Muhurtha B. V. Raman 1993-04 The Aim Of This Comprehensive Volume Is To Present To The Reader In A Concise Form All The Essential Principles Of Muhurtha Or Electional Astrology. Slightly Shop-Worn.

Encyclopedia of Vedic Astrology: Remedies Shanker Adawal There are large number of books available in the public domain which talks about various remedial methods that could be followed. Also there are groups of people who talk about the benefits of yoga, mantra, yantra and allied topics, each of which has a scientific logic as is the case with the manuscripts left behind by the Rishis. As we all are aware, there are planets which by their interaction, govern our destiny. My belief, developed during the study of this science, is that destiny depends on four major things in equal proportion. These are; our previous karma, the place where we are staying, the people with whom we interact and our own efforts. These are the four parameters and within each comes the important of a large gamut of activities. There is a complex equation that is a matter of study and research which, like any other science, gets deciphered and known. I therefore believe that chart at the time of birth, coupled with the year's horoscope and the time at which the query is being asked, have to be co-related and a vector from them gives the correct analysis of the query. Similarly, as each planet is associated with a colour and the colours are in turn related to vibrations – a complex phenomenon by itself; the various mantras, colour therapy and other remedies have relevance.

Phaldeepika Gopesh Kumar Ojha 2014-01-01 Mantreswar was the greatest astrologer of the 12th century from the South of India. He compiled in Sanskrit the principles of Predictive Astrology propagated by Maharshi Parashar, Jaimini and various other great astrologers in his famous work Phaldeepika. This is one of the best books on Predictive Astrology. It includes the essence of Parashar, Jaimini and many more masters. Four hundred and fifty Yogas of Bhavartha Ratnakar of Shri Ramanuja have been added to benefit the title Phaldeepika; Bhavartha Bodhini. The 28 chapters in the book cover various topics: the characteristics, house divisions, strength of planets, career, various yogas, raja yogas, marriage, children, longevity, periodic influence of planets, the effect of transits and ashtakvargas. The 11th chapter exclusively deals with the nativity of women; the 22nd chapter gives the interpretations and calculation of the Kalachakra dashas. This English edition also includes many horoscopes, tables and a glossary of Sanskrit and Hindi words. The language is easy to understand and even beginners after studying this book for a few months will be able to arrive at the right interpretations and timing of events.

into a place that is sanctified by the presence of a true astrologer. No person who studies and divines the course of destiny will ever be found in hell but will reside permanently in the world of Brahman. This book brings to the fore not only the rationality of astrology but also the nature and structure of the correct knowledge that our forefathers possessed regarding the predictable influences of planets on human beings, and gives a spiritual bias to astrology. The reader is taken step by step in this work from the rudiments Viz., the distribution of constellations in the Zodiacal belt which is divided into twelve Signs, and the planetary hierarchy, through the method of calculating the ascendant and other houses of a natal chart, assessment of the strengths, influences, aspects, affliction, mutual relations etc., of the planets, to the final stage of reading the brighter and darker sides of the subject's life, his chances of success and failure, their periods, ingress of the soul into the mortal coil and exit there form as well as its departure to other worlds according to its karma. "In this book, an attempt has been made to give a good account of the science of astrology, with a view to making the reader a good and true astrologer. It also shows that astrology does not make a man a fatalist, helpless automation in the hands of a merciless Fate. It should, on the other hand, help him to take to self-exertion and self-help. This hoary lore, according to the author, is to be practised not for selfish ends but to guide the needy and the distressed, to remove the cause of their suffering and to turn their attention towards God.

Esoteric Principles Of Vedic Astrology Bepin Behari "This book presents the ancient Hindu astrology in its occult and esoteric aspects. Traditional practitioners often failed to defend the veracity of the subject and dispel the

scepticism of modern intellectuals. The ancient revelations have been restated here to meet contemporary requirements. The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages. They assumed polydimensional extension of human consciousness which was closely related with planetary impulses. Apart from the general approach to this ancient science, the study presents in depth the astrological description of the nature of man. It also provides deeper implications of various planetary combinations. Advanced practitioners as well as general readers will find the book informative, illuminating and highly rewarding.

How to Judge a Horoscope Volume 1 B. V. Raman 2014-01-01 How to Judge a Horoscope is a departure from the conventional method of treatment of astrology. It is a study in the use of Horoscope in every man's daily life. The work in two volumes is divided in twelve houses, containing six each in consecutive order. The twelve houses have reference to the material relation of soul (jeeva) in its journey from the cradle to the grave. The study of illustrations (charts) makes every point even the omitted rudimentary principles and rules very clear and graspable. Volume I deals with houses I to VI. First House deals with the beginning of life, childhood, health, physical body and character. Second House represents family, face, right eye, food, manners and source of death. Third House rules brothers and sisters, intelligence and other immediate relations. Fourth House indicates peace of mind, home life, land and ancestral properties, education, neck and shoulders. Fifth House indicates children, intelligence, emotion and fame, Sixth House rules over debts, enemies, miseries, sorrows, illness and disappointments. Volume II deals with houses VII to XII. The Seventh House represents wife, husband, marriage, sexual diseases, business partner, diplomacy, talent and general happiness. The Eighth House indicates longevity, legacies, disgrace, degradation and details pertaining to death. The Ninth rules father, righteousness, religion, fame leadership, journeys and communications with spirits. The Tenth indicates occupations, profession, honours, foreign travels and means of livelihood. The Eleventh represents means of gains, elder brother and freedom from misery. The Twelfth rules losses, expenditure, sympathy, divine knowledge, moksha and the state after death
