*Who's Hiding?* Vicki Howie 2010 Young children and their parents will delight in this colorful, lovingly illustrated, and simple rendition of the traditional Christmas story. This lift-the-flap book brings the well-known characters of Christmas--angels, shepherds, wise men, Mary and Joseph and the baby Jesus--to life for little ones. Sturdily constructed to last for years, this book invites children to take an active role in discovering the mysteries of Our Lord's birth. Someone's hiding behind the door. Who it is we can't be sure. Open the doors and you'll find out. What Christmas-time is all about The answer lies on a bed of hay. An angel will help you on your way This book makes an excellent gift or family keepsake. "board book"

*Killing the Hidden Waters* Charles Bowden 2003-11 From the introduction to the new edition: "I'll tell you where I went wrong. The faucet in the kitchen always becomes the reality we believe, and the periodic droughts, one of which for much of the nineties savaged the West, remain a fantasy. This happens each and every day as the water roars from the faucet and the skies remain dangerously blue." —Charles Bowden In the quarter-century since his first book, *Killing the Hidden Waters*, was published in 1977, Charles Bowden has become one of the premier writers on the American environment, rousing a generation of readers to both the wonder and the tragedy of humanity's relationship with the land. Revisiting his earliest work with a new introduction, "What I Learned Watching the Wells Go Down," Bowden looks back at his first effort to awaken people to the costs and limits of using natural resources through a simple and obvious example—water. He drives home the point that years of droughts, rationing, and even water wars have done nothing to slake the insatiable consumption of water in the American West. Even more timely now than in 1977, *Killing the Hidden Waters* remains, in Edward Abbey's words, "the best all-around summary I've read yet, anywhere, of how our greed-driven, ever-expanding urban-industrial empire is consuming, wasting, poisoning, and destroying not only the resource basis of its own existence, but also the vital, sustaining basis of life everywhere."

**At the Beach** Jean-Didier Urbain 2003 Around the world, when people think of vacation it's the beach they want--even when long distances must be traversed, the seashore is the place to escape the rigors of modern life. How did this come to be, and what does our ongoing love affair with the beach mean? How do shore vacations differ from traditional tourism, and what does this tell us about our fears and dreams? In *At the Beach*, Jean-Didier Urbain offers witty and insightful answers to these questions. Urbain traces the transformation of the beach from a place of mythological threats and a demanding workplace fraught with danger to a destination for medical treatment and the pursuit of pleasure. He looks to the emergence of the modern vacation in the nineteenth century, examines representations of beachgoing in literature and the arts, and shows the transgressive side of beach culture--from nudism to hedonism to various "scandals" about costume, behavior, and sexuality that make the beach the site of social spectacle as well as leisure. Urbain's ultimate focus is the paradoxical enterprise of the residential seaside vacationer, who travels in order to stay in one place and who leaves the everyday world behind to reconstruct an idealized version of it at the shore. He argues that unlike tourists, who move from place to place, beach vacationers are not seeking to explore nature, to discover other cultures, or even to "get away from it all"; rather, they are attempting to re-create their own identities through a simplified community they can no longer find elsewhere. Blending history with social observation, Urbain presents an original, incisive, and entertaining account of this enduring ritual of escape and recreation.

Hide Jake Cross 2020-03-23 Would you face danger or run away? When armed men infiltrate the tiny Peak District hamlet of Barkelow, Emil Torrance thinks they're here to kill him because of his past. After killing one of the gunmen he flees, but when he learns that the men have taken control of the entire hamlet, he realises his son is in grave danger. Believing that calling the police will cost lives, he decides to deal with the problem alone. But when he learns that he's not the target at all, Emil realises he is facing an even greater threat. How far are the armed men prepared to go? What is their motive? If Emil and his son are going to survive, he will have to become the man he has been trying to hide from... Jake Cross is also the author of the explosive crime thriller *Betrayed*. *Hide* is an explosive thriller which will appeal to fans of authors like Harlan Coben, Michael Connelly and Matt Brolly.

The Creative Writer for the Creative Newspaper Terence J. Fry 2017-06-06 When he was only sixteen years old, a young mans mother and father die in a car accident and all he wants to do is to find out why it happened. This leads him on the path to become a journalist, and since then he is now determined to always seek out answers. The Creative Writer for the Creative Newspaper follows the creative writer as he goes on a journey of love and forgiveness. As he falls in love with a woman who collapsed outside his house, he visits her every day while she is in a coma and is drawn closer and closer to her. Determined to find out why she collapsed and discover the origins of her injuries, he is led to an abortion clinic that is concealing a dark secret. If he can find help through the twists and turns, the creative writer can expose the secret and lead victims to peace and forgiveness in Christ. Everyone needs a chance at forgiveness, and with help from the creative writer and more importantly, from Christ people in crisis can find the closure they need to have happy, fulfilling lives full of love and forgiveness.
