Augustus John Williams 2014-08-19 WINNER OF THE 1973 NATIONAL BOOK AWARD By the Author of Stoner In Augustus, his third great novel, John Williams took on an entirely new challenge, a historical narrative set in classical Rome, exploring the life of the founder of the Roman Empire. To tell the story, Williams turned to the epistolary novel, a genre that was new to him, transforming and transcending it just as he did the western in Butcher's Crossing and the campus

novel in Stoner. Augustus is the final triumph of a writer who has come to be recognized around the world as an American master.

Brighton Rock Graham Greene 2018-04-10 A teenage sociopath rises to power in Britain’s criminal underworld in this “brilliant and uncompromising” thriller (The New York Times). Seventeen-year-old Pinkie Brown, raised amid the casual violence and corruption in the dire prewar Brighton slums, has left his final judgment in the hands of God. On the streets, impelled by his own twisted moral doctrine, he leads a motley pack of gangsters whose sleazy little rackets have most recently erupted in the murder of an informant. Pinkie’s attempts to cover their tracks have led him into the bed of a timid and lovestruck young waitress named Rose—his new wife, the key witness to his crimes, and, should she live long enough, his alibi. But loitering in the shadows is another woman, Ida Arnold—an avenging angel determined to do right by Pinkie’s latest victim. Adapted for film in both 1948 and 2010 and for the stage as both a drama and musical, and serving as an inspiration to such disparate artists as Morrissey, John Barry, and Queen, “this bleak, seething and anarchic novel still resonate[s]” (The Guardian).

I Hadn't Understood Diego De Silva 2012-02-28 This “sharp-edged comedic novel of a semi-hapless Italian lawyer” who finds himself employed by the mob was a finalist for Italy’s prestigious Strega Prize (Kirkus Reviews). Vincenzo Malinconico is a wildly unsuccessful lawyer who spends most of his time at the office trying to look busy. His wife has left him. His teenage children worry him to death. And he suffers from a chronic inability to control his sentence structure. When he is asked to fill in as the public defender for alleged Mafioso Mimmo 'o Burzone, Malinconico seizes the opportunity to turn his life

around. Without dwelling too long on what it might mean to be employed by the mob, he rushes to re-learn the Italian criminal code. Soon, Malinconico's life becomes a comic battle to finish what he has started without falling further into the mafia's clutches. Diego De Silva's rollicking, Naples Prize-winning comic novel orbits the irresistible mind of one of contemporary Italian fiction's most beloved characters. Throughout his travails, Vincenzo contemplates every aspect of the life he sees before him in a wry voice that seduces, entertains, and moves the reader from the first page to the last.

My Life as a Russian Novel Emmanuel Carrère 2010-08-03 An unsparingly truthful account of love, betrayal, and the traps we set for ourselves, by France's master of psychological suspense In work after work, the critically acclaimed author Emmanuel Carrère has trained his unblinking gaze on the lives of others as they fight a losing battle with that most fearsome of adversaries—the self. Now, determined to escape the bleak visions of his narratives, he takes on a film project in the heart of Russia while also embarking on a new love affair back home in Paris. But soon enough, the diversion he seeks eludes him, intimacy proves too arduous, and Carrère is left peering into the dark mirror of his own life. Set in Paris and Kotelnich, a small post-Soviet town, *My Life as a Russian Novel* traces Carrère's pursuit of two obsessions—the disappearance of his Russian grandfather and his erotic fascination with a woman he loves but cannot keep from destroying. In prose that is elegant and passionate, Carrère weaves the strands of his story into a travelogue of a journey inward. Road trip, confession, erotic tour de force—this fearless reckoning illuminates the schemes we devise to evade ourselves and the inevitable payment they exact.

The Big Water Živko Čingo 2004 Set in Macedonia immediately after World War 2, it tells the story of a group of children orphaned by the war and their life in an orphanage. Full of characters and incidents, the book presents a child's view of life that is both humorous and bleak and, by its end, very moving. At a metaphoric level, the novel presents a strong critique of the authoritarianism of both institutional life and the Communist system, and their inability to reconcile with the needs and nature of the individual. At the human level, *The Big Water* is a very positive and moving story of the emotional development of children, and of the fundamental and irreplaceable role of the mother. Readers will remember this story and its climax long after they have finished the book.

The Eighth Life Nino Haratischvili 2020-10-20 'That night Stasia took an oath, swearing to learn the recipe by heart and destroy the paper. And when she was lying in her bed again, recalling the taste with all her senses, she was sure that this secret recipe could heal wounds, avert catastrophes, and bring people happiness. But she was wrong.' At the start of the twentieth century, on the edge of the Russian Empire, a family prospers. It owes its success to a delicious chocolate recipe, passed down the generations with great solemnity and caution. A caution which is justified- this is a recipe for ecstasy that carries a very bitter aftertaste ... Stasia learns it from her Georgian father and takes it north, following her new husband, Simon, to his posting at the centre of the Russian Revolution in St Petersburg. Stasia's is only the first in a symphony of grand but all too often doomed romances that swirl from sweet to sour in this epic tale of the red century. Tumbling down the years, and across vast expanses of longing and loss, generation after generation of this compelling family hears echoes and sees reflections. Great characters and

Writing and Performing Female Identity in Italian Culture Virginia Picchiotti 2017-01-28 This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of generic and thematic concerns, the volume contributes to the ever expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.

Venice Saved Simone Weil 2019-06-13 Towards the end of her life, the French philosopher and mystic Simone Weil (1909-43) was working on a tragedy, Venice Saved. Appearing here in English for the first time, this play explores the realisation of Weil's own thoughts on tragedy. A figure of affliction, a central theme in Weil's religious metaphysics, the central character offers a unique insight into Weil's broader philosophical interest in truth and justice,

and provides a fresh perspective on the wider conception of tragedy itself. The edition includes notes on the play by the translators as well as introductory material on: the life of Weil; the genesis and purport of the play; Weil and the tragic; the issues raised by translating Venice Saved. With additional suggestions for further reading, the volume opens up an area of interest and research: the literary Weil.

Shantaram Gregory David Roberts 2004-10-13 Based on his own extraordinary life, Gregory David Roberts' *Shantaram* is a mesmerizing novel about a man on the run who becomes entangled within the underworld of contemporary Bombay—the basis for the Apple + TV series starring Charlie Hunnam. “It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured.” An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels, romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

Turbulence David Szalay 2019-07-16 *A New York Times Book Review Editors' Choice* A “masterful” (The Washington Post), “cathartic” (Star Tribune, Minneapolis), novel about twelve people, mostly strangers, and the surprising ripple effect each one has on the life of the next as they cross paths while in transit around the world—from the Booker Prize–shortlisted author of *All That Man Is*. In this “compelling” (The Christian Science Monitor), “crisp and clever” (Vanity Fair) novel, Szalay's diverse protagonists circumnavigate the planet in twelve flights, from London to Madrid, from Dakar to Sao Paulo, to Toronto, to Delhi, to Doha, en route to see lovers or estranged siblings, aging parents, baby grandchildren, or nobody at all. Along the way, they experience the full range of human emotions from loneliness to love and, knowingly or otherwise, change each other in one brief, electrifying interaction after the next. Written with magic and economy, “Szalay explores the miraculous ability of our shared humanity to lift us from loneliness” (Esquire) and delivers a dazzling portrait of the interconnectedness of the modern world.
