He preferred feeling numb, rather than feeling the pain of losing his dreams. That all changed the day he received an anonymous letter in the mail with just three words: I am innocent. James began dreaming of Emilia that same night. However, his dream quickly becomes his nightmare as she haunts his sleep, demanding he knows the truth, that he faces the unseen. The Lives of Ants Laurent Keller 2009-02-26 Humans have long been fascinated by ants. While not necessarily brightly coloured or beautiful, ants display some remarkable characteristics that are almost unique in the animal world. They live in intricately organized societies, made up of individuals that cooperate, communicate, and divide up daily tasks. They display amazing ingenuity when it comes to building nests and other structures, finding supplies, or even exploiting other members of the animal kingdom. They are capable too of aggression and violence, of disturbing the apparent peace of their colonies and of sudden fratricidal or matricidal strife. In short, the lives of ants are among the most fascinating in the natural world. This is an account of those lives - looking at the many species of ants around the world, explaining the secret of their huge ecological success, examining the remarkable and varied behaviours that ants exhibit, and tying in molecular biology, genetics, and even cutting-edge developments in robotics, to shed light on what makes ants unique.

Seven Fires Francis Mallmann 2009-06-02 A trailblazing chef reinvents the art of cooking over fire. Gloriously inspired recipes push the boundaries of live-fired cuisine in this primal yet sophisticated cookbook introducing the incendiary dishes of South America's biggest culinary star. Chef Francis Mallmann—born in Patagonia and trained in France's top restaurants—abandoned the fussy fine dining scene for the more elemental experience of cooking with fire. But his fans followed, including the world's top food journalists and celebrities, such as Francis Ford Coppola, Madonna, and Ralph Lauren, traveling to Argentina and Uruguay to experience the dashing chef's astonishing—and delicious—wood-fired feats. The seven fires of the title refer to a series of grilling techniques that have been singularly adapted for the home cook. So you can cook Signature Mallmann dishes—like Whole Boneless Ribeye with Chimichuri; Salt-Crusted Striped Bass; Whole Roasted Andean Pumpkin with Mint and Goat Cheese Salad; and desserts such as Dulce de Leche Pancakes—indoors or out in any season. Evocative photographs showcase both the recipes and the exquisite beauty of Mallmann's home turf in Patagonia, Buenos Aires, and rural Uruguay. *Seven Fires* is a must for any griller ready to explore food's next frontier.
