The Bock Saga Carl Borgen 2019-04-10 The Bock Saga is the story of mankind as passed down through the generations of the Bock family, whom, according to Ior Bock, was the keeper of an ancient oral tradition that sheds light on the time period from the beginning of prehistory -- also called "Paradiset" -- to the present time. It begins with the first two people dwelling on this earth and

ends with the untimely and tragic death of Ior Bock in 2010. It covers a huge time span and an enormous number of events have taken place since then. The Bock Saga narrates this all in great detail. It is, in short, an enormous story...

Truth Decay Douglas Groothuis 2009-09-20 A 2001 Christianity Today Award of Merit winner! The concept of truth as absolute, objective and universal has undergone serious deterioration in recent years. No longer is it a goal for all to pursue. Rather postmodernism sees truth as inseparable from culture, psychology, race and gender. Ultimately, truth is what we make it to be. What factors have accelerated this decay of truth? Why are people willing to embrace such a devalued concept? How does this new view compare and contrast with a Christian understanding? While postmodernism contains some truthful insights (despite its attempt to dethrone truth), Douglas Groothuis sees its basic tenets as intellectually flawed and hostile to Christian views. In this spirited presentation of a solid, biblical and logical perspective, Groothuis unveils how truth has come under attack and how it can be defended in the vital areas of theology, apologetics, ethics and the arts.

The Storyteller Antonia Michaelis 2012-01-16 The award-winning YA author weaves "an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love's unfathomable ways" (Kirkus). They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality.
