Agricultural English Georgeta Rață 2012-04-25 Agricultural English is a collection of essays on the English of Agriculture. The approach is a linguistic one: the different aspects of the English used in the field of agriculture (agricultural practices, agricultural systems) and in some fields related to agriculture (agricultural zoology, agri-tourism, biology, botany, ecology, entomology, gastronomy, land measurement, plant pathology, zoology) are analysed from a morphological (combination, derivation),

syntactical (nominal phrases, verbal phrases), lexical and lexicographical, semantic (homonymy, semantic fields, synonymy, terminology), pragmatic (academic discourse, idiom, metaphor), etymological (etymon, Latin heritage), and contrastive (English–Croatian, English–French, English–German, English–Romanian, Romanian–English) points of view. The book will appeal to agriculturists, animal breeders, professors, researchers, students, and translators from Croatian-, English-, French-, German-, and Romanian-speaking countries, active in their own countries or abroad. The types of academic readership it would appeal to include academic teaching staff, researchers and students in the fields of agriculture and related fields - agricultural zoology, agri-tourism, biology, botany, ecology, entomology, gastronomy, land measurement, plant pathology, and zoology.

This series is perfect for fans of Lauren Kate, Holly Black, Cassandra Clare, Ally Condie, and Richelle Mead. What people are saying about the first three Nightshade novels: "A book for well-read hopeless romantics who like their heroines conflicted, their love interests smoldering, and their passions triangulated and torrid." --The Los Angeles Times "Sexy and intoxicating, filled with action, suspense and definitely romance." --Romantic Times Book Reviews "Will keep you reading intently." --Entertainment Weekly "Intensely romantic." --Justine Magazine

Nightshade Andrea Cohen 2019 The poems in Andrea Cohen's Nightshade, her sixth full-length collection, are constructed from the wisdom of loss--of lovers and loved ones and a world gone awry. Cohen builds a short poem the way a master carpenter does a tiny house, in lines that are both economic and precise, with room enough for sorrow and wit to exist comfortably in their spaces. The great pleasure in reading these poems is their surprise in the way the endings arrive again and again in startling truths: The bride whose dress is sewn "from a hundred/tattered flags/of surrender" and the ever-present reminder of the title poem that the things of this world are both "poison and . . . balms" that "We /call . . . bitter- / sweet--what / living isn't?"

Last Call at the Nightshade Lounge Paul Krueger 2016-06-07 In this sharp and funny urban fantasy novel, booze is magic, demons are real, and millennial Bailey Chen joins a band of monster-fighting Chicago bartenders instead of finding a "real" post-college job. Bailey Chen is fresh out of college with all the usual new-adult demons: no cash, no job offers, and an awkward relationship with Zane, the old friend she kinda-sorta hooked up with during high school. But when Zane introduces Bailey to his monster-fighting bartender friends, her demons become a lot more literal. It turns out that evil creatures stalk the city streets after hours, and they can be hunted only with the help of magically mixed cocktails: vodka grants super-strength, whiskey offers the power of telekinesis, and rum lets its drinker fire blasts of elemental energy. But will all these powers be enough for Bailey to halt a mysterious rash of gruesome deaths? And what will she do when the safety of a "real world" job beckons? This sharp and funny urban fantasy is perfect for fans of Buffy the Vampire Slayer, Scott Pilgrim Vs. The World, and grown-up readers of Harry Potter. Includes 14 recipes from a book of ancient cocktail lore.
