Lagom Linnea Dunne 2017-07-13 Step aside Hygge. Lagom is the new Scandi lifestyle trend taking the world by storm. This delightfully illustrated book gives you the lowdown on this transformative approach to life and examines how the lagom ethos has helped boost Sweden to the No.10 ranking in 2017's World Happiness Report. Lagom (pronounced 'lah-gom') has no equivalent in the English language but is loosely translated as 'not too little, not too much, just right'. It is widely believed that the word comes from the Viking term 'laget om', for when a mug of mead was passed around a circle and there was just enough for everyone to get a sip. But while the anecdote may hit the nail on the head, the true etymology of the word points to an old form of the word 'lag', which means 'law'. Far from restrictive, lagom is a liberating concept, praising the idea that anything more than 'just enough' is a waste of time. Crucially it also comes with a selflessness and core belief of responsibility and common good. By living lagom you can: Live a happier and more balanced life Reduce your environmental impact Improve your work-life balance Free your home from clutter Enjoy good food the Swedish way Grow your own and learn to forage Cherish the relationships with those you love

Generation lebensunfähig Rüdiger Maas 2021-11-14 Emma ist erst vier Jahre alt, aber ihre Datenspur im Internet reicht schon viel weiter zurück. Bereits das erste Ultraschallbild haben ihre Eltern bei Instagram gepostet. Der Kinderwagen hat 2000 Euro gekostet. Museum, Zoo, Kindertheater, Frühenglisch und Karatekurs – all das muss Emma mit vier schon erlebt haben. Statt ihr Kind zu erziehen, überschütten die Eltern es mit Liebe, Geschenken und Optimierungen. Erzieher berichten, dass viele Kinder heute später trocken werden, nur in 2-Wort-Sätzen sprechen oder sich nicht selbst anziehen können. Jugendliche verbringen längst vier bis sechs Stunden täglich am Handy und entgleiten so in die Parallelwelt des Internets. In der realen Welt hingegen tun sie sich schwer, die Ablösung von den Eltern will nicht gelingen und so sitzen diese inzwischen sogar bei Bewerbungsgesprächen oder im Hörsaal der Uni mit dabei. Die Studienergebnisse von Rüdiger Maas sind schockierend: Die nächste Generation ist deutlich weniger selbstständig und leistungsfähig, immer mehr Kinder leiden an Angststörungen und Depressionen. Messerscharf analysiert der Generationenforscher, Psychologe und zweifache Vater die Nöte unserer Kinder und entwirft ein Zukunftsszenario, das großen Anlass zur Sorge gibt. Dabei verbindet er fundiertes Fachwissen und umfangreiche eigene Forschungen mit authentischen Beispielen aus dem Alltag.

French Women Don't Get Facelifts Mireille Guiliano 2013-12-24 The author of the bestselling *French Women Don't Get Fat* shares the secrets and strategies of aging with attitude, joy, and no surgery. With her signature blend of wit, no-nonsense advice, and storytelling flair, Mireille Guiliano returns with a delightful, encouraging take on beauty and aging for our times. For anyone who has ever spent the equivalent of a mortgage payment on anti-aging lotions or procedures, dressed inappropriately for their age, gained a little too much in the middle, or accidentally forgot how to flirt, here is a proactive way to stay looking and feeling great, without resorting to "the knife"-a French woman's most guarded beauty secrets revealed for the benefit of us all!

The Danish Way of Parenting Jessica Joelle Alexander 2016-06-29 International bestseller As seen in *The Wall Street Journal*--from free play to cozy together time, discover the parenting secrets of the happiest people in the world What makes Denmark the happiest country in the world--and how do Danish parents raise happy, confident, successful kids, year after year? This upbeat and practical book presents six essential principles, which spell out P-A-R-E-N-T: Play is essential for development and well-being. Authenticity fosters trust and an "inner compass." Reframing helps kids cope with setbacks and look on the bright side. Empathy allows us to act with kindness toward others. No ultimatums means no power struggles, lines in the sand, or resentment. Togetherness is a way to celebrate family time, on special occasions and every day. The Danes call this *hygge*--and it's a fun, cozy way to foster closeness. Preparing meals together, playing favorite games, and sharing other family traditions are all *hygge*. (Cell phones, bickering, and complaining are not!) With illuminating examples and simple yet powerful advice, *The Danish Way of Parenting* will help parents from all walks of life raise the happiest, most well-adjusted kids in the world.

The Little Book of Lykke Meik Wiking 2017-12-26 Join the happiness revolution! The author

Downloaded from avenza-dev.avenza.com

of the New York Times bestseller *The Little Book of Hygge* offers more inspiration and suggestions for achieving greater happiness, by practicing Lykke (LOO-ka)—pursuing and finding the good that exists in the world around us every day. While the Danes are the happiest people on the planet, happiness isn't exclusively Danish; cultures around the world have their own unique approaches to leading a contented, fulfilled life. For his work at the Happiness Research Institute in Copenhagen, Meik Wiking travels the globe from Dubai to Finland, Rio de Janeiro to Bhutan, South Korea to the United States, to discover the secrets of the very happiest people. In *The Little Book of Lykke*, Meik identifies the six factors that explain the majority of differences in happiness across the world—togetherness, money, health, freedom, trust, and kindness—and explores what actions we can take to become happier. As he reveals, we can deepen our blissfulness and contentment with little adjustments in our behavior, whether it's eating like the French (sitting around a table and savoring our time) or dancing the tango like Argentinians in Buenos Aires. With his trademark warmth and wit, Meik explores the happiness gap for parents, how much money you really need to buy happiness, how we can be healthier without having to go to the gym, how we can learn to build trust and collaboration, how we can help ourselves by helping others, and why our expectations often outweigh our reality. Weaving together original research and personal anecdotes, *The Little Book of Lykke* is a global roadmap for joy that offers a new approach to achieving everyday happiness that not only improve our own lives, but help us build better communities and a better world.

Lagom Jonny Jackson 2017-10-16 In Dänemark gibt es das gemütliche Hygge, in Schweden das ausgeglichene Lagom. 'Nicht zu viel, nicht zu wenig, sondern genau das richtige Maß', das bedeutet dieses schwedische Wort, das einen ganzen Lebensstil beschreibt. Die Herausforderung ist es, eine gesunde Balance in allen Bereichen des Lebens zu finden. Sei es nun Essen und Trinken nach Maß, ein Bewusstsein für seine Umwelt zu entwickeln oder sich nur realistische Ziele zu setzen. Dieses Buch hilft dabei, den Fokus auf das wirklich Wichtige im Leben zu richten: glücklich zu sein.

»**Mama, ich will spielen!**« Iben Dissing Sandahl 2020-04-13 Was brauchen Kinder, um glücklich zu sein? Wir investieren heute so viel Zeit und Energie in die schulische Bildung unseres Nachwuchses, anstatt zuzulassen, dass sie sich selbst und ihre Umgebung spielerisch erkunden. Unstrukturiertes, freies Spiel ist keine Zeitverschwendung. Ganz im Gegenteil: Spielen ist ein wertvoller, experimenteller Weg, bei dem Kinder die Gelegenheit haben, grenzenlose Räume in ihrer Fantasie zu erschaffen. Warum in Dänemark Spielen ein wichtiges Element der kindlichen Entwicklung ist, zeigt dieses Buch allen Eltern und Erziehern. Eine ganz praktische Anleitung zur Integration des Spiels in unseren Alltag und den unserer Kinder.

The Child in You Stefanie Stahl 2020-12-29 The breakthrough two-million-copy international bestseller about how to befriend your inner child to find happiness "Compassionate, clear-eyed, and insightful . . . The Child in You is like your own personal therapist that you can carry around with you." --Lori Gottlieb, New York Times bestselling author of Maybe You Should Talk to Someone Nominated for Malcolm Gladwell, Susan Cain, Adam Grant, and Daniel H. Pink's Next Big Idea Club We all want to be loved and to feel safe to express who we really are. But over time we grow estranged from what brings us our purest happiness--because everyday traumas, unyielding societal expectations, and the judgment of our parents and peers submerge our true self beneath layers of behaviors rooted in fear and shame and mistrust. In The Child in You, psychologist Stefanie Stahl guides you, step-by-step, through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child--both the shadow child, representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child, representing our greatest joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy childhood, or to bring your authentic self out from the shadows so you can embody your radiant individuality. A PENGUIN LIFE TITLE

The Happiest Baby on the Block Harvey Karp, M.D. 2008-11-19 Perfect for expecting parents who want to provide a soothing home for the newest member of their family, *The Happiest Baby on the Block*, the national bestseller by respected pediatrician and child development expert Dr. Harvey Karp, is a revolutionary method for calming a crying infant and promoting healthy sleep from day one. In perhaps the most important parenting book of the decade, Dr. Harvey Karp reveals an extraordinary treasure sought by parents for centuries --an automatic "off-switch" for their baby's crying. No wonder pediatricians across the country are praising him and thousands of Los Angeles parents, from working moms to superstars like Madonna and Pierce Brosnan, have turned to him to learn the secrets for making babies happy. Never again will parents have to stand by helpless and frazzled while their poor baby cries and cries. Dr. Karp has found there IS a remedy for colic. "I share with parents techniques known only to the most gifted baby soothers throughout history ...and I explain exactly how they work." In a innovative and thought-provoking reevaluation of early infancy, Dr. Karp blends modern science and ancient wisdom to prove that newborns are not fully ready for the world when they are born. Through his research and experience, he has developed four basic principles that are crucial for understanding babies as well as improving their sleep and soothing their senses:

- The Missing Fourth Trimester: as odd as it may sound, one of the main reasons babies cry is because they are born three months too soon.
- The Calming Reflex: the automatic reset switch to stop crying of any baby in the first few months of life.
- The 5 "S's": the simple steps (swaddling, side/stomach position, shushing, swinging and sucking) that trigger the calming reflex. For centuries, parents have tried these methods only to fail because, as with a knee reflex, the calming reflex only works when it is triggered in precisely the right way. Unlike other books that merely list these techniques Dr. Karp teaches parents exactly how to do them, to guide cranky infants to calm and easy babies to serenity in minutes...and help them sleep longer too.
- The Cuddle Cure: the perfect mix the 5 "S's" that can soothe even the most colicky of infants.

In the book, Dr. Karp also explains: What is colic? Why do most babies get much more upset in the evening? How can a parent calm a baby--in mere minutes? Can babies be spoiled? When should a parent of a crying baby call the doctor? How can a parent get their baby to sleep a few hours longer? Even the most loving moms and dads sometimes feel pushed to the breaking point by their infant's persistent cries. Coming to the rescue, however, Dr. Karp places in the hands of parents, grandparents, and all childcare givers the tools they need to be able to calm their babies almost as easily as...turning off a light. From the Hardcover edition.

Paris By Phone Pamela Druckerman 2021-02-09 The magic of independence meets the meaning of home in the picture book debut of the #1 bestselling author of *Bringing Up Bébé*. When Josephine Harris decides that Paris is where she really belongs, all it takes is a quick call on her magical phone to whisk her away. The city of lights has fancy cafés, baguettes under every arm, the Eiffel Tower, and a fabulous new family who can't wait to show her around. The city is a feast for the senses, but each new discovery brings a pang of melancholy. There's something missing here. Could it be the person who loves Josephine's best--her own mother? From #1 bestselling author Pamela Druckerman comes a whimsically commercial picture that little travellers and little homebodies will love!

YOUR COMPETENT CHILD Jesper Juul 2011-09-30 Readers' comments: A Fabulous, Important Book. Jesper Juul provides parents with such an amazing and absolutely vital approach to raising children that it rings true on every page. Some of what he suggests we as parents do is difficult, but all of it is right on about how we can raise confident, healthy, whole humans, right from the start. I was thrilled to have discovered a book that allowed me to see different possibilities with child raising. Anyone with a child will gain immensely from reading this book, seeing themselves in his numerous examples, and learning how to move on from there. I am grateful for this book and highly recommend it. No Parent Should Be Without It. With tremendous wisdom and a warm, pragmatic eye, Mr. Juul helps us redefine the ways we look at a child's behavior and our relationship to our children and ultimately, each other. This is a book that doesn't offer easy answers or 'tricks' to help in the raising of your child. This is a book that helps you see with a child's eye, hear with a child's ear, and feel with a child's heart in ways that feel so natural and obvious, you will wonder why you haven't thought of them before. It is a book that offers day-to-day skills along with the thinking that helps generate them. This groundbreaking book should be on the shelf of all parents everywhere. I cannot recommend it highly enough. If you have children - read this book! This is an amazing book that will surely turn upside down any thoughts you ever had about raising children. Even though you may not agree with all the views in this book, there is so much food for thought and new ideas that you will return to this book again and again for interesting and mind blowing advice.
