**The Comparative 1st Century Aramaic Bible in Plain English (8th ed.) & King James Version New Testament with Psalms and Proverbs** Rev. David Bauscher 2011  
This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament displayed in two columns- one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right. This translation is derived from the author's Aramaic-English Interlinear New Testament. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 659 pages in 6x9" paperback. The parallel Psalms and Proverbs of both versions are included after the NT.

**Christ's Return and Today's Global Geopolitical Bombshells** Dr. David Liang 2019-05-14  
Many people are eager to embrace Nostradamus and the Mayans while dismissing the Holy Bible's prophecies. Yet the Bible (in Revelation chapter 4) promises: "Come up here, and I will show you what must take place after this." Inspired by that promise, this principal author has gleaned decades of insight regarding global geopolitical events and what might take place toward the end of this world as we know it. In 1989 he predicted in a Chinese magazine, the possibility of German unification as an expression of the mixed iron-and-clay kingdom foreseen in Daniel chapter 2. The same prophecy suggests the intermingling of China with Taiwan, and North and South Korea. Back in 1989, this principal author also predicted that the U.S. would withdraw from Europe because the Bible speaks little of the U.S.'s role during Earth's final hour. Chapter 1 of this book deals with doomsday (end of the world) bombshells with reference to notable scientists such as Stephen Hawking, Martin Rees, Frank Fenne, and Isaac Newton. Chapters 2 and 3 address the startling role reversal between the U.S., a former superpower now in retreat from the global scene, and a resurgent Russia – and the incredible role played by Vladimir Putin in both Russia and the U.S. Chapter 4 deals with the miraculous rebirth of Israel and the path toward a rebuilt Third Temple. Chapter 5 deals with Middle East bombshells, particularly the rise of radical Islamic-based entities and the Bible's portrait of Babylon. Chapter 6 applies the aforementioned iron-and-clay-mixture analogy to the possible unification of China with Taiwan, and North and South Korea – including bombshell overtures between U.S. President

Trump and North Korean leader Kim. Chapter 7 deals with China's ascent and applies a prophecy in Isaiah chapter 49 to the increasing number of Chinese Christians despite communism. Chapter 8 situates Brexit ('Britain exiting the European Union,' which this principal author foresaw) within the Biblical context of a future ten-kings coalition and the emergence of the antichrist. Finally, chapter 9 deals with Christ's own statements of what geopolitical bombshells must take place leading up to his return to Earth. The Bible's accuracy in predicting geopolitical events gives us reason to believe in its supernatural authority, and thus to believe its ultimate promise – that Jesus Christ will return to this world.

The Teaching of Jesus ... Hans Hinrich Wendt 1909

**The Second Coming of Jesus Christ** David L. Toney 2015-02-10 While the turn of the century has seen a number of secular sources proclaiming the end of the world such as Y2K or the end of the Mayan calendar only to see these events come and go, there persists yet another source that still accurately foretells the events and phenomena we see play out on the world's scene. Instead of focusing on fleeting signs and events, the Bible shows us how a growing tide of global conflict, human suffering, and natural disasters points toward a powerful truth: we are living in the end times. In *The Second Coming of Jesus Christ: An Analysis of End Time Bible Prophecy*, author David L. Toney explores how contemporary events not only parallel but also signify the fulfillment of Bible prophecies throughout both the Old and New Testaments. From the return of the Jews to Israel as foretold in Ezekiel, to the rise of the Antichrist as anticipated in Revelation, discover prophecies and the modern-day events related to the end of the six-thousand-year reign of humanity, the stirrings of World War III, and the appearance of catastrophic natural phenomena. That we are living in the end times is good news for good people and bad news for bad people, and the most important event prophesied to take place in these latter years is the second coming of Jesus Christ which will soon take place.

*Preparing for Jesus' Return* A.W. Tozer 2012-09-24 Just as in our day, people under the teaching ministry of A.W. Tozer wondered about the end times. How should we read the book of Revelation? What does it mean for how believers live? In this never-before-published book, today's Christians can learn from one of the twentieth-century church's most profound thinkers and pastors. Tozer's teaching on Revelation offers a fresh and timely perspective on the purpose of prophecy, which the renowned writer believed was to lift our gaze from the immediate to the eternal. *Preparing for Jesus' Return* offers readers a panoramic view of what is to come and explores what it means for individuals, churches, and the world.

**When Christ Comes** Max Lucado 2014-01-07 Life with no end? Space with no bounds? And what about Armageddon, The Lake of Fire, The Mark of the Beast? Are we supposed to feel good about all this? When we wonder about these things, we aren't alone. There is much about the end of history we don't understand. But while thoughts on the final day will stir our questions, they needn't stir our fears. Regarding that day, Jesus urged, "Don't let your hearts be troubled. Trust in God, and trust in me" (John 14:1). Max Lucado believes the day Christ comes will be the "beginning of the very best." And our primary task is to be prepared and peaceful while we wait. If we have some questions about the end of time ... If we have concerns about what will happen to us ... If we want to look to the end of times as a source of comfort and not chaos ... Then this is the book we need. New York Times best-selling author Max Lucado walks us through Scripture to find peace in the present and hope for the hereafter.

The Return of Christ David L. Allen 2011-05-18 In the study of end times (eschatology), evangelical Christians usually adhere to one of three positions. Premillennialism holds that Christ will return to earth before He reigns over an earthly kingdom for one thousand years. Postmillennialism says the kingdom of God will become realized on this earth through the church's influence, even before Christ's return. Amillennialism suggests the millennium is not a literal thousand-year reign, but that Christ's return will usher in eternity. *The Return of Christ* gathers presentations from the Acts 1:11 Conference where church leaders spoke in support of the premillennial position and pre-tribulation rapture. Regardless of whether or not a reader holds this same position, the text emphasizes the deep importance of eschatology in Christ's

teaching ministry and as the focus for our hope. Indeed, without the promise of Christ's return, Christianity has little to offer the unbeliever. The book's dozen contributors include Jerry Vines, Ergun Caner, Danny Akin, Paige Patterson, David Allen, Richard Land, Junior Hill, Stanton R. Norman, Craig Blaising, Lamar Cooper, Steven Cox, and Michael Vlach.

The Return of Jesus Christ With Judgment Marc A. Carr 2012-04 Every believer wants the biblical resources to determine truth. Here are those verses, every one of them, regarding the Lord's return with judgment and the resurrection of all who have ever lived, to be so judged. The end result is clear, unambiguously straight forward and above all simple, if the reader is willing to endure the reading of a plethora of passages. And willing to accept what the Lord and the apostles actually said. For, what was said became what was written. To find all the truth available about the whole of the Lord's second coming, the judgment and the general resurrection comes down to this: Is what the Lord said more important than what one presently believes. Or is what one presently believes more important than what the Lord, Himself, said, what Paul said. At first, the question seems ludicrous until one realizes how many different beliefs among believers there are about the Lord's return, the judgment and the timing of the resurrection, despite what Jesus said. Marc asks: "why would anyone not believe in one general resurrection when the Lord Himself taught one general resurrection? Why would anyone not believe in one judgment of all people when the Lord returns?" The answer can only be because one permitted himself to be so blindly conditioned to the rapture and a literal millennial period that the return of the Lord with judgment and the resurrection of all, at once is impossible to accept. Hopefully, this work will contribute to opening some of those entrenched minds and keep others from becoming the same. Marc presently lives in Orlando Florida where he pastors Blessed Fellowship Orlando, an outreach ministry of Orlando Prayer and Worship Center, Senior Pastor Roy Futch.

A Harmony of the Four Gospels in English, According to the Common Version  
Edward Robinson 1914

**Jesus Christ** S. I. Courageous 2021-04-15 JESUS CHRIST will come soon (Revelation 1:7). He will return to bring an Eternal Kingdom of peace and righteousness for Himself and for His beloved disciples. Humankind, however, brought forth seven mighty World Empires: Proud Egypt, cruel Assyria, the "golden, silver and bronze" Empires of Babylonia, Persia and Greece (Book of Daniel) and, in recent times, the Empires of the Romans and the Arabs. They all made life difficult for believers, but could not overcome Israel and the confessing church. Now a last Empire, the eighth one, is just around the corner. The Bible predicts: One of the seven World Empires will rise again from the abyss of history and try to seize Zion (Jerusalem) and the absolute power. But which one will it be? Here comes the surprising answer to well-known scholars as Arnold Fruchtenbaum (The Footsteps of the Messiah) or Joel Richardson (The Islamic Antichrist; Mideast Beast; Mystery Babylon) - fresh from the land of the Reformation. Courageous writes for watchful contemporaries in Europe and America. He refutes today's lightly accepted origin of the End Time evil and shows that neither Rome nor Mecca are the main source of grief and evil. The New End Time Exegesis (NEE) provides an unusually clear and, at the same time, brighter future perspective for the Christians of the West.

Reader's Voices "The Revelation of John ... made easy." "Can 450 million believers be wrong?" "We Christians of the West are free again, free to do good - even though dark clouds are appearing on the horizon." "A book that was born in Bethlehem." Paperback Edition with eight maps of the Biblical World Empires complete with information on their spiritual character; history; geographical location and extension.

Chapters 49-55 are messages of deliverance by the Messiah and chapters 56-66 are admonitions to obedience and promises of not only Israel's future glory, but the raptured saints as well. In this book you will find out all about the end times And God's judgments of Israel and all the nations that Come through the tribulation period!

**The SECOND COMING of CHRIST** Edward D. Andrews 2016-01-01 The information herein is based on the disciples coming to Jesus privately, saying, "Tell us, (1) when will these things be, and (2) what will be the sign of your coming, and (3) of the end of the age?" (Matthew 24:3) What will end? When will the end come? What comes after the end? Who will survive the end? These questions and far more will be answered as Andrews delves into The SECOND COMING of CHRIST. In chapters 1 and 2, we must address why Jesus is saying there would be an end to the Jewish age. In chapter 3, we will take a deep look at the signs that establish the great tribulation is closing in, and when is it time to flee. In chapter 4, we will go over the signs of the end of the Jewish age. In chapter 5, we will walk through the events leading up to the end of the Jewish age from 66 - 70 C.E., and how it applies to our Great Tribulation in these last days. In chapter 6, we will cover the second coming of Jesus where the reader will get the answers as to whether verses 3-28 of Matthew Chapter 24 apply to Christ's second coming. We will close out with chapter 7, and how we should understand the signs, and how we do not want to be led astray, just as Jesus warned even some of the chosen ones would be misled. We will also address what comes after the end.

Preparing You for the Return of Jesus William E. Blanchard 2017-01-03 Preparing You for the Return of Jesus by William E. Blanchard In preparing for God's Kingdom, in light of what lies ahead, we can only imagine the endless possibilities that God has prepared for His children in paradise. Take the time to think about what the Holy Spirit has revealed in this book. Are you prepared to meet Jesus, our Creator, in His appointed time? Remember, you know your birth date, but do you know your time of departure? Death by natural causes is imminent for all mankind, unless one is taken by rapture. This leaves no room for compromise. Knowing that eternal destiny is inevitable for everyone, the final question is: where will you go when that time comes? Jesus paid the ransom, a debt that He paid for all mankind with His life. The first time He came as a Lamb for slaughter and freed us from sin and gave us dominion over Satan and all evil. But when Jesus returns the second time, He will come as a roaring lion to avenge-redeem the Bride (the Church) and all of His children. As time draws nigh for the second coming of Jesus, the message is clear. The author prays that you are prepared for Him.

Imagine You Walked with Jesus Jerry Windley-Daoust 2021-12-14 Contemplative, or imaginative, prayer is a method of meditative prayer developed by Saint Ignatius of Loyola in which you imagine yourself as a character in a Bible story, experiencing the events described in the passage as if you were actually there. In *Imagine You Walked with Jesus*, you'll be introduced to contemplative prayer through forty episodes from the Gospels. Each entry includes: A brief introduction to the Bible text, with vivid details to aid your imagination and place the text in a larger interpretative context An introductory prayer The full text of the Bible passage Journaling prompts As you prayerfully immerse yourself in the Bible passages in this book, you'll be invited to draw on your imagination to rewrite the story from your own perspective: what you saw and heard, your feelings and emotions, and how you interacted with Jesus and the other people present in the story. Saint Ignatius taught that the imagination can be an instrument of prayer. By imagining how we would respond to a particular biblical episode, we can respond to God's word in a deeper, more meaningful way – and perhaps hear what God has to say to us, too. ABOUT THE

CHRIST RETURN Encoded in the Great Pyramid Brian Leonard Golightly Marshall 2008-07-25 Mayan Calendar experts cracked the language code, finding the date predicted when the solar system would cross into the northern hemisphere of the Milky Way Galaxy and the golden age would begin. In the Great Pyramid the same information and the end time when the last day is the same date, but it also predicts the return of Christ and He is on the planet today. The Great Pyramid conspiracy is the direct result of the Catholic Church, which hung a mask of Jesus hung upon the body of Lucifer. There is however a linking of ancient wonders within the Great Pyramid, which predicts that Brian Leonard Golightly Marshall was reborn to the earth January 11th 1944 in Australia. The key that opens the mysteries of the old Testament Hebrew pinpointing the second coming of Jesus is in the Mayan Calendar found also in the 5000 year old pyramid and is why the church destroyed the Mayans proof of Jesus far removed from the greatest enemy of Jesus the Catholic Church.

*The Second Coming of Christ* Greg Hinnant 2022-08-08 The second coming of Christ is the most anticipated, consequential, and controversial event since His Ascension. For 2,000 years, it has been loved, hated, dreaded, and ignored. Committed Christians have loved it, sinners have hated it, carnal Christians have dreaded it, and lukewarm Christians have ignored it. Thus, it has been yearned for, mocked, feared, and yawned at, and yet debated ad nauseam. But there it is, in Jesus' own immortal words, "I will come again!" (John 14:3). Today a turbulent vortex of confusion and controversy swirls around just what Jesus meant and when He is coming. This powerful new book by Greg Hinnant seeks to quell the controversy and clarify the confusion by setting forth God's biblical prophetic plan for Christ's appearing - the rapture - and the amazing divinely scheduled events that follow on earth and in heaven. It also offers much detailed, practical, biblical teaching on how to be prepared for the rapture. Finally, it closes with a very thorough, informative, concisely written comparison of the major Christian End-Times views. Many books present biblical prophecies about Christ's Second Coming, but offer little or no Christian living instructions. Others present excellent Christian living instructions, but do not interpret End-Times prophecy. Rich with abundant prophetic and Christian living instructions, this book is truly unique. You will not find another like it! Described as "a comprehensive handbook for the preparation of the bride of Christ," it is a must-read for pastors, leaders, and anyone seriously desiring to be ready when Jesus suddenly appears to

receive His church.

Why Jesus Returned Peter Walton 2020-07-21 For as Jonas was three days and three nights in the whale's belly; so shall the Son of man be three days and three nights in the heart of the earth. - Matthew 12:40 The premise of this book is that during these three days, Jesus was bombarded with images from Satan of future human events, trying to convince him that he should not return to the Earth versus images from God's angels showing him future human events to convince him to return. Here's a few examples of the over forty chapters of the book: "I Wear the Chain I Forged in Life;" "Alone with the Sky, Nature, and God;" "That Others May Live;" "The Evolution Scam;" "Broken Down Computers."

**Four Portraits, One Jesus, 2nd Edition** Mark L. Strauss 2020-03-24 To Christians worldwide, the man Jesus of Nazareth is the centerpiece of history, the object of faith, hope, and worship. Even those who do not follow him admit the vast influence of his life. For anyone interested in knowing more about Jesus, study of the four biblical Gospels is essential. The second edition of *Four Portraits, One Jesus* has been updated throughout to meet the needs to today's students. It is a thorough yet accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books addressing the following important areas: First he addresses the nature, origin, methods for study, and historical, religious, and cultural backgrounds of the Gospels. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. This textbook together with its workbook, video lectures, and laminated sheet gives students everything they need for a thorough and enriching study of Jesus and the Gospels.

Jesus Through Middle Eastern Eyes Kenneth E. Bailey 2008-01-22 Beginning with Jesus' birth, Ken Bailey leads you on a kaleidoscopic study of Jesus throughout the four Gospels, examining the life and ministry of Jesus with attention to the Lord's Prayer, the Beatitudes, Jesus' relationship to women, and especially Jesus' parables. The work dispels the obscurity of Western interpretations with a stark vision of Jesus in his original context.

**Daniel's 70th Week and the Mystery of Christ** Jeffrey Horton 2017-06-13 "Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me" (Rev. 3:20). Wouldn't it be great if you could open the door, invite Jesus into your home, and ask Him when He's coming back? All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you. You would have your own "Emmaus Road journey." Like the apostles and first-century disciples, you could say that He opened the eyes of your understanding. That's exactly what this series does by unfolding in an easy-to-follow manner what God's Word shows us and what Jesus taught. Each of the three books focuses on three critical end-time revelations that open the door of our understanding surrounding the events of Christ's return. The New Testament apostles received these keys from Jesus Himself. Over the centuries, these revelations were lost or watered down, leaving us flustered and even fearful. That's not God's will. It's time to let

the Word speak for itself with a message of comfort, hope, and victory. This second book in the Emmaus Road journey walks you through one of the most significant end-time prophecies in the Bible. You may be surprised to find that it is all about Christ's first and second comings, not the future Antichrist. Step by step, you'll see how this prophecy: • accurately predicted when Jesus would first appear as the Messiah almost five hundred years in advance, • foreshadowed the restful end to the need for sacrificial offerings through the death and resurrection of Jesus, • and most importantly, predicts what Christ will accomplish when He comes again.

Based on a new approach to the interpretation of the book of Revelation, Pawson here discusses in detail the controversial and misunderstood subject of the Rapture and uncovers the true significance of the Millennium. This popular and highly topical book is being re-issued with a striking new cover.

*The Time of Christ's Return Revealed - Revised Edition* Charles P. Pierce  
2009-08-31 This is the real thing! If you want to know when Jesus Christ will return to reign as LORD over all the earth, this book will tell you. The book is controversial because it is unique. The time given directly from the Bible is distant, unlike the majority of current views expounding the theory that the time of Christ's return is imminent in their lifetime. Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events. The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple. Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple. In the Gospel of John, Jesus tells us when He will build the Millennial Temple. Many witnesses throughout the Bible, including the book of Joshua, each confirm the same timing of events. The Church is given truth with the goal of increasing The Kingdom of God. The cause of problems and their effects are revealed along with a solution. Those who have ears to hear will do more than just listen. 523 page count 37 black and white images
