Talking Book Topics 2001 Includes audio versions, and annual title-author index.

Women and Warriors of the Plains Dan Aadland 1996 In 1901, at age 16, Julia Tuell married a man who taught school on several Indian reservations. From Mrs. Tuell's private journals come details of Indian life and rituals that few outsiders were permitted to know in those years. Her keenly sensitive photographs of warriors who fought against Custer, women at work, children at play, and an entire village engaged in a ceremony are the subject of this book. 100 photos. color insert.

Stoner's Crossing Judith Pella 1994 Deborah Stoner must face the consequences of an action that occurred nineteen years ago.

The Kinshield Legacy K.C. May 2005-12-30 "The Kinshield Legacy is a rousing good fantasy tale, with nice characterization and some ferocious action. These days I read primarily for business rather than pleasure, but I found myself eager to return to this novel." ~ Piers Anthony, best-selling author of the Xanth novels Book 1 of The Kinshield Saga Warrant knight Gavin Kinshield is a man of many secrets. All he really wants is a letter written two hundred years ago by his ancestor Ronor Kinshield, the last person to see King Arek alive... a letter he must earn by tracking down a common thief. But when Gavin saves a woman's life, what should have been a simple task draws him face-to-face with his nightmarish past... and the truth of King Arek's demise.

Warriors Michel Garneau 1990 Warriors enters the world of advertising, where even the product of war can be sold. Cast of 2 men.

troubled youth with a nightmarish family history, confronts the perils and hardships of war when he joins a squad of teenage American infantrymen battling their way across Germany during the final days of the war in Europe.

Bighorse the Warrior Tiana Bighorse 1990-10 Traces the life of Navajo warrior, Gus Bighorse, told by his daughter as if in his own words

Corporate Warriors Peter Warren Singer 2003 Singer provides the first account of the military services industry and its broader implications. He describes how the business works and portrays the individual companies.

Holy Warriors James S. Stewart 1996 Revised to include important new scholarship, James Brewer Stewart's eloquent survey of the abolitionist movement is also a superb analysis of how the antislavery movement reinforced and transformed the dominant features of pre-Civil War America. Revealing the wisdom and na veté of the crusaders' convictions and examining the social bases for their actions, Stewart demonstrates why, despite the ambiguity of its ultimate victory, abolition has left a profound imprint on our national memory.

Chasing the Sun Tracie Peterson 2012-03-01 Desperate for help to run the ranch that her missing father recently acquired on the Texas plains, Hannah Dandridge forms an uneasy truce with William Barnett, who is desperate to regain his family's land--the ranch that Hannah is struggling to keep running.

People of the Pines Geoffrey York 1991 The description of an armed standoff involving the Mohawk Indian Tribe and Quebec law enforcement and military.

One Stick Song Sherman Alexie 2000 Presents a collection of poetry and prose reflecting on contemporary Native American life.

Warriors of the Himalayas Donald J. LaRocca 2006 The first in-depth examination of the fascinating and virtually unknown of armor and weapons from Tibet, dating from the 13th to the 20th century.

Sword Song Bernard Cornwell 2008-01-22 The year is 885, and England is at peace, divided between the Danish kingdom to the north and the Saxon kingdom of Wessex in the south. Uhtred, the dispossessed son of a Northumbrian lord-warrior by instinct, Viking by nature--has finally settled down. He has land, a wife, and two children, and a duty given to him by King Alfred to hold the frontier on the Thames. But then trouble stirs: a dead man has risen, and new Vikings have arrived to occupy the decayed Roman city of London. Their dream is to conquer Wessex, and to do it they need Uhtred's help. Alfred has other ideas. He wants Uhtred to expel the Viking raiders from London. Uhtred must weigh his oath to the king against the dangerous turning tide of shifting allegiances and deadly power struggles. And other storm clouds are gathering: Æthelflæd--Alfred's daughter--is newly married, but by a cruel twist of fate, her very existence now threatens Alfred's kingdom. It is Uhtred--half Saxon, half Dane--whose uncertain loyalties must now decide England's future. A gripping story of love, deceit, and violence, *Sword Song* is set in an England of tremendous turmoil and strife--yet one galvanized by the hope that Alfred may

prove an enduring force. Uhtred, his lord of war and greatest warrior, has become his sword—a man feared and respected the length and breadth of Britain.

Briefcase Warriors E. Donald Two-Rivers 2001 Presents six plays, from one-act works to longer dramas, that explore the joys, difficulties, and dangers of contemporary Native American urban life.

Bowker's Guide to Characters in Fiction 2007 2008-02

Half-day Warriors John Kavanagh 1999 John Kavanagh brings to his readers a maturing and developing talent, with which he continues to explore his favorite themes: the energies and impulses, the gains and losses of love; a highly developed awareness of a sense of place in the post-modern

The Warriors of Spider W. Michael Gear 1988 Genetically altered humans hooked up to a computer sense rebellious stirrings on other planets and reconnect with the World, a planet led by the Prophets who may convince them to join the rebellion

The Woman Warrior Maxine Hong Kingston 1976 Sensitive account of growing up female and Chinese-American in a California laundry. Copyright © Libri GmbH. All rights reserved.

Welfare Warriors Premilla Nadasen 2005 In her study of the welfare rights movement, Premilla Nadasen breaks new ground by tracing the history of a distinctive brand of feminism that emerged in the 1960s.

The Shadow Warriors of Nakano Stephen C. Mercado 2002 "Despite impressive exploits during World War II, Imperial Japan's military intelligence services remain virtually unknown. Stephen C. Mercado has written a pioneering study of the Imperial Japanese Army's elite Nakano School, which trained more than 2,000 men from 1938 to 1945 in the arts of espionage, propaganda, and irregular warfare." "Working in the shadows during World War II, these dedicated warriors of the Nakano School executed a range of missions. They played major roles in attempting to subvert British rule in India, captured oil fields in the Dutch East Indies, fought U.S. forces in the Philippines and on Okinawa, and organized Japanese guerrilla units that could have made the invasion of Japan a bloodbath." "In the postwar period, Nakano veterans became valuable U.S. allies by providing American intelligence with a wealth of information on the Soviet Far East, China, and Korea. Many would also influence postwar Japan through prominent positions in the government and the private sector." "Based on archival research and the memoirs of Japanese veterans, *The Shadow Warriors of Nakano* sheds much-needed light on Japan's wartime military and intelligence history as well as postwar Japanese affairs."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Frontier Lady (Lone Star Legacy Book #1) Judith Pella 1993-03-01 Deborah Graham learns too late--on her wedding night--that her escape from the ravages of the Civil War to the plains of Texas is really no escape at all. A captivating first book in the historical fiction Lone Star Legacy series.

Monday's Warriors Maurice Shadbolt 1992 Dragooned into the British Army in the middle of the nineteenth century and shipped to New Zealand to fight the Maori, unlikely hero Kimball Bent finds himself leading a Maori band that fights the British to a standstill

Lone Star Legacy Judith Pella 1996-02 Includes Frontier Lady, Stoner's Crossing, and Warrior's Song.

The Warriors Harold Zissman 2005-11-11 In this candid memoir, Harold Zissman examines Jewish existence in prewar and wartime Poland. Born into an observant family, he begins by recalling his youth in the Polish town of Ostrow-Mazowieck, near the German border. It is the 1930s, a time of childhood nostalgia darkened by ominous anti-Semitic uprisings and government indifference. In lean and concise prose, Zissman relives the German invasion of Poland and his own incarceration in a forced labor camp. He recalls life in the Derechin ghetto, where every day brought brutal Nazi persecution and the constant threat of slaughter. Finally, he tells of escape to Russia, where he fought alongside Soviet partisans only to face prejudice from his comrades. In the tradition of Elie Wiesel and Primo Levi, Zissman probes the Nazi impact on Jewish notions of identity and community during and after the Holocaust. Few books offer such detailed insights into the complexity, peril, and volatility of life as a Jew among non-Jewish Soviet partisans, even while battling a common enemy.

Prayer Warriors Stuart Howell Miller 1999 When Stuart Miller came out to his family in 1992, he knew their reaction would be extreme. His father, a born-again Christian, unleashed a swift and terrifying brigade of 'prayer warriors', who bombarded Miller with wave after wave of hateful letters and phone calls. A frightening picture of the tactics used by the extreme religious right, Miller's story also provides an inspiring message of hope and triumph.

Star Warriors William J. Broad 1985 SCOTT (Copy 1): From the John Holmes Library collection.

Tough Girls Sherrie A. Inness 1999 Tough girls are everywhere these days. Whether it is Ripley battling a swarm of monsters in the Aliens trilogy or Captain Janeway piloting the starship Voyager through space in the continuing Star Trek saga, women strong in both body and mind have become increasingly popular in the films, television series, advertisements, and comic books of recent decades. In Tough Girls, Sherrie A. Inness explores the changing representations of women in all forms of popular media and what those representations suggest about shifting social mores. She begins her examination of tough women in American popular culture with three popular television shows of the 1960s and '70s--The Avengers, Charlie's Angels, and The Bionic Woman--and continues through such contemporary pieces as a recent ad for Calvin Klein jeans and current television series such as The X-files and Xena: Warrior Princess. Although all these portrayals show women who can take care of themselves in ways that have historically been seen as uniquely male, they also variously undercut women's toughness. She argues that even some of the

strongest depictions of women have perpetuated women's subordinate status, using toughness in complicated ways to break or bend gender stereotypes while simultaneously affirming them. Also of interest-- Madcaps, Screwballs, and Con Women: The Female Trickster in American Culture Lori Landay

Hired Swords Karl F. Friday 1992 Tracing the evolution of state military institutions from the seventh through the twelfth centuries, this book challenges much of the received wisdom of Western scholarship on the origins and early development of warriors in Japan. This prelude to the rise of the samurai, who were to become the masters of Japan's medieval and early modern eras, was initiated when the imperial court turned for its police and military protection to hired swords--professional mercenaries largely drawn from the elites of provincial society. By the middle of the tenth century, this provincial military order had been handed a virtual monopoly of Japan's martial resources. Yet it was not until near the end of the twelfth century that these warriors took the first significant steps toward asserting their independence from imperial court control. Why did they not do so earlier? Why did they remain obedient to a court without any other military sources for nearly 300 years? Why did the court put itself in the potentially (and indeed, ultimately) precarious situation of contracting for its military needs with private warriors? These and related questions are the focus of the author's study. Most of the few Western treatments see the origins of the samurai in the incompetence and inactivity of the imperial court that forced residents in the provinces to take up arms themselves. According to this view, a warrior class was spontaneously generated just as one had been in Europe a few centuries earlier, and the Japanese court was doomed to eventually perish by the sword because of its failure to live by it. Instead, the author argues that it was largely court activism that put swords in the hands of rural elites, that court military policy, from the very beginning of the imperial state era, followed a long-term pattern of increasing reliance on the martial skills of the gentry. This policy reflected the court's desire for maximum efficiency in its military institutions, and the policy's success is shown by the court retaining to itself for centuries the exclusive right to sanction the use of coercive force.

Once Intrepid Warriors Dorothy Louise Hodgson 2001 Drawing on archival sources as well as her extensive fieldwork in Tanzania, Dorothy L. Hodgson explores the ways identity, development, and gender have interacted to shape the Maasai into who and what they are today. By situating the Maasai in the political, economic, and social context of Tanzania and of world events, Hodgson shows how outside forces, and views of development in particular, have influenced Maasai lifeways, especially gender relations.

Somewhere in America Mark Singer 2004 A writer for *The New Yorker* introduces readers to a surreal, bizarre America, depicting the inside of a cockfighting ring, teenage reporters in a small Texas town, a meeting of obituary writers, the influence of a western Massachusetts diner on its community, and other colorful cultural dimensions of twenty-first-century America.

Loving Warriors Lucy Stone 1981 A collection of the letters of feminist and abolitionist Lucy Stone and her husband Henry B. Blackwell provides a fascinating look at an unusual marriage and information on life in Victorian America

American Book Publishing Record 1996

A Wilderness of Miseries John E. Ferling 1980
