The Hunting Party Lucy Foley 2019-02-12 THE NEW YORK TIMES BESTSELLER "My favorite kind of whodunit, kept me guessing all the way through, and reminiscent of Agatha Christie at her best -- with an extra dose of acid." -- Alex Michaelides, author of the #1 New York Times bestseller *The Silent Patient* Everyone's invited...everyone's a suspect... During the languid days of the Christmas break, a group of thirtysomething friends from Oxford meet to welcome in the New Year together, a tradition they began as students ten years ago. For this vacation, they've chosen an idyllic and isolated estate in the Scottish Highlands—the perfect place to get away and unwind by themselves. The trip begins innocently enough: admiring the stunning if foreboding scenery, champagne in front of a crackling fire, and reminiscences about the past. But after a decade, the weight of secret resentments has grown too heavy for the group's tenuous nostalgia to bear. Amid the boisterous revelry of New Year's Eve, the cord holding them together snaps, just as a historic blizzard seals the lodge off from the outside world. Two days later, on New Year's Day, one of them is dead. . . and another of them did it.

Keep your friends close, the old adage says. But how close is too close? DON'T BE LEFT OUT. JOIN THE PARTY NOW.

The Dark, Dark Night M. Christina Butler 2016 Upon awakening from his long winter's nap, Frog spends a happy day playing with his friends but when he reaches his pond after dark, he sees a huge pond monster and needs his friends' help to face it.

Happy Times in Noisy Village Astrid Lindgren 2003-06-01 Welcome to Noisy Village! Well, it's not really quite what it sounds. Lisa, who tells the story, lives on Middle Farm with her parents and two brothers, Karl and Bill. Britta and Anna live at North Farm and Olaf and Kerstin live at South Farm. It is because the houses are right next door to each other in a clump as they liked to do these things in rural Sweden years ago, and because the children make so much racket that the farmhouses came to be so honestly and happily named. A large linden tree grows between Middle and South Farms and so the boys in the two houses visit each other by climbing through the branches--even the girls do it sometimes, like the night they all waited for Olaf to go to sleep so that they could pull out his loose tooth without his knowing it! That is only one of the many escapades designed to make readers young and old wish they could step right into the pages of this little book. Join the fun in this companion volume to *The Children of Noisy Village* (published by Viking Penguin). Illustrated with delightful line drawings by Ilon Wikland; translated by Florence Lamborn.
