Trekking in Greenland - The Arctic Circle Trail Paddy Dillon 2022-07-12 At just over 100 miles long, and taking 7 to 10 days to complete, the Arctic Circle Trail crosses the largest ice-free patch of West Greenland. This splendid trekking route, lying 25-30 miles north of the Arctic Circle runs from Kangerlussuaq to Sisimiut (both of which have airport access). The trail traverses remote, empty, silent and stunningly scenic arctic tundra, and is mostly gently graded with just a few short, steep and rocky slopes. However, the landscape between the two towns of Kangerlussuaq and Sisimiut is extremely remote and those who choose to take on this route must be completely self-sufficient. The book includes plenty of practical information on what to take with you and when to go, as well as on safety, travel and accommodation. Fully illustrated with a variety of photographs and its route is highlighted on continuous trekking maps. The guide also includes an optional extension to the Greenlandic ice cap.

Vagabondess Toby Israel 2020-05-07 Vagabondess: A Guide to Solo Female Travel is a book for women-and all people!-who want to travel solo, face their fears, and live the adventure of their dreams. This book is for the travelers, the feminists, the adventurers, the seekers and the curious. The author shares

insights from over 10 years of solo travel through Asia, Africa, Europe, and Central America. Vagabondess is much more than a guide. It is a collection of travelogue, philosophy, stories, and, yes, travel advice. It is about embracing the vagabondess-her spirit of adventure, her curiosity, her dedication to growth and discovery-who lives inside each of us, showing up in our lives in a myriad of ways. If you were waiting for someone to tell you that your dreams are just crazy enough, and then give you some practical suggestions for how to get there, then this is the book for you. "Why Vagabondess? A vagabondess has earth and salt to balance her air. Her lifestyle is not a romantic, Instagram-filter utopia, but rather gritty and smeared with sweat. A vagabondess is not a symbol of an ideal of a life. She is alive. A vagabondess weaves magic into the everyday and touches the profound with her toes as she wanders-aimlessly, purposefully-through her inner landscape and the outer wilderness of the modern world. She unites nostalgia for a freer past and hope for a liberated future by living squarely in the present tense. For solo female travelers, the vagabondess is an attainable objective, not a holy grail. She is within easy reach, if only we look in the right place: inside."

Quill & Quire 1996

Born to Run Christopher McDougall 2011 Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.

Princeton Alumni Weekly 1956

Vagabond Dreams Ryan Murdock 2012 "Vagabond Dreams" is a true story of awakening among a cast of fascinating characters at the farthest margins of the map. At its heart is the uncompromising vision of rising beyond one's self-imposed limitations and truly living. This powerful map to Road Wisdom is for brave travelers determined to embrace personal freedom and create the life of their choice.

The Rough Guide to Los Angeles Jeff Dickey 2003 Fully updated, this irreverent guide to the City of Angels focuses on both the major tourist destinations as well as lesser-known gems and curiosities. A colour photograph section brings the city's highlights to life, from the Hollywood Hills to Santa Monica Boulevard. Each chapter gives detailed coverage of each area's attractions,

from accommodation and restaurants to galleries, shops, sports activities and child-oriented diversions. There are also feature articles on such subjects as Hollywood, LA on film, architecture and LA people.
