A Long Time Until Now Michael Z. Williamson 2015-04-16 Book 1 in a new series from the creator of the best-selling Freehold Universe series. A military unit is thrust back into Paleolithic times with only their guns and portable hardware. Ten soldiers on convoy in Afghanistan suddenly find themselves lost in time. Somehow, they arrived in Earth's Paleolithic Asia. With no idea how they arrived or how to get back, the shock of the event is severe. They discover groups of the similarly displaced Imperial Romans, Neolithic Europeans, and a small cadre of East Indian peasants. Despite their technological advantage, the soldiers only have ten people, and know no way home. Then two more time travelers arrive from a future far beyond the present. These time travelers may have the means to get back, but they aren't giving it up. In fact, they may have a treacherous agenda of their own, one that may very well lead to the death of the displaced in a harsh and dangerous era. The Illumination Kevin Brockmeier 2011-02-01 What if our pain was the most beautiful thing about us? From best-selling and award-winning author Kevin Brockmeier: a new novel of stunning artistry and imagination about the wounds we bear and the light that radiates from us all. At 8:17 on a Friday night, the Illumination commences. Every wound begins to shine, every bruise to glow and shimmer. And in the aftermath of a fatal car accident, a private journal of love notes, written by a husband to his wife, passes into the keeping of a hospital patient and from there through the hands of five other suffering people, touching each of them uniquely. I love the soft blue veins on your wrist. I love your lopsided smile. I love watching TV and shelling sunflower seeds with you. The six recipients—a data analyst, a photojournalist, a schoolchild, a missionary, a writer, and a street vendor—inhabit an acutely observed, beautifully familiar yet particularly strange universe, as only Kevin Brockmeier could imagine it: a world in which human pain is expressed as illumination, so that one's wounds glitter, fluoresce, and blaze with light. As we follow the journey of the book from stranger to stranger, we come to understand how intricately and brilliantly they are connected, in all their human injury and experience.

Achilles in California Paul Luchessa 2003-09-01 Achilles in California is a modern retelling of the Achilles legend, based closely on the Iliad of Homer. Set in a California high school in late 1963, the story centers on the football team, and the players and coaches have their analogues in Homer's epic. Mark Panokotonkis, 'Achilles', is the campus hero, and Larry Terhune, 'Patroklos', is his diametric opposite, the pimply, scruffy, despised and self-despising manager of the team. The gradual coming together of these two opposites, the bonding of Achilles and Patroklos, is the unusual story that unfolds, ultimately precipitating a personal crisis for both boys that coincides with a national crisis. The story ends on November 22, 1963, the real death of a real hero marking the symbolic death of a mock hero.

Pride Of Walworth Mary Jane Staples 2011-10-31 There was a new family in Browning Street, Walworth - the Harrisons. Respectable and well-behaved, the only thing unusual about them was that Mr Harrison was never there. He was a sailor, said Ma Harrison, away fighting pirates in the China Seas. Actually, 'Knocker' Harrison was in Marsham Gaol - he had unfortunately burgled a lady's suite when she happened to be there. Pa wasn't really a very good burglar. When young Nick Harrison, eldest son and heir of Ma and Knocker, met Annabelle Somers he found himself in a very difficult situation. For seventeen-year-old Annabelle was a peach of a girl, was related to the highly respectable Adams family, and was really quite keen on Nick, very interested in him and in his family. What with keeping Annabelle at arm's length in case she found out about Pa, and with the problems of running the Browning Street Rovers football team (the ball was owned by Chrissie Evans who laid down her own rules about the team) Nick sometimes wondered if his life would ever be sorted out.

I'm With the Band: Confessions of a Groupie Pamela Des Barres 2018-04-19 First published in 1987, New York Times bestseller, I'm With The Band has been reprinted throughout the years, all over the world. This is the stylish, exuberant and sweetly innocent tale of one of the most famous groupies of the 1960s and 70s. Beginning with Pamela Des Barres' early obsession with Elvis, her own Beatlemania madness, and her fierce determination to meet the musicians who rocked her world, I'm With The Band illuminates the glory days of scintillating encounters with musical gods including Jim Morrison, Jimi Hendrix, Mick Jagger and Keith Moon. Barres immersed herself in the drugs, danger and ecstasy of the freewheeling 1960s. As a member of The GTOs (Girls Together Outrageously), an all-female group masterminded by Frank Zappa, Des Barres was in the thick of the most revolutionary renaissance in the history of modern popular music. She travelled with Led Zeppelin; lived in sin with Don Johnson; turned down a date with Elvis Presley; and was close friends with Robert Plant, Gram Parsons and Ray Davies. She had affairs with Mick Jagger, Jimmy Page, Keith Moon, Waylon Jennings, Chris Hillman, Noel Redding, and Jim Morrison, among others. A woman in possession of her own destiny, Des Barres blazed a trail for women's life-writing, standing up for female voices and experience everywhere. From original diaries, told with great warmth, chutzpah and joie de vivre, this is a frank memoir that wears its heart on its sleeve, and recalls one of rock 'n' roll's most thrilling eras. This edition contains new material from the author, including her response to the vitriolic shaming of groupies, and a foreword by Roisin O'Connor, rock journalist and music correspondent for the Independent.

The Glitter Dome Joseph Wambaugh 2011-11-29 It's the wildest bar in Chinatown, run by a proprietor named Wing who will steal your bar change every chance he gets. On payday the groupies mingle there with off-duty LAPD cops, including homicide detectives Martin Welborn and Al Mackey, who get assigned the case of a murdered Hollywood studio boss who may have been involved in some very strange and dangerous filmmaking. Hilarious at times, heartbreaking at others, this book was likened by the New York Daily News to a "one-two combination that leaves the reader reeling."

Fusion Bruce Huntly 2005-04-01 A thriller that blends innovative technology, fiery action, and steamy romance with a mystery that spans more than thirty years. "The floor erupted and the office and its occupants disintegrated in the shockwave. Fully a third of the building near the loading dock burst apart, followed by the deafening thunder of a huge explosion, sending masonry and glass flying in all directions. The two guards at the guard house were sitting inside when the blast detonated. The ground shook and the guard house trembled as they leapt up and made for the door. A piece of the main building about the size of a small table sliced through the roof killing the one guard and sending the other head first through the open door and onto the driveway. He staggered to his feet, half conscious and more by instinct than thought, managed to scramble behind the fence as the whole area was covered in pieces of flying debris. Deafening incendiary explosions occurred one after another and the now night sky lit up as the fuel and chemicals in the surviving structure ignited.

The Trap Dan Billany 2012-02-14 Dan Billany's *The Trap*, first published in 1950, still stands - in the opinion of M.R.D. Foot - as 'one of the most powerful English novels to come out of the [Second World War].' It echoes the wartime experiences of its author, who is believed to have died in 1943 while on the run from an Italian POW camp, but not before entrusting the manuscripts of *The Trap* to safekeeping. The book's narrator, army lieutenant Michael Carr, tells of his early years in Cornwall, of the girl he met and loved there, and of the hard times her family endured between the wars. These troubles and joys give way to the tragedy of war, and the book's narrative becomes one of comradeship, suspense and fighting in the North African desert. 'The Trap is an

outstanding novel by a writer of natural genius... written with great force and honesty... profoundly impressive.' Times Literary Supplement

An Irrational Hatred of Everything Robert Banks 2018-10-11 FOREWORD BY PHIL PARKES An Irrational Hatred of Luton author Robert Banks is back with his latest instalment in West Ham's journey through the football leagues to recount the past fifteen years of his life as a long-suffering Hammers fan. Picking up where he left off in 2003, Banks charts the varying fortunes of West Ham United alongside the mutable modern nature of the beautiful game in An Irrational Hatred of Everything. Cataloguing a stadium move, an Icelandic banking collapse, takeovers, hirings and firings as well as promotions and relegations, Banks follows West Ham's ups and downs in a refreshingly frank and humorous account of the club's recent history. Through an interconnected exploration of West Ham's progress and the important moments in his own life, Banks continues along the torturous road of detailing his tumultuous relationship with the club to show how much football can mean to the individual while providing sobering reminders that, at the end of the day, it's only a game.

The Story of British Animation Jez Stewart 2021-08-26 Jez Stewart charts the course of this extraordinarily fertile area of British film from early experiments with stop-motion and the flourishing of animated drawings during WWI. He reveals how the rockier interwar period set the shape of the industry in enduring ways, and how creatives like Len Lye and Lotte Reiniger brought art to advertising and sponsored films, building a foundation for such distinctive talents as Bob Godfrey, Alison De Vere and George Dunning to unleash their independent visions in the age of commercial TV. Stewart highlights the integral role of women in the industry, the crucial boost delivered by the arrival of Channel 4, the emergence of online animation and much more. The book features 'close-up' analyses of key animators such as Lancelot Speed and

Richard Williams, as well as more thematic takes on art, politics and music. It builds a framework for better appreciating Britain's landmark contributions to the art of animation, including Halas and Batchelor's *Animal Farm* (1954), Dunning's *Yellow Submarine* (1968) and the creations of Aardman Animations.

Third Strike Philip R. Craig 2007-12-04 Eminent mystery authors Philip R. Craig and William G. Tapply team up for a richly nuanced new installment in the Brady Coyne/J. W. Jackson series that is a tribute not only to two witty, smart fictional sleuths but also to the enduring friendship of their creators. It's late August, just when thousands of vacationers on beautiful Martha's Vineyard are preparing to go home so the kids can return to school. There's a problem, though. A union has gone on strike, paralyzing the Steamship Authority, which runs the ferries to "America," and creating panic and anger among many tourists and islanders alike. When an explosion destroys a boat's engine room and kills the striker who apparently planted the bomb, J. W. Jackson, once a Boston cop but now an island man-of-all-work, reluctantly agrees to the widow's pleas that he attempt to prove her husband innocent of the crime. As J.W. begins inquiries, he discovers a complex series of relationships among strikers, scabs, and boat owners, and encounters violence of his own. Meanwhile, Boston attorney Brady Coyne gets a call from a former client now living full-time on the Vineyard, who tells him about a group of armed men loading and unloading mysterious crates at a dock at midnight. Jackson and Coyne get together and discover that not only are their cases connected but that time is running out for them to prevent a crime that could have international ramifications -- and their only hope will be to confront dedicated killers face-to-face...With its winning contrast of page-turning suspense and evocative Vineyard ambiance, *Third Strike* is crime fiction at its best.

I Am Woman - I Am Invincible Sidney St. James 2020-11-20 I AM WOMAN, I AM INVINCIBLE Sequel to I AM WOMAN, HEAR ME ROAR Volume 2 In this sequel to "I Am Woman, Hear Me Roar!" we continue to answer many questions associated with the writing of the Lincoln Assassination Series' "MARY ELIZABETH SURRATT" and the Faith Chronicles Series', "FAITH - SEVENTY TIMES SEVEN." During the writing of these two earlier novels, the question was always asked, why was Mary Elizabeth Surratt given such a bad 'shake' by a ruling from Yankee Generals in a witch hunt of a trial? In the other novel, FAITH, why did the Reverend Ada Caston Slaton Bonds remain with such an abusive alcoholic husband for twenty years? I decided to take four beautiful young women, known throughout the novel as the "Four Musketeers," who pledged a lifelong friendship with each other before the beginning of the Civil War and follow their lives of falling in love after graduation from the Hampton Women's College. become a slave to their husbands based on our country's laws in the 1860s. Frances "Fran" Meyer, Jackie 'Bonzo' Hager, and Debbie "Deb" Keiner all fall in love only to find out the man they loved was a traitor and fought for the Confederate forces. The fourth musketeer, Dianne Jenkins, has a lifelong secret she never reveals and has an extreme dislike for men. Although a strong word, some might even say she hated men. Then, Frances Meyer, who defects from the red, white, and blue, goes with her husband to fight for the South. Bonzo Hager is drafted by the Army of the Potomac and laughed at when she arrived to muster. She then asked her father to subsidize a substitute to fight for her. Then, there's Debbie Keiner, the daughter of a Lutheran minister. She gives her heart and soul as a Sister of Mercy in the hospitals for many soldiers injured and killed in the war... both the Rebels and the Yankees. She also gives up her love for a man who left to fight under Robert E. Lee and the southern forces of the Confederacy. As sunlight enters into raindrops, so love enters the souls of these young women and emerges as their passions in State's Rights and Women's Rights. It is how they find their truth and purpose in life. It's how the "Four Musketeers" give themselves to others. Throughout this story, they each discover that it's love, which makes them who they are and how powerful forgiveness can be in their lives. Rights for women in the 1860s were withdrawn when she married. In general, women gave up so many property and civil rights when they said "I do" that it was said they entered a state of "Civil Death!" In 1860, women were trapped in their homes and performed domestic chores and duties. Their roles as a housewife were to bear children, as long as was feasibly possible. Also, to care for the children while submitting to their husbands' every whim. It was prevalent for a family to consist of twelve or more children in the 1800s. "Women are already born so far ahead ability-wise. The day men can give birth, that's when we can start talking about equal rights!" --- Chuck Palahniuk, American Novelist

Don't Ask, Do Tell! William Bonzo 2010-10 William Bonzo's biting, informative, and sometimes riotous memoir, *Don't Ask, Do Tell: When I Finally Told the Military "Kiss My Gay..."* aims directly at the Don't Ask, Don't Tell policy previously enforced by the United States military. Bonzo was a Navy man before being outed and forced to leave the service. Until then, he had served his country honorably and enthusiastically. So how can a military that is dangerously short of personnel and engaged in several wars around the world afford to impose a weeding-out policy that not only de-militarizes talented leaders, but does so in an abrupt and emotionally brutal fashion? Reading this book, one is struck by the irony of training a man for years, bringing him to his peak of military knowledge and direction, and then dismissing him for his sexual orientation. Despite a light and often funny voice, the underlying message remains: Don't Ask/Don't Tell was unethical, pragmatically absurd, and often devastating to those who were targeted.
