Tooth and Claw T. C. Boyle 2011-07-01 This new collection of short stories from

T.C. Boyle finds him at his mercurial best. Inventive, wickedly funny, sometimes disturbing, these are stories about drop-outs, deadbeats and kooks. Take the man who shares his apartment with a wildcat won in a drunken bet; the drive-time shock jock hallucinating from sleep deprivation for a publicity stunt; the suburban woman who joins a pack of dogs, eating rabbits and baying at the moon. With a unique deftness of touch and a keen eye for the telling detail, Boyle has mapped the strange underworld of America.

**Beggar's Garden** Michael Christie 2011-01-25 Longlisted for the 2011 Scotiabank Giller Prize Critically lauded, *The Beggar's Garden* is a brilliantly surefooted, strikingly original collection of nine linked short stories that will delight as well as disturb. The stories follow a diverse group of curiously interrelated characters, from bank manager to crackhead to retired Samaritan to web designer to car thief, as they drift through each other's lives in Vancouver's Downtown Eastside. These engrossing stories, free of moral judgment, are about people who are searching in the jagged margins of life—for homes, drugs, love, forgiveness—and collectively they offer a generous and vivid portrait of humanity, not just in Vancouver but in any modern urban centre. *The Beggar's Garden* is a powerful and affecting debut. Its individual stories have been anthologized in *The Journey Prize Stories* and have been nominated for major awards, including a National Magazine Award for fiction. The collection has been longlisted for the Frank O'Connor International Short Story Award.

However, arbitrariness, bandits, corruptions and more dangers lay in wait. Read about this enormous adventure, experience the fight for survival and unique story of two horses growing together ... and coming home as three.

**Couchsurfing in Iran** Stephan Orth 2018-05-01 A modern-day glimpse into the surprising reality of life in Iran. Iran: A destination that is seldom seen by westerners yet often misunderstood. A country that simultaneously "enchants and enrages" those who visit it. A place where leading a double life has become the norm. In *Couchsurfing in Iran*, award-winning author Stephan Orth spends sixty-two days on the road in this mysterious Islamic republic to provide a revealing, behind-the-scenes look at life in one of the world's most closed

societies. Through the unsurpassed hospitality of twenty-two hosts, he skips the guidebooks and tourist attractions and travels from Persian carpet to bed to cot, covering more than 8,400 kilometers to recount "this world's hidden doings." Experiencing daily what he calls the "two Irans" that coexist side by side—the "theocracy, where people mourn their martyrs" in mausoleums, and the "hide-and-see-ocracy, where people hold secret parties and seek worldly thrills instead of spiritual bliss"—he learns that Iranians have become experts in navigating around their country's strict laws. Though couchsurfing is officially prohibited in Iran—the state fears spies would be able to travel undetected through the country—more than a hundred thousand Iranians are registered with online couchsurfing portals. And thanks to these hospitable, English-speaking strangers, Orth gets up close and personal with locals, peering behind closed doors and blank windows to uncover the inner workings of a country where public show and private reality are strikingly opposed.

**Long Way Round** Ewan McGregor 2013-04-11 'A highly readable and spiritually uplifting book about a dream come true' Wanderlust 'Touching and memorable ... one for armchair travellers and bike freaks' Daily Mail From London to New York, Ewan and Charley chased their shadows through Europe, the Ukraine, Kazakhstan, Mongolia and Russia, across the Pacific to Alaska, then down through Canada and America. But as the miles slipped beneath the tyres of their big BMWs, their troubles started. Exhaustion, injury and accidents tested their strength. Treacherous roads, unpredictable weather and turbulent politics challenged their stamina. They were chased by paparazzi in Kazakhstan, courted by men with very large guns in the Ukraine, hassled by the police, and given bulls' testicles for supper by Mongolian nomads. And yet despite all these obstacles they managed to ride more than twenty thousand miles in four months, changing their lives forever in the process. As they travelled they documented their trip, taking photographs, and writing diaries by the campfire. Long Way Round is the result of their adventures - a fascinating, frank and highly entertaining travel book about two friends riding round the world together and, against all the odds, realising their dream.

*The Good Angel of Death* Andrey Kurkov 2010 When Kolya moves into a new flat in Kiev, he discovers an annotated manuscript hidden inside a copy of War and Peace and decides to track down its author, even if it means digging up the grave of a Ukrainian nationalist who died in mysterious circumstances. An exhumation reveals that an item of great national importance is buried near a fort in Kazakstan so when, during his night shift as a security guard, Kolya is threatened with mysterious phone calls, he sets off on what turns out to be a very bizarre journey. Along the way he meets a host of unlikely characters including Bedouins, ex-KGB officers and a spirit-like companion in the form of a chameleon. From the author of cult bestseller, *Death and the Penguin*.

Robert Frank Ute Eskildsen 2010-05-31 Originally published to coincide with Robert Frank's exhibition *HOLD STILL\_keep going* at Germany's Museum Folkwang, Essen, in 2001, this book explores the filmic aspects of Frank's photography. The interaction between the still and moving image permeates Frank's oeuvre, from his early still photographs, to his concentration on filmmaking in the 1960s and his use of both thereafter. Adopting a non-chronological approach that juxtaposes work from a career spanning more than 60 years, this volume collects prints, film stills and collages, as well as sequences of still photography arranged like fragments from films. Frank's use of text is also crucial, both in his films (in the form of scripted and improvised dialogue), and through words handwritten on the photographs.

**Right Beyond the Horizon** Christopher Many 2016-09-19 \* Right Beyond the Horizon tells the gripping tale of Christopher's latest voyage between 2012 and 2016: a motorcycle adventure from Germany to Australia \* This time, he's taken a right beyond the horizon... What if the journey of a lifetime becomes a lifelong journey? When people say "life's a journey," some take this aphorism more literally than others. Christopher Many embarked on an overland trip in 1997, believing he'd spend no more than a year or two on the road. Well, that didn't quite work out as planned; 19 years have passed, and he is still somewhere out there, doing what he loves most: circumnavigating the globe with vehicles of questionable reliability in a quest to understand, through first-hand experience, what makes humanity "tick". Right Beyond the Horizon tells the gripping tale of Christopher's latest voyage between 2012 and 2016: a motorcycle adventure from Germany to Australia, together with his partner Laura Pattara. Their modern-day odyssey follows the ancient Silk Road from Europe to Central Asia, then across the Pamir Mountains into China, where Christopher and Laura become the first overlanders with a foreign vehicle to obtain legal permission to transit the Middle Kingdom unescorted. Four years later they reach the harbor of Denpasar on the Indonesian island of Bali the gateway to

Australia and terminus of the classic trans-Asia overland route. Come along for an exhilarating ride around the global block with this unusual vagabond and witness all the joys and hardships such a lifestyle entails every day will be full of surprises and utterly unpredictable! However, you should also be warned: some roads detour into the shadows where the scales of global justice are imbalanced and humanity's failings are all too evident. There's also a major risk that, after the last page, you'll feel inspired to pack your rucksack, free yourself from modern society's constraints and head off into the sunset indefinitely. You wouldn't be the first...

The Angel Tiffany Reisz 2013 Infamous erotica author and accomplished dominatrix Nora Sutherlin is doing something utterly out of character: hiding. While her longtime lover, Søren -- whose fetishes, if exposed, would be his ruin -- is under scrutiny pending a major promotion, Nora's lying low and away from temptation in the lap of luxury. Her host, the wealthy and uninhibited Griffin Fiske, is thrilled to have Nora stay at his country estate -- especially once he meets her travelling companion. Young, inexperienced and angelically beautiful, Michael has become Nora's protégé, and this summer with Griffin is going to be his training, where the hazing never ends. But while her flesh is willing, Nora's mind is wandering. To thoughts of Søren, her master, under investigation by a journalist with an axe to grind. And to another man from Nora's past, whose hold on her is less bruising, but whose secrets are no less painful. It's a summer that will prove the old adage: love hurts.

*Sad Topographies* Damien Rudd 2017-11-09 *Sad Topographies* is an illustrated guide for the melancholic among us. Dispirited travellers rejoice as Damien Rudd journeys across continents in search of the world's most joyless place names and their fascinating etymologies. Behind each lugubrious place name exists a story, a richly interwoven narrative of mythology, history, landscape, misadventure and tragedy. From Disappointment Island in the Southern Ocean to Misery in Germany, across to Lonely Island in Russia, or, if you're feeling more intrepid, pay a visit to Mount Hopeless in Australia -- all from the comfort of your armchair. With hand drawn maps by illustrator Kateryna Didyk, *Sad Topographies* will steer you along paths that lead to strange and obscure places, navigating the terrains of historical fact and imaginative fiction. At turns poetic and dark-humoured, this is a travel guide quite like no other. Damien Rudd is the founder of the hugely popular Instagram account @sadtopographies.

*Eliza's Daughter* Joan Aiken 2008-11-01 A Young Woman Longing for Adventure and an Artistic Life... Because she's an illegitimate child, Eliza is raised in the rural backwater with very little supervision. An intelligent, creative, and free-spirited heroine, unfettered by the strictures of her time, she makes friends with poets William Wordsworth and Samuel Coleridge, finds her way to London, and eventually travels the world, all the while seeking to solve the mystery of her parentage. With fierce determination and irrepressible spirits, Eliza carves out a life full of adventure and artistic endeavor. PRAISE FOR JOAN AIKEN "Others may try, but nobody comes close to Aiken in writing sequels

to Jane Austen." PublishersWeekly "Aiken's story is rich with humor, and her language is compelling. Readers captivated with Elinor and Marianne Dashwood in Sense and Sensibility will thoroughly enjoy Aiken's crystal gazing, but so will those unacquainted with Austen." Booklist "...innovative storyteller Aiken again pays tribute to Jane Austen in a cheerful spinoff of Sense and Sensibility." Kirkus Reviews

**Almost Like Spring** Alex Capus 2014-04-01 With brilliantly vivid irony, a mosaic of voices tells the true story of Switzerland's most notorious bank robbers: Kurt Sandweg and Waldemar Velte. As 1933 draws to a close, the pair arrive in Basel from Wuppertal, Germany. Rebels on the run, they are searching for an escape from the confines of a callously regimented society left impoverished by the Depression and the onset of Nazi power. However, their desperation leads them to a realm outside reality, on a destructive path of vengeance for the world's abhorrent lack of justice. Resolute on their doomed mission, neither expected to fall in love. Seen through the benign eyes of Dorly Schupp, the agonising humanity of their relationships are sharply juxtaposed against the reckless cruelty of their crimes. Yet in a world equally heartless and unremitting, who should shoulder the blame? Capus relates the portrait of these chillingly charismatic figures in a curious blend of documentary and narrative where precision of detail collides with an economy of emotion, and leaves the desolation of their situation stark and blindingly poignant. Suspended between the tragic and comic, Capus's novel mimics the absurd idiosyncrasies of life where often nothing but interpretation is left to determine the sacred from the profane.

Radical Empathy Givens, Terri 2021-02-25 Renowned political scientist Terri Givens calls for 'radical empathy' in bridging racial divides to understand the origins of our biases, including internalized oppression. Deftly weaving together her own experiences with the political, she offers practical steps to call out racism and bring about radical social change.

New York Jackie Bridget Watson Payne 2014-03-11 As familiar as we are with images of Jacqueline Kennedy Onassis, the charming former first lady, fewer know the dynamic woman who called New York City home. Shortly after JFK's assassination in 1964, Jackie moved to Manhattan and lived there for the next three decades. This intimate collection of photographs celebrates her life in the city as a mother, book editor, style icon, and most of all, a New Yorker. Eating ice cream with her kids on Fifth Avenue, working with authors at Doubleday Books, riding her bike through Central Park—these images capture the real-life joy, creative passion, and effortless grace of New York Jackie.

**The Book of Questions** Gregory Stock Ph.D. 2013-09-10 The phenomenon returns! Originally published in 1987, The Book of Questions, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100

all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? The Book of Questions may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

**Touching From a Distance** Deborah Curtis 2014-10-16 The only in-depth biographical account of the legendary lead singer of Joy Division, written by his widow. Includes a foreword by Jon Savage and an introduction by Joy Division drummer, Steven Morris. Revered by his peers and idolized by his fans, Ian Curtis left behind a legacy rich in artistic genius. Mesmerizing on stage but introverted and prone to desperate mood swings in his private life, Curtis died by his own hand on 18 May 1980. Touching from a Distance documents how, with a wife, child and impending international fame, Curtis was seduced by the glory of an early grave. Regarded as the essential book on the essential icon of the post-punk era, Touching from a Distance includes a full set of Curtis's lyrics and a discography and gig list.

Unter anderem durchquerten sie in dreieinhalb Jahren auf der Panamericana die USA, Zentral- und Südamerika. Er lernte Russisch in der Schule, begeisterte sich früh für russische Literatur und reiste das erste Mal mit 18 Jahren durch die Sowjetunion von Moskau bis in den Kaukasus. Es folgte ein weiterer Aufenthalt kurz nach Auflösung der Sowjetunion Anfang der 90-er Jahre und schließlich eine mehrmonatige Reise mit dem Wohnmobil bis zum Baikalsee.

Left Beyond the Horizon Christopher Many 2015-07 200,000 kilometres in 3,000 days across five continents. Or in other words, just 66 kilometres a day on average which is quite enough for a 30-year-old Land Rover. Amidst the Scottish Highlands, battered by the elements, stands a neglected Land Rover. It does not seem to be the ideal vehicle for a trip around the world, but Christopher Many believes otherwise. He has the dream of embarking on a tour de force to the frozen wastelands of Siberia, North and South America, and across the continent of Africa equipped with little more than a passport, credit card and full tank of petrol. His goal? To explore strange new worlds and boldly go where no Land Rover has gone before. Intelligently and with perseverance, Christopher scours the globe from Mongolia to Somaliland to find out what makes the earth tick. Soon enough the adventure turns into a sprawling n-dimensional tapestry of philosophical conundrums, rollercoaster emotions and first-hand observations in 100 countries. When he pulls on a few loose threads, a Pandora's box of information is released, often at odds with conventional Western views. Christopher returns eight years later exhausted, snake-bitten and malaria-infected but with a few prized cogwheels in his knapsack, a greater understanding of the world we live in, and with the love of his life. Equal parts sophisticated lexicon on global affairs and darkly witty travel chronicle, his book presents a vivid picture of the adventures, agonies and joys of world travel, and asks some very uncomfortable questions truly going where few have gone before. Take a ride in Matilda's passenger seat next to

this vagabonding philosopher, provided you are not in a rush ..."

Die Sammlung F.C. Gundlach F. C. Gundlach 2015 Born in Germany in 1926, F. C. Gundlach is best known for his iconic fashion photography during the postwar period, but he is also a passionate art collector who created a remarkable compendium of photographs and multimedia art by famous contemporary artists. Accompanying an exhibition of Gundlach's collection at the Contemporary Fine Arts gallery in Berlin, this catalog offers the first opportunity to reconstruct the view of photography as a medium in juxtaposition with these artists' paintings and sculptures. Inspired by Albert Oehlen's 1986 view that "the medium of photography has the right to be thought-provoking," Gundlach acquired works by important artists--including Oehlen, Werner Büttner, Günther Förg, Sigmar Polke, and Georg Herold--whose anarchic will toward self-expression, wit, and caustic criticism were shaped into works of art that spanned a variety of media. Using illustrations and accompanying essays, this book provides insight into the spirit of the conditions under which these works were produced and presents an overview of the fascinating breadth of the medium of photography. Featuring a wealth of full-color illustrations, F. C. Gundlach Collection also includes a conversation among Gundlach, Wilhelm Schürmann, and Bruno Brunnet.

*Berlin 1936* Oliver Hilmes 2019-06-06 LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR AWARD 2018 'Compelling, suspenseful and beautifully done' Anna Funder, author of STASILAND A captivating account of the Nazi Olympics - told through the voices and stories of those who were there. For sixteen days in the summer of 1936, the world's attention turned to the German capital as it hosted the Olympic Games. Seen through the eyes of a cast of characters - Nazi leaders and foreign diplomats, athletes and journalists, nightclub owners and jazz musicians - Berlin 1936 plunges us into the high tension of this unfolding scene. Alongside the drama in the Olympic Stadium - from the triumph of Jesse Owens to the scandal when an American tourist breaks through the security and manages to kiss Hitler - Oliver Hilmes takes us behind the scenes and into the lives of ordinary Berliners: the woman with a dark secret who steps in front of a train, the transsexual waiting for the Gestapo's knock on the door, and the Jewish boy hoping that Germany may lose in the sporting arena. During the sporting events the dictatorship was partially put on hold; here then, is a last glimpse of the vibrant and diverse life in Berlin in the 1920s and 30s that the Nazis aimed to destroy.

**The Big Five for Life** John P. Strelecky 2010 Thomas Derale, a mild-mannered businessman from Chicago, embodies leadership's greatest secret: his companies make fortunes, his people love him, and his customers are willing to wait weeks just to do business with him. At age 55, though, Derale is dying, and through a series of final encounters with key people in his life - primarily his wife, Maggie, and Joe, who regards Thomas as his mentor - we learn about his life, his unique business insights, and the true impact the man and his work has had on the people around him. A business parable with a difference, THE BIG FIVE FOR LIFE is a story of great leadership, savvy decision-making and is a

powerful reminder that successful leaders are not just in the business of business - they are in the business of life.
