*Baby Makers* Gita Aravamudan 2014-07-01 The baby makers are many. The couples who supply the genetic material, the embryologists who create test-tube babies, the gynaecologists who insert embryos into wombs and deliver the babies and, most importantly, the surrogates themselves. Then there are the agents who source the surrogates, organize fertility tourism packages and even arrange for babies to be ordered over the Internet using frozen genetic material supplied by the intending parents. Eggs, sperm and viable embryos can be bought and sold like any commodity. The terrain is complex, there are thorny ethical issues involved and very delicate emotional ones too. This is a book about surrogacy in India and how it transformed itself from a marginalized and socially unacceptable procedure into a multimillion-dollar industry. It is a non-judgemental, open-minded enquiry into surrogacy laws (rather, the lack of them) and the many cogs in the process. *Baby Makers* uses rigorous journalistic research and compelling personal narratives to paint a picture that is as fascinating as it is frightening.

**Riga Hayworth Mysteries 1-3** Kirsten Weiss 2021-04-18 This metaphysical detective has three murders to solve. But will a devilishly handsome casino owner get in the way? Someone's killing psychics in Lake Tahoe, and the police think Riga may be connected to the murders. The best way to prove her innocence? Catch the killer herself... if she can escape the monster-hunting "reality" show she's committed to for long enough. And as the killer circles closer, she may become his next target... If you love talking gargoyles, smart mysteries, and mature heroines with complicated lives, you'll love this special collection of the first three books in the series, including: *The Alchemical Detective*, *The Shamanic Detective*, and *The Infernal Detective*. Read the paranormal mystery series that fans of Patricia Briggs and Ilona Andrews call AMAZING! "A high-voltage, cleverly-spun mystery that I couldn't put down. Riga Hayworth is addictive." - Diana Orgain, USA Today Bestselling Author of the *Motherhood is Murder* mysteries

[Baby Maker](#) M. L. Broome 2021-06-13 *Baby Maker* is part of *Cocky Hero Club*, based on *British Bedmate* by Vi Keeland and *Penelope Ward*. *Calliope: I believe in love. Or I did until*

my husband died. Now, I believe in surviving this world without him. I have a plan mapped out for the rest of my life, and it doesn't involve a man. I've been down that road, and I'm not willing to risk my heart again. Not even for the devastatingly handsome and charming Dr. Keegan Russo, who also happens to be one hell of a kisser. My head has plans, but what happens when my heart can't say no? Keegan: Hot as hell sex with no strings attached. That's my credo. It works, too, until she walks into my office. Calliope. A young widow with totally different priorities than me. There's no future for us, but I can't stay away, either. For the first time, I want something complicated and messy, and I want it with her. But that means breaking the promise I made her on the day we met.

**The Baby Maker** Jule McBride 2012-07-16 Had His Mere Touch Made Her Conceive a Child? He was an enchanting stranger... ...a dark-eyed drifter so compelling, Bitsy Davis bared her soul, telling him she couldn't have children. Her mesmerizing prince comforted her without so much as a single kiss. But weeks later, Bitsy got shocking news: she was pregnant! Now he had to claim her son.... For years the stranger haunted Bitsy's dreams—until she found him hiding in her hometown. Living under an assumed name, "Ambrose Carpenter" had secretly befriended Bitsy's son. And now Bitsy vowed to deny his astonishing claim—that her son was also his!

**Be a Maker** Katey Howes 2019-03-05 How many things can you make in a day? A tower, a friend, a change? Rhyme, repetition, and a few seemingly straightforward questions engage young readers in a discussion about the many things we make—and the ways we can make a difference in the world. This simple, layered story celebrates creativity through beautiful rhyming verse and vibrant illustrations with a timely message.

**Pretend It's My Body** Luke Dani Blue 2022-10-18 Informed by the author's experience in and between genders, this debut collection blurs fantasy and reality, excavating new meanings from our varied dysphorias. In the vein of Carmen Maria Machado, Kelly Link, and Daniel Lavery, these ten short stories ricochet between the lives we wish for and the ones we actually lead. A tornado survivor grapples with a new identity, a trans teen psychic can read only indecisive minds, and a woman informs her family of her plans to upload her consciousness and abandon her body. Ranging from con artists, middle-aged runaways, and prodigal "un-daughters," Luke Dani Blue's cast of misfits insist on marginal lives made central and magical thinking made real. Surreal, darkly humorous, and always deeply felt, *Pretend It's My Body* is bound together by the act of searching—for a story of one's own, for a glimpse of certainty, and for a spark of recognition and human connection.

**Grind** Michael J. McFall 2019-08-06 This Nuts and Bolts of Building a Successful, Self-Sustaining Company In *Grind*, Michael J. McFall, co-CEO of BIGGBY® COFFEE, will help you identify the common sense strategies needed to turn your start-up idea into a positive-cash flow business. Dispensing with the notion that potential business owners require a formal education, he outlines several fundamental areas of importance, keying in on hustle, self-evaluation, and commitment. Having risen from a minimum-wage barista to build a company with over 250 stores in 9 states, McFall writes with the authority of hard-fought achievement. In addition to his calls for "personal due diligence," he goes into detail about crucial business drivers, speaking from his personal and professional experience and including examples of hits and misses along the way. McFall avoids sophisticated descriptions of processes and theories, retaining a down-to-earth approachability throughout the book. Filled with

anecdotes, ideas, and calls to action, Grind provides the insight and expertise aspiring business owners require to reach profitability.

**Doctor Babymaker** Madison Faye 2018-01-20 The doctor is in. Every inch of him... I'm the youngest, brightest, and most hotshot medical director the fertility clinic's ever seen. Nothing gets between me and my job, until Ada Chase walks in. I'm not supposed to touch her, at least, not in the way I want to. She's off limits in so many ways. Too rich. Too innocent. Too never-been-touched. ...Too much my patient. The sheltered young heiress is in my office so her rich, sh\*tty family can see if she's capable of bearing children. And I'm supposed to examine her - every inch of her sweet, tempting body - to check. But I've wanted her since the instant I laid eyes on her, and now I'm obsessed, possessed, and driven like I've never been before. First, I'm going to make her beg. Second, I'll make her mine. And third? Well, third is the best part. Third is me putting a baby in that soft young belly. And after that, I'll steal her away from all of this. F\*\*k the medical code of conduct, forget professionalism, and d\*mn the consequences. Oh, Ada can bear children alright. ...so long as they're mine. I know what you're thinking - this sounds like dirty, filthy doctor-fantasy smut. And if you're thinking that, the good news is, you're entirely correct ;). This book is hot and heavy insta-love and lust at it's finest, with a dominant alpha hero completely obsessed with claiming and making babies with his untouched heroine. Safe, no cheating, and a HEA guaranteed. The doctor will see you take you now...

**A Special Creation** William P. Williams 2019-10-07 A little time travel story: Early in the 4th Millennium AD, the earth is devastated by people in space, and in reprisal, earthling humanity destroys all the Solar System. However, there is a happy ending. The major protagonist goes "back in time" (actually going back in time is logically impossible of course) to guide and control the progress of science. We have chapters of history (the universe, human evolution, religion). People become so advanced that he is arrested and frozen, but he escapes in time for the final resolution of the great war. He is made (babies are not conceived and born in times to come, but designed and made and hatched from replication mechanisms) according to humanity's original design. The most people are hermaphroditic or sexless, but that's the way it is. He has no idea what he's in for when he enters a universe of people like him. He finds that he really likes sex, and the past doesn't regulate reproduction! He's like a god in the ancient past. Who's going to stop him?

Just a Little Misgiving (Shades of Deception, Book 3) Mallory Rush 2013-05-08 Faith Taylor has a secret. Several, actually: One, she's been in love with her sister's husband, Myles Wellington, for years. Two, she's having his baby. Three, he doesn't know it. Myles is consumed with grief, having lost his wife to a terminal illness. Then he discovers that his late wife convinced her sister to be a surrogate to their baby. Torn between fury and gratitude, Myles insists that Faith move in so they can raise the child together, and unknowingly gets too close to Faith's biggest secret of all... until an even bigger secret threatens a loss neither ever imagined. Previously titled: Behind Closed Doors SHADES OF DECEPTION, in series order Just a Little Lie Just a Little Taboo Just a Little Misgiving Just a Little Sin OTHER TITLES by Mallory Rush Outlaws and Heroes, a three book series Bad Boy of New Orleans Hurts So Good Between the Sheets Half-Moon Hearts Kissed by the Beast

The Toll House David Bruce Gardner 2011-05-27 Admission to the Celestial Kingdom can be very costly, as discovered by the wealthy Scottish importer, Malcolm Sinclair. A devout

seeker and converted follower of Mormon Prophet Joseph Smith Jr., Malcolm and his family are held together by the tenacity and love of Katharine Brand. But Katharine has a secret and a confession to make. For her own integrity and salvation she must reveal her truth, even if it threatens to shatter the only family she has known. THE TOLL HOUSE is more than Katharine's story; it is a tale of the cost of one's faith, and the willingness of the faithful to pay the price.

Spitfire in Love Isabelle Ronin 2019-05-28 From the International Phenomenon with over 200 Million Reads on Wattpad She's never at a loss for words. He's determined to have the last one. KARA There he was with his piercing blue eyes and Lucifer black hair. He was leaning against the wall, a lollipop in his mouth, hot as hell and twice as dangerous. Kara Hawthorne never backs down, especially when it comes to protecting her family. CAM She looked so soft, harmless, like a pretty kitten, but she was as safe as a ticking time bomb. My sweet, sweet Spitfire. Cameron St. Laurent isn't intimidated by the feisty woman at his doorstep. And when she asks him for the impossible, Cameron knows just how to sweeten the deal... The two combustible personalities are faced with unavoidable off-the-charts chemistry. But when Cam's dark past shows up, he'll have to slay his demons and lay himself on the line to win Kara, body and soul.

*Forever* Tanya Walia An unfortunate massacre.

A deception that divided the two worlds.

Hands soaked with blood that even time couldn't wash away.

Just when you think that your dreams are turning into reality, an incomplete chapter from the past comes haunting the present.

A long lost lover will try to reclaim what has been stolen from him.

How will an orphan girl Olivia and a centuries old vampire Damien get through this timeless mess?

Tanya Walia started writing at a mere age of 14 with her first piece as a poem about which she dreamed. Always fascinated by the world of fantasy she wrote her first vampire novel 'Forever' on an online platform Wattpad which gained 70k plus readership and won two awards and an honorary mention.

Passionate Devotion: Master Fudd's Beloved Wife Oeste de la Luna She accepted a humiliating request to save her family business. Her father had tragically died after her pregnancy, and her fiance conspired with her stepsister to chase her out from the Mont family. Returning three years later, she had no choice but to provoke the arrogant man to reclaim her late father's villa. However, she was cornered by the man. Trembling, she said, "Mr Fudd, I didn't mean to offend you..." He pondered for a moment and said, "It's too late, I need compensation." Why was he gradually turning the fake marriage into reality? She blushed but he did not care. Amused, he frowned and stared at her. "You have children, what's the point of being so reserved?" With wide eyes, the cute munchkin standing next to her held her hand and said, "Mummy, I want a little brother!"

wanted, and I'd been secretly lusting after her for years. My sister's friend. That first time I saw Calissa was like a right hook to the face, taking me down until there was nothing left. She was my world. She's too young for me, too innocent, but that won't stop me from making her mine. There's no stopping it, no controlling this possessive, primal need to claim her. I'd have Calissa no matter what, as my woman, my wife ... with my baby inside of her. CALISSA It was a forbidden desire to want your best friend's older brother, but it was my reality. Tex was big and strong and a successful owner of a security company. He was definitely all man. I'd thought he'd never see me as anything more than his sister's friend. How wrong I was. No more longing gazes or fantasies that we were together. He knew what he wanted out of life and apparently that was me ... pregnant with his child. Warning: This hero really knows what he wants and that's the heroine and getting her knocked up! But no worries, this story is still sweet-even if it is filthy-and you still get that Happily Ever After.

**Gm & Gs Private Investigation Service** D. H. Crosby 2018-04-16 When you hear people on TV talking about a happily married couple, usually its about who is separating or who is having an affair. Id like to challenge the everyday housewife to step it up! If a hubby wants his wife to be more amorous, then he has to step it up! Why look elsewhere when she is right in front of you? I want my book to be about real married couples and everyday life with all the hassles. My characters are devoted to their families. Their love life is a partnership! There are men and women out there that will be faithful and true! Dont settle for less than the best! I am promoting sex. Yes, within the family! It is the best!

*Revelations of the Fallen* D.E. Phoenix 2012-10-31 Revelation of the fall: The Blasphemy of Astrial Belthromoto The name of the book is called Revelation of the Fallen: The Blasphemy of Astrial Belthromoto. The story begins at the end of creation, the end of our lives in this universe and the destruction of them by a being called Eversor. The main character Astrial is a fallen angel telling the story from his perspective beyond the creation of this universe and into a reality where the a Creator of all Creator resides. He was the angel of intelligence and the most high scribe before he fell himself. He takes you through his torment by Evil and how he is forced to chose between these world that he doesn't really belong to. He shares insight into how evil was born and most importantly how everything we think we know about good and evil is really motivated by agendas. He introduces you to the four Eternals that have a lot to with how this story plays out. He then gives you insight into the war in heaven, the fall of the angels and how a small decision by a being led to this obsession with man. He gives you the history of the earth and the makers of mankind and their civilizations that still exist today. He leads you out of the garden of Eden and shows you the very rocky relationship between Adam and eve. Astrial finally leads you into the final wars of mankind when there was ordered a mass exodus from this planet leaving us totally alone.

**Don't Let My Baby Do Rodeo** Boris Fishman 2016-03-01 The author of the critically admired, award-winning *A Replacement Life* turns to a different kind of story—an evocative, nuanced portrait of marriage and family, a woman reckoning with what she's given up to make both work, and the universal question of how we reconcile who we are and whom the world wants us to be. Maya Shulman and Alex Rubin met in 1992, when she was a Ukrainian exchange student with “a devil in [her] head” about becoming a chef instead of a medical worker, and he the coddled son of Russian immigrants wanting to toe the water of a less predictable life. Twenty years later, Maya Rubin is a medical worker in suburban New Jersey, and Alex his father's second in the family business. The great dislocation of their lives is their eight-year-old son Max—adopted from two teenagers in Montana despite Alex's view that “adopted children are second-class.” At once a salvation and a mystery to his parents—with whom Max's biological mother left the child with the cryptic exhortation “don't let my baby do rodeo”—Max suddenly turns feral, consorting with wild animals, eating grass, and running away to sit face down in a river. Searching for answers, Maya convinces Alex to embark on a cross-country trip to Montana to track down Max's birth parents—the first drive west of New Jersey of their American lives. But it's Maya who's illuminated by the journey, her own erstwhile wildness summoned for a reckoning by the unsparing landscape, with seismic consequences for herself and her family. *Don't Let My Baby Do Rodeo* is a novel about the mystery of inheritance and what exactly it means to belong.
