PART 2 HUNTING FOR ANSWERS Wolves HUNTING FOR ...

wolves that have returned on their own, represent the federal government's latest and most arrogant meddling in the landscapes of the rural West. To others, the wolf is a symbol of nature out of control, a little too wild, violent and unpredictable. There are those who view wolves as alternately cuddly and noble. And for some, the wolf represents

Ethiopian Wolves A Species On The Brink photos and story by Robin Biswas With less than 400 breeding individuals left in the wild, the Ethiopian wolf is the world's most rare and endangered canid. Yet, unlike other, more vaunted African species under threat, the Ethiopian wolf has received but a fraction of the conservation

Little Red Riding Hood: Alternative Ending

She'd heard stories about wolves like him. They wooed you with fine words, then gobbled you up for tea. Red wasn't about to let that happen to her. As soon as the wolf was out of sight, Red dashed through the undergrowth, speeding in a direct line towards Granny's house. She had promised her mother not to leave the path, but this was a ...
