**How Would You Survive as a Viking?** Jacqueline Morley 2005-06 Each title transports the reader back in time by giving detailed information on the aspects of life during a particular historical period.

**DKfindout! Vikings** Philip Steele 2018-09-06 Find out all about the history of the Vikings, the warriors and explorers who raided Europe in their longships throughout the Middle Ages. Learn about Viking warfare, their families, homes, clothes, and crafts, as well as gods from Norse mythology, such as Thor and Loki, in this beautifully illustrated children's book that is crammed with amazing facts. Part of the award-winning DKfindout! series, this engaging book includes new photography and illustrations that transport children directly into the world of the Vikings. Written by experts in Viking history, and checked by an educational consultant, DKfindout! Vikings is ideal for school projects or for children who simply love to learn about accurate ancient history. Amazing cut-away artworks take you inside Viking homes and longships, in which these notorious seafaring warriors sailed to North America 500 years before Christopher Columbus. New photography, including reenactments of Viking life, makes this book essential for budding historians and imaginative learners.

**Who Were the Vikings?** Phil Roxbee Cox 2002-01-30 Gives answers to the first questions children ask about history, provoking comparison with life as they know it today. Colorful illustrations and well-researched text take readers back in time.

The Last Shadow Warrior Sam Subity 2021-05-04 Percy Jackson meets Thor in a laugh-out-loud, action-packed adventure inspired by Norse mythology. Twelve-year-old Abby Beckett is proud to come from a long line of elite Viking warriors known as the Aesir. She's spent her entire life training to hunt the horrific creatures known as Grendels--the ancient foe of the Aesir--just like her mother did before she died. But there's just one, small problem: No one has seen a Grendel in centuries, and the Viking Council wants to disband the Aesir . . . forever. When her father is injured in an attack that leaves him in a coma, Abby is forced to take refuge at Vale Hall, a mysterious school in Minnesota where nothing is quite as it seems. She soon discovers the tables have turned and a Grendel is hunting her, but when she tries to alert the Viking Council, they accuse her of making up stories for attention . . . just like her mother did. Desperate to protect her father and clear her mother's name, Abby goes on a dangerous quest to discover the truth--a journey that brings her face-to-face with some unlikely foes, including a Ping-Pong-playing sea monster with a wicked backhand, and a dark Valkyrie with a fondness for bingo. Abby quickly realizes that someone at the school is trying to stop her progress and destroy the Aesir for good. And only she can unravel the sinister plot before it's too late.

**Castle** Christopher Gravett 2004 Looks behind fortress walls to explore how they were built to house hundreds of people and animals, how a boy rose from page to knight, and what castle life was like.

*Media and Communications* Dorling Kindersley Publishing Staff 1995-04-01 This book traces the history of communications, from hieroglyphics to the information superhighway.

Try out DK Eyewitness Top 10 Stockholm.

**The Saga of Erik the Viking** Terry Jones 2022-06

**Knight** Christopher Gravett 2008-03-18 The traditional "knight in shining armor" has become a staple figure in popular culture and the images of bloody battlefields, bustling feasting halls and courtly tournaments have been creatively interpreted many times in film and fiction. But what was the knight truly like? The world of the English Medieval Knight was complex, and ever-changing. From the household of King John to the defenders of Elizabeth I, there was great change in the social standing of knights, their equipment and appearance, and their involvement in politics and warfare. An expert on Medieval military history Christopher Gravett describes how the knight evolved over four centuries of English and European history, the wars they fought, their lives in peacetime and on campaign, the

weapons they fought with, the armor and clothing they wore and the fascinating code and mythology of chivalry. The text is richly illustrated with images ranging from manuscript illustrations to modern artwork reconstructions, and many photographs of historic artifacts and sites.

**Judaism** Douglas Charing 2003-03-01 Explores the faith of Judaism, from its origins to its role in the twenty-first century.

DK Findout! Vikings Dorling Kindersley Publishing Staff 2018-09-04 "DK findout! Vikings is packed with surprising facts and amazing pictures of these medieval adventurers"--Back cover.

Try our DK Eyewitness Norway.

50 Things You Should Know About the Vikings Philip Parker 2017-09-05 This book begins by exploring who these peoples were - and who they were not. For while there's no doubt that some Vikings launched bloodthirsty attacks in this period, pillaging communities and plundering treasure, many more were peaceful traders and settlers. The middle chapters deal with the Viking invasions and conquests of Anglo-Saxon lands that took place in the eighth and ninth centuries, as well as the great voyages of exploration that took these horned warriors out across the Atlantic Ocean to what are now Greenland and Canada. These chapters also go beyond the battles and adventures to look at the everyday life of the people, to examine how and what they traded, what Viking village life was like and how they made and sailed their famous long ships. The book concludes by summing up the Viking legacy through an examination of their art, culture, literature and enduring influence on the world.

*DK Eyewitness Books: Viking* Susan Margeson 2009-12-21 The most trusted nonfiction series on the market, Eyewitness Books provide an in-depth, comprehensive look at their subjects with a unique integration of words and pictures. **The Last Viking** Don Hollway 2021-09-02 'The Last Viking is a masterful and pulse-pounding narrative that transports the reader into the middle of the action.' Carl Gnam, Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance. But from these humble origins, he became one of Norway's most legendary kings. The Last Viking is a fast-moving narrative account of the life of King Harald Hardrada, as he journeyed across the medieval world, from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land, until his warrior death on the battlefield in England. Combining Norse sagas, Byzantine accounts, Anglo-Saxon chronicles, and even King Harald's own verse and prose into a single, compelling story, Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion.

*Eyewitness Mythology* Neil Philip 2011 This intriguing and captivating introduction to the culturally diverse world of mythology features stunning photos of masks, jewelry, and sculptures, offering a unique eyewitness view of mythological gods and creatures. Includes a clip-art CD. Full color.

**Fish** Steve Parker 1990 A photo essay about the natural world of fish and their importance in human life.

Fine Print Joann Johansen Burch 2011-01-01 Although he is credited with changing history through his invention of printing, Johann Gutenberg remains mysterious. In Fine Print, author Joann Johansen Burch pieces together Gutenberg's amazing story. When Johann was a child in the early 1400s, books were rare and sometimes very expensive. Each book had to be copied by hand, letter by letter. Gutenberg loved to read, and he often grew impatient waiting for the time-consuming bookmaking process to be completed. Young Gutenberg dreamed of finding a better way to make books. From his childhood in strife-torn Mainz through the many years of setbacks and bankruptcies, Gutenberg persevered in his belief that books could be made quickly and inexpensively. This is the story of the man who invented movable type and the printing press and gave the world the gift of books.

**Eyewitness Mesopotamia** Philip Steele 2007 The world's most trusted nonfiction series is now available with a CD of clipart included in the hardcover edition that compliments a fact-filled title full of spectacular photographs and illustrations.
