Ask a Manager Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**Hard-Won Wisdom** Jathan Janove 2016-11-15 They did what?! That would never happen here. Yes it can, and it certainly will if you don't become proactive in learning how to avoid the disastrous scenarios befalling companies every day. Written by a seasoned HR expert and employment attorney, Hard-Won Wisdom takes you inside the messy reality of situations gone wrong, including: • A joking comment taken as a command • An email exchange that escalates ridiculously out of control • A request for confidentiality that backfires in a big way • The right employee fired the wrong way • The wrong employee fired the right way But this collection of real-life war stories doesn't stop there. The sometimes funny, but always cautionary tales are also used to reinforce crucial lessons for managers. From failing to give feedback and withholding key information to exercising poor judgment and making faulty assumptions, every story highlights the role management plays in exacerbating (or easing) trouble. Through many unfortunate situations, other managers have learned the hard way how to better motivate underachievers, defuse angry employees, discipline without inviting legal action, and handle many other employee problems. But you don't have to learn the way they did! Learn from their hard-won wisdom before it's too late!
