Representations of Black Women in the Media Marquita Marie Gammage 2015-10-16 In 1920 W.E.B. Du Bois cited the damnation of women as linked to the devaluation of motherhood. This dilemma, he argues, had a crushing blow on Black women as they were forced into slavery. Black womanhood, portrayed as hypersexual by nature, became an enduring stereotype which did not coincide with the dignity of mother and wife. This portrayal continues to reinforce negative stereotypes of Black women in the media today. This book highlights how Black women have been negatively portrayed in the media, focusing on the export nature of media and its ability to convey notions of Blackness to the public. It argues that media such as rap music videos, television dramas, reality television shows, and newscasts create and affect expectations of Black women. Exploring the role that racism, misogyny and media play in the representation of Black womanhood, it provides a foundation for challenging contemporary media's portrayal of Black women.

Socioeconomic Mobility and Reproductive Outcomes Among African American and White Women in the United States Cynthia G. Colen 2005

Women, Race, & Class Angela Y. Davis 2011-06-29 From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.

Sex and Race in the Black Atlantic Daniel McNeil 2010-08-18 Drawing on a wide range of sources and a diverse cast of characters, this book is the first to place the self-fashioning of mixed-race individuals in the context of a Black Atlantic and gives particular attention to the construction of mixed-race femininity and masculinity during the twentieth century.

The Little Poetry Book of Savannah Don Newman, M.ed. 2012-10-25 Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities—together with his stretch toward the universal—offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah. Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone." Wives of Steel Karen Olson 2005 *Wives of Steel* is based on more than eighty formal interviews conducted over a fifteen-year period with women and some men, both white and black, all of whom were part of Sparrows Point as workers, spouses, or longtime residents of the local communities. Through the stories they tell, we see how a male-dominated industry has influenced personal, family, and social experiences over several generations. We also see the distinct differences and surprising similarities among the lives of black and white women, which often reflect the complicated relationships among black and white steelworkers in the plant.

Telling Memories Among Southern Women Susan Tucker 2002-04-01 In *Telling Memories Among Southern Women*, Susan Tucker presents a revealing collection of oral-history narratives that explore the complex, sometimes enigmatic bond between black female domestic workers and their white employers from the turn of the twentieth century to the civil rights revolution of the 1960s. Based on interviews with forty-two women of both races from the Deep South, these narratives express the full range of human emotions and successfully convey the ties that united—and the tensions and conflicts that separated—these two mutually dependent groups of women.

Why Black Men Love White Women Rajen Persaud 2008-01-12 THE IRREVERENT, EYE-OPENING, AND HILARIOUS BOOK THAT DARES TO ASK... Why do so many high-profile black men date and marry the most ordinary white women? Why do so many other black men desire and covet the company of white women? And why does this subject deeply touch so many people of both races? Are these provocative questions matters of love, sex, revenge, power, or politics? All of the above, asserts Rajen Persaud in this illuminating, no-holds-barred book that will have you laughing with recognition while fundamentally changing the way you see just about everything -- from sex and marriage to your own gender and race in all its foibles, pretensions, and ultimate possibilities. Challenging every one of our preconceptions about mixed-race relationships, Rajen Persaud's commentary lights up a topic that has only deepened in intensity and relevance in the decades since Sidney Poitier asked the world "Guess who's coming to dinner?" The answers, so deeply ingrained in our fabric as a nation and even grounded in our past, force us to look at ourselves and our culture with new eyes while pondering matters of CELEBRITY: From Michael Jordan to Bryant Gumbel to Tiger Woods, high-profile affairs and marriages with no shortage of controversy. SEX: Are black men choosing white women -- or rejecting black women? RACE: How white male insecurity is the key to understanding racism. RELATIONSHIPS: Is it more than love that brings the races together? POLITICS: How fear is used to gain power, from sexual politics to global war. MEDIA: How movies and television keep black men running to white women. ...and much more. Get ready for *Why Black Men Love White Women* -- and finally understand the relationship phenomenon of our times.

Beginnings Margaret B. Spencer 2013-04-15 How does the therapist begin psychotherapy? How, that is, does she conceptualize the needs of the patient while simultaneously enlisting him or her as an active partner in formulating an individualized working plan? And how should supervisors teach the skills needed to make the intake procedure truly the beginning of treatment? In *Beginnings: The Art and Science of Planning Psychotherapy* Mary Jo Peebles-Kleiger tackles these and other questions in an authoritative manner that draws on the cumulative experience of the outpatient department of the Menninger Psychiatric Clinic. Peebles-Kleiger outlines an approach that gives equal weight to the need for a diagnostic case formulation with specific treatment recommendations and the need to make the patient an active partner in the process right from the start. Clinicians of every persuasion will appreciate her sensitive, discerning grasp of the dyadic interaction of the initial sessions, when the therapist must refine preliminary hypotheses and simultaneously engage the patient in a process of discovery and self-reflection that lays the groundwork for the therapeutic alliance. Peebles-Kleiger's elegant synoptic discussions of the major categories of psychological dysfunction and the different treatment strategies appropriate to them are carefully calibrated, with actual examples, to the limits and opportunities of the first sessions. Of particular value is her unusual capacity to articulate patients' various difficulties in forming and maintaining an alliance, and then to show how such difficulties feed back into the clinician's interventions in the first few sessions. In this manner, she illustrates how potential treatment obstacles-- difficulties in affect regulation, in reality testing, in conscience formation, among others--can be assessed and subjected to trial interventions from the very start. Skilled in various psychodynamic and behavioral approaches, from psychoanalysis to hypnotherapy, Peebles-Kleiger consistently advances an integrative approach that cuts across specific modalities and combines sophisticated psychodynamic understanding with the fruits of empirical research. Both primer and sourcebook, *Beginnings: The Art and Science of Planning Psychotherapy* fills a niche in the literature so admirably that clinicians will find it indispensable in planning humanely responsive treatment in an increasingly complex therapeutic world.

Winterhawk's Land Michael Dante Michael Dante played the title role in *Winterhawk* (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. *Winterhawk* and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as *Death Valley Days*, *The Big Valley*, *Daniel Boone*, *Custer*, *The Texan*, *Bonanza*, *Maverick*, and *Cheyenne*.

Birth Unhindered Tara L McGuire 2010-08-16 About this book No more powerful transformation is available to a woman than that of the unhindered birth of her child. As a woman's body opens to the life of her baby, so too is she opened to the rawness and beauty of woman-hood. At the culmination of an unhindered pregnancy and birth, a woman is left with an increased sense of strength and confidence as a woman and a mother. This often fearful and dreaded event of childbirth is largely misunderstood and shrouded in mystery. The harmful routines and common procedures performed during pregnancy, labor and birth more often than not strip the mother of her ability and right to birth spontaneously and with the joy and love possible. By lessening fear and increasing awareness, a woman is able to come through her journey of natural childbirth as a new and stronger woman and mother. The book *Birth Unhindered* will help increase confidence, peace and acceptance of this transformative time in life as well as allow the reader to participate in the journeys of other women just like her. Tara McGuire is a speaker and author on the topics of pregnancy, birth, personal growth and empowerment. She has a history as a Certified Childbirth Educator and CCE Trainer through Birth Works(c) Inc., as well as acting as a birth attendant. Currently, Tara co-owns and operates Epidavros Center for Wellbeing and Epidavros Yoga Studio with her husband, Don. In addition to these activities, Tara is a home-schooling mother of four children and surrogate mother to one.

Child Care in Black and White Jessie B. Ramey 2012-04-02 This innovative study examines the development of institutional childcare from 1878 to 1929, based on a comparison of two "sister" orphanages in Pittsburgh: the all-white United Presbyterian Orphan's Home and the all-black Home for Colored Children. Drawing on quantitative analysis of the records of more than 1,500 children living at the two orphanages, as well as census data, city logs, and contemporary social science surveys, this study raises new questions about the role of childcare in constructing and perpetrating social inequality in the United States.

The American Child Caroline Field Levander 2003 From the time that the infant colonies broke away from the parent country to the present day, narratives of U.S. national identity are persistently configured in the language of childhood and family. In *The American Child: A Cultural Studies Reader*, contributors address matters of race, gender, and family to chart the ways that representations of the child typify historical periods and conflicting ideas. They build on the recent critical renaissance in childhood studies by bringing to their essays a wide range of critical practices and methodologies. Although the volume is grounded heavily in the literary, it draws on other disciplines, revealing that representations of children and childhood are not isolated artifacts but cultural productions that in turn affect the social climates around them. Essayists look at games, pets, adolescent sexuality, death, family relations, and key texts such as *The Adventures of Huckleberry Finn* and the movie *Pocahontas*; they reveal the ways in which the figure of the child operates as a rich vehicle for writers to consider evolving ideas of nation and the diverse role of citizens within it.

The Guide for White Women Who Teach Black Boys Eddie Moore Jr. 2017-09-22 Empower black boys to dream, believe, achieve Schools that routinely fail Black boys are not extraordinary. In fact, they are all-too ordinary. If we are to succeed in positively shifting outcomes for Black boys and young men, we must first change the way school is “done.” That’s where the eight in ten teachers who are White women fit in . . . and this urgently needed resource is written specifically for them as a way to help them understand, respect and connect with all of their students. So much more than a call to call to action—but that, too!—*The Guide for White Women Who Teach Black Boys* brings together research, activities, personal stories, and video interviews to help us all embrace the deep realities and thrilling potential of this crucial American task. With Eddie, Ali, and Marguerite as your mentors, you will learn how to: Develop learning environments that help Black boys feel a sense of belonging, nurturance, challenge, and love at school Change school culture so that Black boys can show up in the wholeness of their selves Overcome your unconscious bias and forge authentic connections with your Black male students If you are a teacher who is afraid to talk about race, that’s okay. Fear is a normal human emotion and racial competence is a skill that can be learned. We promise that reading this extraordinary guide will be a life-changing first step forward . . . for both you and the students you serve. Why Black Men Love White Women Rajen Persaud 2009-03-03 A provocative, candid study of the romantic relationships between white women and black men offers a psychological explanation for the phenomenon, as well as analyzing the influence of the entertainment industry, exposing stereotypes, and assessing the global implications of black and white relationships.

Women Writing the West Indies, 1804-1939 Evelyn O'Callaghan 2004-06-02 This pioneering study surveys nineteenth- and twentieth-century narratives of the West Indies written by white women, English and Creole. It introduces a fascinating wealth of relatively unknown material and constitutes a timely interrogation of the supposed homogeneity of Caribbean discourse, especially with regard to 'race' and gender.

White Women, Race Matters Ruth Frankenberg 1993

Birthing Justice Julia Chinyere Oparah 2015-12-22 There is a global crisis in maternal health care for black women. In the United States, black women are over three times more likely to perish from pregnancy-related complications than white women; their babies are half as likely to survive the first year. Many black women experience policing, coercion, and disempowerment during pregnancy and childbirth and are disconnected from alternative birthing traditions. This book places black women's voices at the center of the debate on what should be done to fix the broken maternity system and foregrounds black women's agency in the emerging birth justice movement. Mixing scholarly, activist, and personal perspectives, the book shows readers how they too can change lives, one birth at a time.

White Women, Black Men Martha Hodes 2014-07-01 This book is the first to explore the history of a powerful category of illicit sex in America's past: liaisons between Southern white women and black men. Martha Hodes tells a series of stories about such liaisons in the years before the Civil War, explores the complex ways in which white Southerners tolerated them in the slave South, and shows how and why these responses changed with emancipation. Hodes provides details of the wedding of a white servant-woman and a slave man in 1681, an antebellum rape accusation that uncovered a relationship between an unmarried white woman and a slave, and a divorce plea from a white farmer based on an adulterous affair between his wife and a neighborhood slave. Drawing on sources that include courtroom testimony, legislative petitions, pardon pleas, and congressional testimony, she presents the voices of the authorities, eyewitnesses, and the transgressors themselves—and these voices seem to say that in the slave South, whites were not overwhelmingly concerned about such liaisons, beyond the racial and legal status of the children that were produced. Only with the advent of black freedom did the issue move beyond neighborhood dramas and into the arena of politics, becoming a much more serious taboo than it had ever been before. Hodes gives vivid examples of the violence that followed the upheaval of war, when black men and white women were targeted by the Ku Klux Klan and unprecedented white rage and terrorism against such liaisons began to erupt. An era of terror and lynchings was inaugurated, and the legacy of these sexual politics lingered well into the twentieth century.

They Were Her Property Stephanie E. Jones-Rogers 2020-01-07 Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy “Compelling.”—Renee Graham, Boston Globe “Stunning.”—Rebecca Onion, Slate “Makes a vital contribution to our understanding of our past and present.”—Parul Sehgal, New York Times Bridging women’s history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South’s slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

What's Up with White Women? Ilsa Govan 2021-10-19 As a white woman, ask yourself: are you upholding or fighting racism? *What's Up with White Women?* is a practical guide for white women who are interested in becoming more effective in their cross-cultural, anti-racist practices. Blending real-life stories, theory, and anti-racism practices from decades of on-the-ground work, the authors invite white women to understand their gendered role in systemic racism and their unique opportunity for action. Both frank and compassionate, coverage includes: Stories of white women's experiences with sexism, racism, and white privilege How white women harm BIPOC and ourselves by colluding with systems of oppression Why and how white women often hijack race conversations A powerful six-stage identity development model for self-reflection and growth Guiding questions and practical actions for strengthening anti-racism practices Tools to cultivate genuine partnerships with BIPOC individuals and groups. White women are positioned in a power hierarchy between white men and BIPOC. It is time for white women to step up and undertake deep reflection on their role in systemic racism and take concrete actions that support equity and justice for all people.

Beyond the Pale Vron Ware 1992 In this pioneering study, Vron Ware looks at the role of ideas about white women in the history of racism. Her two principal themes are the need to perceive white femininity as a historically constructed category, and the importance of understanding how feminism has developed as a political movement within racist societies. Her goal is to explore political

connections between black and white women by dissecting the different meanings of femininity and womanhood. Written in a variety of voices and styles, *Beyond the Pale* discusses contemporary racism and feminism, developments through the nineteenth century such as the anti-slavery movement, and the British campaign against lynching in the United States. The result is a major contribution to a growing body of anti-racist work which confronts the historical meanings of whiteness and tries to overcome the moralism that so often infuses anti-racism.

My Baby's Father Maureen Rosamond Waller 2002 About one-third of births in the United States occur to unmarried parents. Evidence suggests that children who grow up in families headed by single parents have worse socioeconomic outcomes than those raised by married parents. "Fatherlessness" has become a byword in public debate and policymaking, yet fundamental questions about unmarried parents and their ideas of paternal responsibility remain unanswered. In *My Baby's Father*, Maureen R. Waller draws on interviews with unmarried parents whose children receive welfare to address several basic, vital questions: How do low-income mothers and fathers define the father's obligation to his children and explain irresponsible behavior among fathers? How do they negotiate private arrangements of paternal acknowledgment and support? And how do these informal practices interact with mandatory welfare and child-support regulations? The majority of research on low-income families focuses on single mothers. Waller's book also gives a voice to the fathers, historically either excluded from academic and policy discussions or simply characterized as "deadbeat dads" with no sense of paternal responsibility. By documenting the experiences of African-American and white parents simultaneously, Waller illustrates the extent to which beliefs and practices are likely to cut across racial lines. She also shifts the focus from teenagers to adults, who constitute the largest group of unmarried parents. *My Baby's Father* provides honest glimpses into the lives of unmarried parents. In addition, it offers specific recommendations for social policies that are both better suited to unmarried parents' socioeconomic situations and more responsive to the practices of responsible fatherhood in low-income families.

Whispers In The Woods Stan Lake 2014-10-09 *This is the FULL COLOR version* "This marvelous little devotional book teaches us about God's principles for our lives through the stories of the outdoors and God's creatures. It is amazing how Stan Lake has taken the lessons of life expressed in and through animals, insects, and nature to show with scripture the truth of God's creation. I met Stan when he was a student with us at the Vision for Evangelism for the Next Generation weekend at the Billy Graham Library. His heart is truly that others might know the One who created all. Stan uses nature and the Creator 's words to share creative devotions to build His Kingdom." Tom Phillips Vice President, Billy Graham Evangelistic Association Billy Graham Library "It is with great pleasure I highly recommend STAN LAKE's wonderful book, WHISPERS in the WOODS! He found me through social media, gave a 'whisper' in the dark, and as fate would have it, through his persistence and my time availability, I was able to read it. I was thoroughly expecting a very worthy but 'holier than thou' approach- boy was I ever wrong! Stan has captured the most wonderful Essence of Nature and the Great Spirit in a way that connects us too our roots and Mother Earth, while touching our hearts and spirits with kind and wise words that refresh, nourish and tickle all at the same time. That is no small accomplishment. I am sure Stan would say, he had a guiding hand! If you need something to fill a dark space in your life, this enjoyable and easy read is like a cool drink of fresh water in the desert. This book brought me great joy!" Mykel Hawke TV Host & Producer, Author, Designer, Black Belt and Family Counselor, Retired Special Forces Officer, Military & Contractor Combat Veteran "Stan Lake, clearly loves God and His marvelous creation. This is evident from the many great examples from nature that Stan uses to illustrate Kingdom principles and encourage all to follow Christ. I highly recommend "Whispers' in the Woods". John R. "Stan Lake finds thoughts and messages from the creation he catches and releases those truths to his audience. All ages will enjoy reading the stories and experience personal growth as Stan finds the supernatural contained in the nature around us all." Mike Rakes Lead Pastor, winstonsalemfirst Winston Salem, NC "Nature is always a great teacher when you stop and study it. Stan Lake has shared his revelations from nature and God's word combining them to be truly thought provoking. Stan is a voice crying from and for the wilderness to help us make our ways straight with the Lord's help." Richard Norris DVM MBA Founder of Leading Men Only Perth, Scotland "Stan takes the everyday ignored aspects of creation and applies them to sound biblical teaching that we can all use to develop our walk with God. As someone who prefers to worship God in his creation I can draw a lot of parallels from Stan's teaching and appreciate the truth he reveals through the masters work. Whispers In The Woods will encourage you to pause, value and thank God for all he has done." Clinton Kirkpatrick. Believers Bushcraft County Antrim, Northern Ireland.

Anna Karenina graf Leo Tolstoy 1966 A married woman falls blindly in love with a handsome military officer. Happy families are all alike; every unhappy family is unhappy in its own way. States Leo Tolstoy in his great modern novel of an adulterous affair set against the backdrop of Moscow and St. Petersburg high society in the later half of the nineteenth century. A sophisticated woman who is respectably married to a government bureaucrat, Anna begins a passionate, all-consuming involvement with a rich army officer. Refusing to conduct a discreet affair, she scandalizes society by abandoning both her husband and her young son for Count Vronsky--with tragic consequences. Running parallel is the story of the courtship and marriage of Konstantin Levin (the melancholy nobleman who is Tolstoy's stand-in) and Princess Kitty Shcherbatsky.
