Amen to All That Michael R. Whitcomb 2018-08-06 *Amen to All That* is the final book in a trilogy written using no word longer than four letters in which Jake, with the help from his friends and the wind, makes the most of his opportunity and eventually finds both closure and a happy release from his past. I feel now, as I felt in the beginning, that in the hands of creative leaders (teachers, tutors, parents, self-motivated teens, etc.), this work has enormous potential in the development of language. For reluctant readers, beginning readers, those learning English as a second language, independent readers looking for something out of the ordinary, trivia buffs, and wordsmiths, there is something here for you all. Now all I need is for you to prove me right.
