This watchtower should you believe in the trinity, as one of the most working sellers here will totally be in the course of the best options to review.

*What the Watchtower Society Doesn't Want You to Know* Wilbur Lingle 2009-03-17 Wilbur Lingle puts into layman's language his many years of documented research about the inner workings of the society. Here is a true picture of what goes on behind the walls of the Kingdom Halls, a clear image of truth that the Watchtower Society doesn't want you to know.

**The Challenge of the Cults and New Religions** Ron Rhodes 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood . . . your workplace . . . your school . . . maybe even your family. Cults are flourishing across America. Chances are, you've encountered one, perhaps even know someone who is involved in a cult. Can you discuss knowledgably the critical differences between Christianity and the teachings of Mormonism, Jehovah's Witnesses, Scientology, the New Age movement, Hindu-based cults, and other prominent groups and religious movements? In this essential resource, preeminent cult authority Ron Rhodes explains what cults are, why they are cause for concern, and why in the 21st century, as never before, their numbers and memberships are exploding nationally and worldwide. Drawing on his extensive experience as a cult researcher, Rhodes offers to-the-point, cutting-edge information on twelve major cults and new religions: Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu-based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter. The Challenge of the Cults and New Religion includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't end at the last page. You can supplement your knowledge whenever you choose by visiting the author's Web site at [www.ronrhodes.org](http://www.ronrhodes.org) for free, thorough, up-to-the-minute information on each cult discussed in the book. If you're concerned for the temporal and eternal welfare of others, The Challenge of the Cults is a must. It will help you confront the deception of false Christs and lying doctrines with the clear, well-grounded truth of biblical Christianity.

*How to Answer a Jehovah's Witness* Robert A. Morey 1980 Here is a one-of-a-kind handbook for effectively answering Jehovah's Witnesses without mastering all of their theology. Robert Morey gives you a tool to use right at the front door.

**Paganism in Our Christianity** Arthur Weigall 2013-10 This is a new release of the original

1928 edition.

Mama Bear Apologetics™ Hillary Morgan Ferrer 2019-06-04 \*Foreword written by Nancy Pearcey\* "Parents are the most important apologists our kids will ever know. Mama Bear Apologetics will help you navigate your kids' questions and prepare them to become committed Christ followers." —J. Warner Wallace "If every Christian mom would apply this book in her parenting, it would profoundly transform the next generation." —Natasha Crain #RoarLikeAMother The problem with lies is they don't often sound like lies. They seem harmless, and even sound right. So what's a Mama Bear to do when her kids seem to be absorbing the culture's lies uncritically? Mama Bear Apologetics™ is the book you've been looking for. This mom-to-mom guide will equip you to teach your kids how to form their own biblical beliefs about what is true and what is false. Through transparent life stories and clear, practical applications—including prayer strategies—this band of Mama Bears offers you tools to train yourself, so you can turn around and train your kids. Are you ready to answer the rallying cry, "Mess with our kids and we will demolish your arguments"? Join the Mama Bears and raise your voice to protect your kids—by teaching them how to think through and address the issues head-on, yet with gentleness and respect.

**What Does the Bible Really Teach?** 2005 Biblical theology and doctrines of Jehovah's Witnesses.

**The Trinitarian Controversy** William G. Rusch 1980-10 This volume explores the development of the doctrine of the Trinity in the patristic church as a result of the Arian controversy.

**Conversations with Jehovah's Witnesses** Ron Rhodes 2014-02-01 An unfamiliar car parks near your house, and two pleasant-looking folks approach your front door. The doorbell rings, and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

Trinity Karl Rahner 2001-03-04 The ground-breaking treatment of the doctrine of the Trinity by one of the most important theologians of the century is here reprinted on the 30th anniversary of its original publication. In this treatise, Karl Rahner analyzes the place of the doctrine of the Trinity within Catholic theology and develops his own highly original and innovative reading of the doctrine, including his now-famous dictum. Copyright © Libri GmbH. All rights reserved.

The Triune God Edmund J. Fortman 1999-02-23 "A primary condition for fresh thinking on the Trinity is an accurate, objective account of past and present thought" wrote one reviewer when The Triune God first appeared in 1972. "This [is what] Fortman has presented sensitively, accurately, and compactly." The author sets out "to trace the historical development of Trinitarian doctrine from its written beginnings to its contemporary status."

Thus he treats the biblical witness, the Council of Nicea, Augustine, the Middle Ages, and the development of this doctrine from the fifteenth century to the present in the Protestant, Orthodox, and Catholic traditions.

**Christianity, Cults & Religions** Rose Publishing 2008 Full-colour book includes good basic introduction on comparative religions from a Christian viewpoint. For small groups, personal study, or Bible studies. 112 pages

**The 10 Most Important Things You Can Say to a Jehovah's Witness** Ron Rhodes 2001-08-15 Highlights false prophecies of Jehovah's Witnesses' leaders, errors in the New World Translation Bible, their unbiblical views.

**Truth and Error** Zondervan, 2016-09-06 This book is not only an introduction to the entire Zondervan Guide to Cults and Religious Movements series, but also a quick-reference guide to the groups and movements discussed in the series. Truth and Error brings together in one volume the charts from the various guides that show how the groups and movements differ theologically from historic orthodox Christianity. Each chart is introduced by the general editor, Alan Gomes. The books in the series that do not have comparison charts are introduced and summarized. Each book in the series includes - A concise introduction to the group or topic - An overview of the group's or movement's theology -- in their own words - A biblical response - Tips for witnessing effectively to members of the group - A bibliography with sources for further study -- Most books also include a comparison chart that shows the essential differences between biblical Christianity and the group. The charts from these books are reproduced in Truth & Error.

**Origin and Evolution of Religion** Edward Washburn Hopkins 1923

*Is God a Trinity?* United Church of God 2011-08-02 You might be surprised to find that God is not a trinity. The Trinity is one of mainstream Christianity's most widely accepted and revered doctrines held by millions of Catholics, Protestants and Orthodox believers. The belief that God is three persons—the Father, Son and Holy Spirit—coexisting in one being is how the trinity doctrine is often defined. But the word trinity appears nowhere within the pages of the Bible. You can not cling to long-held religious traditions if they contradict the Scriptures. Your beliefs must rest solidly on the teachings of the Holy Bible. This Bible Study aid, "Is God a Trinity?", goes into great detail explaining the non-biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ. Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all mankind. Chapters in this ebook: -- Is the Trinity Biblical? -- The Surprising Origins of the Trinity Doctrine -- Greek Philosophy's Influence on the Trinity Doctrine -- How Ancient Trinitarian Gods Influenced Adoption of the Trinity -- A Spurious Reference to the Trinity Added in 1 John 5:7-8 -- How Is God Revealed in the Bible? -- Jesus Was Sent by the Father -- Jesus Christ: "The Rock" of the Old Testament -- The Apostles Understood Jesus to Be the Creator -- Did Jesus Christ Claim to Be God? -- "In the Beginning Was the Word" -- The Claim of Jesus' Disciples -- "There Is One God, the Father...and One Lord, Jesus Christ" -- God's Plan to "Bring Many Sons to Glory" -- Jesus Christ's Submission to the Father -- How Is God One? -- "The Lord Our God, the Lord Is One" -- Seven Scriptures That Debunk the Trinity as a Single Being -- Elohim: The Plurality of God -- Is the Holy Spirit a Person? -- Does Matthew 28:19 Prove the Trinity? -- Why the Holy Spirit Is Sometimes Incorrectly Referred to as "He" and "Him" -- What About Passages That

"Prove" the Trinity? -- The Holy Spirit: God's Transforming Power -- How to Stir Up God's Spirit -  
- God's Nature and Character -- God's Purpose for You -- The Likeness of God -- Do Some  
Verses Deny a Divine Family? -- The God Family Inside this Bible Study Aid ebook: "Most  
people assume that everything that bears the label "Christian" must have originated with  
Jesus Christ and His early followers. But this is definitely not the case." "Many historians and  
religious scholars, some quoted in this publication, attest to the influence of Greek or Platonic  
philosophy in the development and acceptance of the Trinity doctrine in the fourth century."  
God the Father is the One who calls us to baptism and a new way of life (John 6:44, 65), and it  
is His goodness that leads us to repentance and baptism (Romans 2:4). "As even the New  
Catholic Encyclopedia, quoted from earlier, acknowledges: "The majority of New Testament  
texts reveal God's spirit as something, not someone; this is especially seen in the parallelism  
between the spirit and the power of God..."

**Many Witnesses, One Lord** William Barclay 2001-01-01 William Barclay discusses the  
distinctive viewpoints of the writers of the books of the New Testament and their interpretation  
of the significance of the gospel. This reissue of an older Westminster Press title makes a  
welcome addition to the highly popular William Barclay Library series. The William Barclay  
Library is a collection of books addressing the great issues of the Christian faith. As one of the  
world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his  
life to helping people become more faithful disciples of Jesus Christ.

**Yes, You Should Believe in the Trinity!!!** Christina R. Harvey 1998 This book is written to  
provide a detailed biblical and scholarly response to the Watch Tower Society's arguments  
against the Trinity set forth in their brochure, Should you believe in the Trinity? The chapters  
of this book correspond with the major sections in the Society's brochure, what follows is a  
page-by-page analysis of the Society's claims along with over 100 pages of high quality  
photocopies proving the deception of the Society in their brochure.

Jehovah's Witnesses Robert M. Bowman Jr. 2016-09-06 The zeal and dedication of Jehovah's  
Witnesses mask a highly disciplined organization that has a troubled history. Moreover, their  
thorough knowledge of their own scriptures gives a pretense of having spiritual truth. The  
movement has grown from about 1.1 million worldwide in 1965 to 4.4 million today. Yet all is  
not what it seems in the Watchtower Society. How do the teachings of the Jehovah's Witnesses  
run counter to orthodox Christianity? What drives adherents to give hundreds of hours a year  
to "witnessing"? What draws converts to a cult of strict control by religious leaders? Why this  
series? This is an age when countless groups and movements, old and new, mark the religious  
landscape in our culture, leaving many people confused or uncertain in their search for  
spiritual truth and meaning. Because few people have the time or opportunity to research  
these movements fully, these books provide essential information and insights for their  
spiritual journeys. Each book has five sections: - A concise introduction to the group - An  
overview of the group's theology -- in its own words - Tips for witnessing effectively to  
members of the group - A bibliography with sources for further study - A comparison chart that  
shows the essential differences between biblical Christianity and the group -- The writers of  
these volumes are well qualified to present clear and reliable information and help us discern  
religious truth from falsehood.

*Index of Watchtower Errors 1879 to 1989* David A. Reed 1990-06-01 Teachings of the  
Jehovah's Witnesses and how they differ from historic Christianity are documented in this

study of Watchtower publications from 1879 to 1989. Helpful for having profitable discussions with Jehovah's Witnesses.

*What the Watchtower Society Doesn't Want You to Know* Wilbur Lingle 2009 This book is a glimpse behind the walls of the Kingdom Halls. The Watchtower Society, known as the Jehovah's Witnesses, comes to your door with promises of "great love," inner peace and a utopian future. But what are they not telling you? Wilbur Lingle puts into layman's language his many years of documented research about the inner workings of the Society, including: The true character of its leaders; The false prophecies they have made; Their strange doctrines and ideas; The bizarre inconsistencies of their Bible translation; What it is like to grow up as a Jehovah's Witness. - Publisher.

**The New Testament** Johannes Greber 2004-03-01

**Stand Firm** Paul Gould 2018-11-01 In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. *Stand Firm: Apologetics and the Brilliance of the Gospel* argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

*Why You Should Believe in the Trinity* Robert M. Bowman 1989

**Approaching Jehovah's Witnesses in Love** Wilbur Lingle 2004-01-01 Do you feel like hiding when Jehovah's Witnesses ring your doorbell? Have you tried to convey your faith to them...and gotten nowhere? It's proven and practical guide which includes questions, answers, conversation starters and other great witnessing tools that will help you speak to Jehovah's Witnesses.

*Jehovah's Witnesses and the Secular World* Zoe Knox 2018-01-29 This book examines the historic tensions between Jehovah's Witnesses and government authorities, civic organisations, established churches and the broader public. Witnesses originated in the 1870s as small, loose-knit groups calling themselves Bible Students. Today, there are some eight million Witnesses worldwide, all actively engaged in evangelism under the direction of the Watch Tower Society. The author analyses issues that have brought them global visibility and even notoriety, including political neutrality, public ministry, blood transfusion, and anti-ecumenism. It also explores anti-Witness discourse, from media portrayals of the community as marginal and exotic to the anti-cult movement. Focusing on varied historical, ideological and national contexts, the book argues that Witnesses have had a defining influence on conceptions of religious tolerance in the modern world.

*Egyptian Religion* Siegfried Morenz 1992 Introducing the reader to the gods and their worshippers and to the ways in which they were related, this book focuses on the ever-present

link between the human and the divine in Ancient Egypt. The book also examines the impact of Egyptian religion

**One or Three? the Witnesses and Me** V.R. Williams 2015-10-08 I just stood there. Not only were their beliefs completely foreign to anything I'd heard before, but they had so much evidence. I had always heard that they don't have a leg to stand on, so why was I the legless one? Things they'd said and questions they'd asked were still circling around in my head days after their visit; round and round they went, looking for a place to rest. Wasn't I the one who was supposed to leave them with questions they couldn't answer? Looking back now, it's clear what happened. While the Jehovah's Witnesses were well schooled by The Watchtower in what I was likely to say and how they should reply, I didn't have a clue what they would say much less how to reply. It's different now, though. The Witnesses seldom come to my home anymore, but when they do knock on the door, I'm prepared. Showing them one of the places where The Watchtower and Bible disagree is all it takes. They don't stay. One or Three? The Witnesses and Me has been written to share what I've discovered over the years about the Trinity and how I found my way through the maze of information the Witnesses have on the subject. My hope and prayer is that this will help others prepare for their knocks. Hopefully many will be able to come together and help the Witnesses see where The Watchtower and Bible disagree.

**Should You Believe in the Trinity?** Watch Tower Bible and Tract Society of Pennsylvania 1989

*The Kingdom of the Cults Handbook* Walter Martin 2020-01-07 False religions abound in the US and beyond, and Christians need information they can trust. Since the 1960s, *The Kingdom of the Cults* has been a trustworthy, well-researched resource on this topic for pastors, lay leaders, and other Christians. *The Kingdom of the Cults Handbook* takes that same, reliable information and pares it down into a more concise and simplified format. It's perfect for everyone from Christian teachers and ministry leaders to those who just want to better understand the religion of their neighbors. Covering everything from established religions like Islam and Buddhism to shifting trends in Mormonism, Scientology, and Wicca, this book will answer your questions and help you understand and communicate the key differences between true Christianity and other belief systems.

**Jehovah's Witnesses Answered Verse by Verse** David A. Reed 1987-08-01 No other book answers the Jehovah's Witnesses' misinterpretation of Scripture so immediately and shows how to use the same Scripture in leading Jehovah's Witnesses to Christ.

Outlines of the History of Dogma Adolf von Harnack 1893 "The English translation of my "Grundriss der Dogmengeschichte" has been made, in accordance with my expressed wish, by my former pupil and esteemed friend, Mr. Edwin Knox Mitchell. It is my pleasant duty to express to him my heartiest thanks. English and American theological literature, possess excellent works, but they are not rich in products within the realm of the History of Dogma. I may therefore perhaps hope that my "Grundriss" will supply a want. I shall be most happy, if I can with this book do my English and American friends and fellow-workers some service - a small return for the rich benefit which I have reaped from their labors. In reality, however, there no longer exists any distinction between German and English theological science. The exchange is now so brisk that scientific theologians of all evangelical lands form already one

Concilium. Adolf Harnack. Wilmerdorf near Berlin, March 17th, 1892"--

**The Church of the First Three Centuries, Or, Notices of the Lives and Opinions of the Early Fathers, with Special Reference to the Doctrine of the Trinity, Illustrating Its Late Origin and Gradual Formation** Alvan Lamson 1880

**A Catholic Response to the Jehovah's Witnesses** Jennifer Moorcroft 2014-07-16 A Catholic Response to the Jehovah's Witnesses is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality. Having met with many Witnesses over the years, she was prompted to write the book as a response to them. It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings. It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovah's Witnesses, and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church.

*The Forgotten Trinity* James R. White 2019-11-05 While many of us struggle to understand it, the Trinity is one of the most important teachings of the Christian faith. It defines God's very essence and describes how he relates to us. And while it can be a difficult concept to get our heads around, it is crucial for believers to understand how God explains his triune nature in his Word. In this book, James R. White offers a concise, understandable explanation of what the Trinity is and why it matters. While refuting the distortions of God presented by various cults, Dr. White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian. And amid today's emphasis on the renewing work of the Holy Spirit, *The Forgotten Trinity* is a balanced look at all three persons of the Trinity. May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself.

The Kingdom of the Cults Walter Martin 2019-05-21 In an era of rapid growth of false religions worldwide, Christians need information they can trust. This comprehensive new edition of the leading book on cults will equip you--no matter your background--to understand and use biblical truth to counter false religions, including many that masquerade as mainstream Christianity. Reflecting the developments in cults and world religions in recent years, this edition, updated by expert Jill Martin Rische (daughter of Walter Martin), gives you the authoritative information you need to know. As our culture becomes less and less outwardly Christian, awareness of the belief systems of those around us has never been more vital. Readable and reliable for everyone, whether you're a teacher, a pastor, or a regular church attender, *The Kingdom of the Cults* remains the go-to reference book on this crucial topic.

**We Believe in One Lord Jesus Christ** John Anthony McGuckin 2014-03-19 "Who do you say that I am?" This question that Jesus asked of his disciples, so central to his mission, became equally central to the fledgling church. How would it respond to the Gnostics who answered by saying Jesus was less than fully human? How would it respond to the Arians who contended he was less than fully God? It was these challenges that ultimately provoked the Council of Nicaea in A.D. 325. In this volume covering the first half of the article in the Nicene Creed on God the Son, John Anthony McGuckin shows how it countered these two errant poles by equally stressing Jesus' authentic humanity (that is, his fleshliness and real embodiment in space and time) and his spiritual glory or full divinity. One cottage industry among some historical theologians, he notes, has been to live in a fever of conspiracy theory where orthodox

oppressors dealt heavy-handedly with poor heretics. Or the picture is painted of ancient grassroots inclusivists being suppressed by establishment elites. The reality was far from such romantic notions. It was in fact the reverse. The church who denounced these errors did so in the name of a greater inclusivity based on common sense and common education. The debate was conducted generations before Christian bishops could ever call on the assistance of secular power to enforce their views. Establishing the creeds was not a reactionary movement of censorship but rather one concerned with the deepest aspects of quality control. Ultimately, what was and is at stake is not fussy dogmatism but the central gospel message of God's stooping "down in mercy to enter the life of his creatures and share their sorrows with them. He has lifted up the weak and the broken to himself, and he healed their pain by abolishing their alienation."

**Studies in the Scriptures** Charles Taze Russell 1889

**Carnival Mirrors** Patricia Lyon 2012-08-24 What would you do if two Jehovah's Witnesses came to your house, and you considered yourself to be a Christian? What would you do if you were unsure of your knowledge of the Bible and of the Witnesses' teachings? Carnival Mirrors answers the questions according to my experiences of several years. To turn the Witnesses away is wrong; to argue doctrine is wrong. Simply letting the Holy Spirit take control is right. He will act according to each person's background, and this book is according to my background. There will never be a time that I could approve the Watchtower's way. I have personally seen and heard how this organization can, without conscience, change doctrine around, quote writers out of context, manifest a carnal spirit toward others, substitute men's opinions for God's Word, mislead its own people, and do other things that no Christian should do. I was never a Witness, just a churchgoer, but I searched the things I read and was told. And, that is how I found the truth. How easy it was. Everyone can see this deception, and Carnival Mirrors will show you how one person did it.

**Reasoning from the Scriptures with the Jehovah's Witnesses** Ron Rhodes 2009-07-01 Christians have great news to offer Jehovah's Witnesses. In this revised and updated version of the top-selling Reasoning from the Scriptures with the Jehovah's Witnesses (more than 90,000 copies sold), author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God's truths with those who come calling. Convenient side-by-side comparisons of the New World Translation and the Bible, along with answers to each doctrinal error espoused by the Witnesses Point-by-point lists of the favorite tactics and arguments used by the Witnesses—along with effective, biblical responses to each Questions you can ask to challenge the Jehovah's Witnesses' confidence in the Watchtower Society With easy-to-understand helps, concise information, direct comparisons of beliefs, and a compassionate presentation, this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel.

**Jehovah's Witnesses** George D. Chryssides 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door-knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses, and progresses to take instruction and become a baptized member. The book then explores

what is involved in being a Witness – congregational life, lifestyle, rites of passage, their understanding of the Bible and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women and new methods of meeting and evangelizing in response to the COVID-19 pandemic.
