Berthe Morisot: 165 Paintings and Drawings Maria Tsaneva 2014-01-14 Berthe Morisot was a painter and a member of the circle of painters in Paris who became known as the Impressionists. She was described by Gustave Geffroy in 1894 as one of "les trois grandes dames" of Impressionism alongside Marie Bracquemond and Mary Cassatt. Morisot painted what she experienced on a daily basis. Her paintings reflect the 19th-century cultural restrictions of her class and gender. She avoided urban and street scenes as well as the nude figure and, like her fellow female Impressionist Mary Cassatt, focused on domestic life and portraits in which she could use family and personal friends as models. Paintings like *The Cradle* (1872), in which she depicted current trends for nursery furniture, reflect her sensitivity to fashion and advertising, both of which would have been apparent to her female audience. Her works also include landscapes, portraits, garden settings and boating scenes.

Growing Up with the Impressionists Julie Manet 2017-08-24 Julie Manet, the niece of Edouard Manet and the daughter of the most famous female Impressionist artist, Berthe Morisot, was born in Paris on 14 November 1878 into a wealthy and cultured milieu at the height of the Impressionist era. Many young girls still confide their inner thoughts to diaries and it is hardly surprising that, with her mother giving all her encouragement, Julie would prove to be no exception to the rule. At the age of ten, Julie began writing her 'memoirs' but it wasn't until August 1893, at fourteen, that Julie began her diary in earnest: no neat leather-bound volume with lock and key but just untidy notes scribbled in old exercise books, often in pencil, the presentation as spontaneous as its contents. Her extraordinary diary - newly translated here by an expert on Impressionism - reveals a vivid depiction of a vital period in France's cultural history seen through the youthful and precocious eyes of the youngest member of what was surely the most prominent artistic family of the time.

Berthe Morisot's Images of Women Anne Higonnet 1992 Impressionist paintings. Higonnet presents a clear picture of visual traditions that, though very much a part of Morisot's world and work, figure only marginally in art history. Amateur picture making, for instance, was enormously popular among nineteenth-century women. Higonnet locates Morisot's origins in this private practice, then traces her reactions to an industrialized

feminine imagery characterized by consumption and dominated by the fashion plate. This.

La Luministe Paula Butterfield 2019-03-15 A fictional novel that focuses upon the turbulent life and times of one of the founders of the Impressionist movement: Berthe Morisot. This novel was awarded a first prize in historical fiction from the Chanticleer Reviews writing contest.

The History of Art A. N. Hodge 2016-07-15 From the glories of the High Renaissance in Italy to the emotional visions of the Romantics, and from the groundbreaking techniques of the Impressionists to the radical canvases of the Abstract Expressionists, this book provides a fascinating look at the major movements in the history of Western painting. A clear chronological structure allows the reader to see each movement in its historical context and to appreciate the patterns that emerge. The historical framework shows the extent to which the powers of royalty, religion, and revolution have exerted their influence in the artistic sphere.

I Always Loved You Robin Oliveira 2015-03-31 A story of Mary Cassatt and Edgar Degas, from the New York Times bestselling author of *My Name Is Mary Sutter* Robin Oliveira's latest novel, *Winter Sisters*, will be available in February from Viking The young Mary Cassatt never thought moving to Paris after the Civil War to be an artist was going to be easy, but when, after a decade of work, her submission to the Paris Salon is rejected, Mary's fierce determination wavers. Her father is begging her to return to Philadelphia to find a husband before it is too late, her sister Lydia is falling mysteriously ill, and worse, Mary is beginning to doubt herself. Then one evening a friend introduces her to Edgar Degas and her life changes forever. Years later she will learn that he had begged for the introduction, but in that moment their meeting seems a miracle. So begins the defining period of her life and the most tempestuous of relationships. In *I Always Loved You*, Robin Oliveira brilliantly re-creates the irresistible world of Belle Époque Paris, writing with grace and uncommon insight into the passion and foibles of the human heart. For readers of *The Painted Girls* by Cathy Marie Buchanan.

Discovering Women Artists for Children Jennifer Tarr Coyne 2005-03-01 COME LOOK WITH ME: DISCOVERING WOMEN ARTISTS FOR CHILDREN introduces children to twelve magnificent works of art. Children will share the excitement of Sofonisba Anguissola and her sisters; and feel their determination as they play in "The Chess Player." They will relax with Mary Cassatt in "The Tea Party," looking at how women lived, and ask questions about the roles women take. Children will also have fun examining their own faces and dress with Frieda Kahlo's "Self Portrait With Monkey." In this study of women artists, children will become familiar with painters who are often forgotten in art history books because of their gender. All these works are striking images, created by women who would not let society's gender biases deter their love of art and their creativity, and who, today, can be accepted as equals. From the medieval realism in Artemesia Gentileschi's "Lute Player," to the Impressionism of Berthe Morisot's "The Coiffure," children can explore what differences there are in a woman's way of painting and what they see. They can end up softly with Grandma Moses' "Sugaring Off," or they can tease out the story in Faith Ringgold's "Love in the School Yard."

Lydia Cassat Reading the Morning Paper Harriet Scott Chessman 2001-10-02 Harriet Scott Chessman takes us

into the world of Mary Cassatt's early Impressionist paintings through Mary's sister Lydia, whom the author sees as Cassatt's most inspiring muse. Chessman hauntingly brings to life Paris in 1880, with its thriving art world. The novel's subtle power rises out of a sustained inquiry into art's relation to the ragged world of desire and mortality. Ill with Bright's disease and conscious of her approaching death, Lydia contemplates her world narrowing. With the rising emotional tension between the loving sisters, between one who sees and one who is seen, Lydia asks moving questions about love and art's capacity to remember. Chessman illuminates Cassatt's brilliant paintings and creates a compelling portrait of the brave and memorable model who inhabits them with such grace. *Lydia Cassatt Reading the Morning Paper* includes five full-color plates, the entire group of paintings Mary Cassatt made of her sister.

Painting in a Man's World Diane Broeckhoven 2008 Fiction by Diane Broeckhoven, Noelle Chatelet, Annette Pehnt, Alissa Walser.

Mary Cassatt Rachael Morlock 2018-12-15 As an American woman in 19th century Paris, Mary Cassatt was an unlikely force in the French Impressionist movement. Today, Cassatt is known for her intimate studies of women and children. Readers discover how Cassatt independently forged her artistic path, despite the restrictions female artists faced at that time. Full-color photographs trace the evolution of Cassatt's work as it elevated everyday women's lives to the realm of fine art. Readers explore the artistic and historic contexts for Cassatt's work through detailed text and sidebars, while annotated excerpts from personal letters and other primary sources illuminate Cassatt's life and legacy.

Cassatt Natalia Brodskaya 2014-01-07 Mary was born in Pittsburgh. Her father was a banker of liberal educational ideas and the entire family appears to have been sympathetic to French culture. Mary was no more than five or six years old when she first saw Paris, and she was still in her teens when she decided to become a painter. She went to Italy, on to Antwerp, then to Rome, and finally returned to Paris where in 1874, she permanently settled. In 1872, Cassatt sent her first work to the Salon, others followed in the succeeding years until 1875, when a portrait of her sister was rejected. She divined that the jury had not been satisfied with the background, so she re-painted it several times until, in the next Salon, the same portrait was accepted. At this moment Degas asked her to exhibit with him and his friends, the Impressionist Group, then rising into view, and she accepted with joy. She admired Manet, Courbet and Degas, and hated conventional art. Cassatt's biographer stressed the intellectuality and sentiment apparent in her work, as well as the emotion and distinction with which she has painted her favourite models: babies and their mothers. He then speaks of her predominant interest in draughtsmanship and her gift for linear pattern, a gift greatly strengthened by her study of Japanese art and her emulation of its style in the colour prints she made. While her style may partake of the style of others, her draughtsmanship, her composition, her light, and her colour are, indeed, her own. There are qualities of tenderness in her work which could have been put there, perhaps, only by a woman. The qualities which make her work of lasting value are those put there by an outstanding painter.

Mary Cassatt Griselda Pollock 2022-04-07 A close ally of Camille Pissarro, Berthe Morisot and Edgar Degas, Mary Cassatt was the only American painter at the heart of the Impressionist group in Paris. Highly respected on both sides of the Atlantic, Cassatt was a forthright advocate for women's intellectual, creative and political emancipation. She brought her discerning gaze and compositional inventiveness across many media to the subtle social interactions of women in public and private spaces, such as at the theatre, and in moments of intimacy with children, where she was one of the most attentive and unsentimental analysts of the infant body and the child's emerging personality. Tracing key moments in Cassatt's long career, art historian Griselda Pollock highlights Cassatt's extensive artistic training across Europe, analysing her profound study of Old Masters while revealing her intelligent understanding of both Manet and Courbet. Pollock also provides close readings of Cassatt's paintings and her singular vision of women in modernity. Now revised with a new preface, updates to the bibliography and colour illustrations throughout, this book offers a rich perspective on the core concerns of a major Impressionist artist through the frames of class, gender, space and difference.

Cassatt Nathalia Brodskaya 2011-07-01 The painter Mary Cassatt stands out among the mainly French male artists of Impressionism for being both female and American. Her paintings often portray women in everyday situations and convey exceptional tenderness. This book offers a selection of her most striking works and, with its convenient format, makes a perfect gift.

A Companion to Impressionism André Dombrowski 2024-02-27 A Companion to Impressionism Presenting an expansive view of the study of Impressionism, this pioneering volume breaks new thematic ground while also reconsidering questions concerning the definition, chronology, and membership of the impressionist movement. In 34 original essays from established and emerging scholars, this collection offers a diverse range of developing topics and new critical approaches to the interpretation of impressionist art. Focusing on the 1860s to 1890s, A Companion to Impressionism explores artists who are well-represented in impressionist studies, including Monet, Renoir, Degas, and Cassatt, as well as Morisot, Caillebotte, Bazille, and other significant yet lesser-known artists. The essays cover a wide variety of methodologies in addressing such topics

as Impressionism's global predominance at the turn of the 20th century, the relationship between Impressionism and the emergence of new media, the materials and techniques of the Impressionists, as well as the movement's exhibition and reception history. This innovative volume also includes new discussions of modern identity in Impressionism in the contexts of race, nationality, gender, and sexuality and through its explorations of the international reach and influence of Impressionism. Part of the acclaimed Wiley Blackwell Companions to Art History series, this important addition to scholarship in this field stands as the 21st century's first major and large-scale academic reassessment of Impressionism. Featuring essays by academics, curators, and conservators from around the world, including those from France, Germany, the United States, the United Kingdom, Japan, Turkey, and Argentina, this is an invaluable text for students and scholars studying Impressionism and late 19th-century European art, Post-Impressionism, modern art, and modern French cultural history.

Women in Impressionism Susan Elizabeth Strauber 2006 This title presents a thorough analysis of how the concepts of 'woman' and 'femininity' unfold inside the broader spectrum of Impressionist painting by male as well as female artists.

The Women Impressionists Russell T. Clement 2000 Biographical, historical, and critical information about Mary Stevenson Cassatt, Berthe Morisot, Eva Gonzales, and Marie Bracquemond, four major women Impressionist artists.

Domestic Space in France and Belgium Claire Moran 2022-01-13 Domestic Space in France and Belgium offers a new addition to the growing body of work in Interior Studies. Focused on late 19th and early 20th-century France and Belgium, it addresses an overlooked area of modernity: the domestic sphere and its conception and representation in art, literature and material culture. Scholars from the US, UK, France, Italy, Canada and Belgium offer fresh and exciting interpretations of artworks, texts and modern homes. Comparative and interdisciplinary, it shows through a series of case-studies in literature, art and architecture, how modernity was expressed through domestic life at the turn of the century in France and Belgium.

Colours of Impressionism: Masterpieces from the Musée d'Orsay Paul Perrin 2018-01-31 One of the great innovations of the Impressionists was their radical use of colour: their application of strokes of complementary or contrasting hues captured the shifting effects of light and foregrounded the nature of vision. Using colour as the lens through which to magnify the movement's intricacies, this catalogue sweeps us from Manet's rich blacks, through green and blue landscapes of Monet and Cézanne, to the sensuous pinks of Renoir. Along this journey, scientific discoveries and emerging definitions of modernity are explored, illuminating the profound innovations of the Impressionists and the shifting preconceptions of their art.

Mary Cassatt: Painter of Modern Women (Second) (World of Art) Griselda Pollock 2022-06-07 This groundbreaking study, the definitive introduction to the work of artist Mary Cassatt, places her work in the wider context of nineteenth-century feminism and art theory and is now updated with color illustrations. This groundbreaking study redefines the status of the beloved American artist Mary Cassatt, placing her work in the wider context of nineteenth-century feminism and art theory. Mary Cassatt looks at the artist's work in light of her time as an advocate for women's intellectual life and political emancipation. Esteemed by her contemporaries for her commitment to what she and her radical colleagues in Paris termed "the new art"—now called impressionism—Cassatt brought her discerning gaze and compositional inventiveness to the study of the subtle, often psychological, social interactions of women in public and private spaces. Focusing on key moments of engagement and change over the artist's long career, art historian Griselda Pollock discusses Cassatt's artistic training across Europe, her profound study of the Old Masters, and places fresh emphasis on the artist's interest in Manet and other contemporary French and Spanish painters as well as her influence on American collections of French modernism. Now revised with a new preface, updates to the bibliography, and color illustrations throughout, this book offers a reevaluation of the work of this important artist as seen through the frames of class, gender, space, and difference.

Inspiring Impressionism Ann Dumas 2007 "Inspiring Impressionism" explores links between Impressionists and the major European art-historical movements that came before them, demonstrating how often beneath the Impressionists' commitment to capturing contemporary life there lay a deep exploration of the art of the past. Presents Impressionist works by artists including Manet, Monet, Degas, Bazille, Cassatt, and Cezanne alongside those of Raphael, El Greco, Rubens, Velazquez, and others.

Impressionist Quartet Jeffrey Meyers 2016-04-01 In this book, Jeffrey Meyers follows the lives of four Impressionist painters whose rebellious work was scorned by the critics and derided by their contemporaries. The French art establishment dismissed them altogether and at the time their sold for very little. Impressionist Quartet describes the relationships between these artists and how they struggle emotionally and intellectually to create a new way of seeing and representing the world.

Berthe Morisot: 101 Drawings Narim Bender 2014-06-30 Berthe Morisot was French artist, member of the circle of painters in Paris who became known as the Impressionists. She was described by Gustave Geffroy as one of "les trois grandes dames" of Impressionism alongside Marie Bracquemond and Mary Cassatt. She formed a close friendship with Manet, who became her brother-in-law, and she served as model for several of his paintings. The two greatly influenced each other's artistic development. Her own later work inclined toward pure Impressionism in its rendering of light, while retaining an unusual smoothness of brushwork. Morisot painted what she experienced on a daily basis. Her paintings reflect the 19th-century cultural restrictions of her class and gender. She avoided urban and street scenes as well as the nude figure and, like her fellow female Impressionist Mary Cassatt, focused on domestic life and portraits in which she could use family and personal friends as models. Her works also include drawings, pastels and watercolors.

Women Artists in Paris, 1850-1900 Laurence Madeline 2017-01-01 Paris was the epicenter of art during the latter half of the nineteenth century, luring artists from around the world with its academies, museums, salons, and galleries. Despite the city's cosmopolitanism and its cultural stature, Parisian society remained strikingly conservative, particularly with respect to gender. Nonetheless, many women painters chose to work and study in Paris at this time, overcoming immense obstacles to access the city's resources. 'Women Artists in Paris, 1850-1900' showcases the remarkable artistic production of women during this period of great cultural change, revealing the breadth and strength of their creative achievements. Guest Curator Laurence Madeline (Chief Curator at Musées d'art et d'histoire, Geneva) has selected close to seventy compelling paintings by women of varied nationalities, ranging from well-known artists such as Berthe Morisot, Mary Cassatt, and Rosa Bonheur, to lesser-known figures such as Kitty Kielland, Louise Breslau, and Anna Ancher.

The World of Mary Cassatt Robin McKown 1972 Examines the life of the nineteenth-century American artist and her association with the leaders of the impressionist school

The Private Lives of the Impressionists Sue Roe 2009-10-06 New York Times Bestseller “Anyone who has ever lost themselves in Monet’s color-saturated gardens or swooned over Degas’s dancers will enjoy this revealing group portrait of the artists who founded the Impressionist movement. . . . For the armchair dilettante, as well as the art-history student, this is lively, required reading.” — People The first book to offer an intimate and lively biography of the world’s most popular group of artists, including Manet, Monet, Pissarro, Cézanne, Renoir, Degas, Sisley, Berthe Morisot, and Mary Cassatt. Though they were often ridiculed or ignored by their contemporaries, today astonishing sums are paid for their paintings. Their dazzling works are familiar to even the most casual art lovers—but how well does the world know the Impressionists as people? Sue Roe's colorful, lively, poignant, and superbly researched biography, *The Private Lives of the Impressionists*, follows an extraordinary group of artists into their Paris studios, down the rural lanes of Montmartre, and into the rowdy riverside bars of a city undergoing monumental change. Vivid and unforgettable, it casts a brilliant, revealing light on this unparalleled society of genius colleagues who lived and worked together for twenty years and transformed the art world forever with their breathtaking depictions of ordinary life.

Women, Art, and Society (World of Art) Whitney Chadwick 2020-09-08 A new edition of the groundbreaking book by Whitney Chadwick maps the complete history of women artists from the Middle Ages and the Renaissance to today. Art historian Whitney Chadwick’s acclaimed bestselling study challenges the assumption that great women artists are exceptions to the rule who “transcended” their gender to produce major works of art. While introducing some of the many women since the Middle Ages whose contributions to visual culture have often been neglected, Chadwick’s survey reexamines the works themselves and the ways in which they have been perceived as marginal, often in direct reference to gender. In her discussion of feminism and its influence on such a reappraisal, she also addresses the closely related issues of ethnicity, class, and sexuality. This revised edition features a completely redesigned interior and full-color illustrations. With a new preface and epilogue from this emerging authority on the history of women artists, curator and professor Flavia Frigeri, this revised edition continues the project of charting the evolution of feminist art history and pedagogy, revealing how artists have responded to new strategies of feminism for the current moment.

Mary Cassatt Nancy Mowll Mathews 2018-03-28 A beautifully illustrated rediscovery of a distinguished American artist

The Work of Art Anthea Callen 2015-02-15 In *The Work of Art*, Anthea Callen analyzes the self-portraits, portraits of fellow artists, photographs, prints, and studio images of prominent nineteenth-century French Impressionist painters, exploring the emergence of modern artistic identity and its relation to the idea of creative work. Landscape painting in general, she argues, and the “plein air” oil sketch in particular were the key drivers of change in artistic practice in the nineteenth century—leading to the Impressionist revolution. Putting the work of artists from Courbet and Cézanne to Pissarro under a microscope, Callen examines modes of

self-representation and painting methods, paying particular attention to the painters' touch and mark-making. Using innovative methods of analysis, she provides new and intriguing ways of understanding material practice within its historical moment and the cultural meanings it generates. Richly illustrated with 180 color and black-and-white images, *The Work of Art* offers fresh insights into the development of avant-garde French painting and the concept of the modern artist.

Women Impressionists Berthe Morisot 2008 "This book is a comprehensive introduction to the works of four women Impressionists: Berthe Morisot, a key protagonist of the Impressionist movement; Mary Cassatt, who had her own special role to play in the movement and was held in high esteem by fellow painter Edgar Degas; Eva Gonzales, a gifted artist and Edouard Manet's only student; and Marie Bracquemond, who abandoned painting in the interests of marital harmony." "This superbly illustrated book also contains essays by a number of writers, who besides providing a knowledgeable introduction to these four women painters, also succeed in conveying to us the context in which they worked."--BOOK JACKET.

50 Women Artists You Should Know Christiane Weidemann 2008 Surveys the lives and accomplishments of fifty influential women artists from the Renaissance to the Post-Modern era, including Giulia Lama, Berthe Morisot, and Frida Kahlo.
