Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar "I can't believe how good this book is.... It's wholly original. It's also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn't see coming. You're laughing so hard you don't even realize that you've suddenly caught fire." —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also

staying out of the way of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

White Teeth Zadie Smith 2001-01-25 Chosen by the Guardian as one of the Best Books of the 21st Century From the MAN BOOKER PRIZE- and WOMEN'S PRIZE-SHORTLISTED author of Swing Time, On Beauty and Grand Union 'BELIEVE THE HYPE' The Times The international bestseller and modern classic of multicultural Britain - an unforgettable portrait of London One of the most talked about debut novels of all time, White Teeth is a funny, generous, big-hearted novel, adored by critics and readers alike. Woke Racism John McWhorter 2021-10-26 NEW YORK TIMES BESTSELLER New York Times bestselling author and acclaimed linguist John McWhorter argues that an illiberal neoracism, disguised as antiracism, is hurting Black communities and weakening the American social fabric. Americans of good will on both the left and the right are secretly asking themselves the same question: how has the conversation on race in America gone so crazy? We're told to read books and listen to music by people of color but that wearing certain clothes is "appropriation." We hear that being white automatically gives you privilege and that being Black makes you a victim. We want to speak up but fear we'll be seen as unwoke, or worse, labeled a racist. According to John McWhorter, the problem is that a well-meaning but pernicious form of antiracism has become, not a progressive ideology, but a religion—and one that's illogical, unreachable, and unintentionally neoracist. In Woke Racism, McWhorter reveals the workings of this new religion, from the original sin of "white privilege" and the weaponization of cancel culture to ban heretics, to the evangelical fervor of the "woke mob." He shows how this religion that claims to "dismantle racist structures" is actually harming his fellow Black Americans by infantilizing Black people, setting Black students up for failure, and passing policies that disproportionately damage Black communities. The new religion might be called "antiracism," but it features a racial essentialism that's barely distinguishable from racist arguments of the past. Fortunately for Black America, and for all of us, it's not too late to push back against woke racism. McWhorter shares scripts and encouragement with those trying to deprogram friends and family. And most importantly, he offers a roadmap to justice that actually will help, not hurt, Black America.

Notes From The Tilt-A-Whirl N. D. Wilson 2013-08-06 What is this World? What kind of place is it? “The round kind. The spinning kind. The moist kind. The inhabited kind. The kind with flamingos (real and artificial). The kind where water in the sky turns into beautifully symmetrical crystal flakes sculpted by artists unable to stop themselves (in both design and quantity). The kind of place with tiny, powerfully jawed mites assigned to the carpets to eat my dead skin as it flakes off . . . The kind with people who kill and people who love and people who do both . . . This world is beautiful but badly broken. “I love it as it is, because it is a story, and it isn’t stuck in one place. It is full of conflict and darkness like every good story, a world of surprises and questions to explore. And there’s someone behind it; there are uncomfortable answers to the hows and whys and whats. In the beginning was the Word, and the Word was with God, and the Word was God. Through Him were all things made . . . Welcome to His poem. His play. His novel. Let the pages flick your thumbs.”
