairy Tale Fashion (2016), a magical look at the such enchanted and emblematic items as the glass slipper and the red riding hood. Exhibitionism also includes highlights from more recent, award-winning exhibitions, such as A Queer History of Fashion: From the Closet to the Catwalk (2013) and Black Fashion Designers (2017). Each exhibition included in the book are illustrated using installation photos, images of individual garments, and texts that explain the importance of the exhibition and the objects it featured. The authors provide an engaging, "behind the scenes" look at the process of exhibition making.

Wild Andrew Bolton 2004-12-07 "[Book title] examines the practical, spiritual, psychosexual, and socioeconomic underpinnings of fashion's fascination with animals and birds."--Book jacket.
