My Little Golden Book About The White House Jen Arena 2019-05-07 Now the littlest readers can learn about the White House--how it came to be, and what it's like to live there! In this engaging Little Golden Book, preschoolers will enjoy fascinating stories about the White House and some of the presidents, First Families, and even First Pets who have lived there. Simple words and bright artwork bring to life the story of how the White House came to be, and how it has changed over time. Little ones will learn that George Washington himself chose the building site, and that nearly every president has left his mark--from Thomas Jefferson's introduction of "water closets"--early toilets!--to Michelle Obama's vegetable garden. And kids will gain a clear understanding of the role the White House plays in American life and culture. Fun anecdotes about the rowdy Roosevelt children riding metal trays down the staircase, the annual Easter Egg Roll, and how the White House once kept cows for milk complete this charming nonfiction Little Golden Book.

*Li'l Rip Haywire Adventures: Escape from Camp Cooties* Dan Thompson 2016-03-01 Rip Haywire thinks he's got it made. Instead of going to bed early, doing fractions and eating Brussels sprouts, he gets to accompany his soldier-of-fortune dad on laughably dangerous international missions. He's the only 12-year-old in the world with a working knowledge of the Seven Most Common Booby Traps Used by Ancient Civilizations to Protect Their Precious Treasures. It sure beats school, right? But Rip's life is about to change when his dad, in a sudden fit of responsibility, assigns Rip his toughest mission yet: a historically all-girls summer camp. Will Rip learn how to get along with his feminine camp mates, most of whom have never even seen a flame thrower, let alone used one to fend off a pack of rabid hyenas? Can Rip solve the mysteries

that surround the camp and one intriguing girl in particular? Readers will follow Rip's misadventures in his whimsically illustrated journal, helping him to solve puzzles and beat the bad guys, as he learns that friendship can be more valuable than ancient treasure, and more powerful than a well-placed land mine.

**Peter & Ernesto: A Tale of Two Sloths** Graham Annable 2018-04-10 Peter and Ernesto are sloths, friends, and nothing alike, so Ernesto decides to go off on an adventure alone. Will the pals' separation tear them apart or bring them closer together? Presented in comic books format.

*The Dam Keeper, Book 2* Robert Kondo 2018-07-10 The second volume in a lush, vibrantly drawn graphic novel series based on the Oscar-nominated animated short film, about a young pig who must save his village from a toxic black fog.

**Quantum Beginnings** Joe Kuster 2019-08-02 "By far, the greatest danger of Artificial Intelligence is that people conclude too early that they understand it." -Eliezer Yudkowsky Artificial intelligence was nearly mankind's last invention. AI took off like a rocket, then when it racked up an impressive death toll, it crashed before it could blossom and took most high-tech industries with it. Resistance and fears became deep-set. Two decades after the infamous Rev. 4.6 incidents, humanity hasn't quit dreaming of the wealth and power that could be at their fingertips. A new generation of mega-corporations rose from the ashes. When one melds a quantum computer to a barely functional mental patient as a PR move, there are those who seek to profit, those who want to destroy it, and Alex. Alex Sage is a typical college student trying to keep up his grades and maybe find a meaningful connection with the fairer sex. Then, an automated semi crashes into his home, killing his family and turning his head into a pin cushion in the process. Alex awakens to find most of his memories gone and an illegal AI hidden in his brain implant. Now the pet project of a tech billionaire and heavily in debt, Alex struggles to stay valuable enough to be kept online. Still grappling with the repercussions of his injuries, and threats from a dangerous anti-augmentation political movement, there are no easy answers and threats loom around every corner. Alex must use whatever resources he can to escape from under the thumb of a ruthless corporation, while keeping those he comes to love safe. "GOOD PREMISE, GREAT EXECUTION"- THEZOUAVE "ONE SMALL STEP FOR CYBER-KIND.....a well written story with a rich world"- DESMERIT "You won't be disappointed"- G4MERSYLVER

**Ship of Ruin** Lindsay Buroker 2019-06-11 All Casmir Dabrowski wants is to return to his normal life as a robotics professor on the solid ground and agreeable gravity of his home world. No sane person would want to cavort around in space, being chased by mercenaries, soldiers, and knights--not to mention the unidentified organization that's been sending robot assassins after him. But his best friend's mother is missing, an entire team of archaeologists is dead, and the greatest find in the Twelve Systems is hidden in a wreck entombed on a frozen moon. As the Kingdom Fleet, Tenebris Rache's nefarious mercenaries, and sinister strangers from another system descend on the ancient wreck, all wanting the secret in its hold, Casmir and his friends are caught in the middle of a battle for the future of humanity. They may be the only ones with the unique skills to decode the wreck's secrets, but will they survive long enough to do so?
