Godey's Lady's Book 1860

Black Suburbia John Rosalina 2019-10-29 Tay and Rena are two middle school kids from the ghetto of the Eastside projects. They are both proud and more mature than their ages might suggest, and although very different, they both win the eighth-grade writing contest. On this night, the stage is theirs to share, and unknown to anyone—including Tay and Rena—this award links them together forever. One beautiful spring day, Tay drives home after dropping Rena off at her parents' place and notices a house on her street that seems vacant. No lights are ever on. It's always dark, dead to the world outside, and the yard is a complete mess. The house is out of place, mysterious. Tay dreams that this house possesses secret hidden treasures. He has a vision of riches beyond belief and crisp, green dollar bills. He devises a plan, accounting for every possible scenario, and decides to pull it off alone. However, Tay doesn't account for one thing. His plan ends in horror that will haunt both he and Rena for the rest of their lives, turning their childhood potential into eventual tragedy.

Charming the Vicar Jenny Frame 2018-01-16 Finnian Kane, famous master of illusion, mentalist, and renowned atheist, has a crisis of faith after her sister's death. She rents a cottage in the village of Axedale in Kent, desperately trying to find a safe haven from the intrusive media to grieve and work out how to move on. The Reverend Bridget Claremont makes it her mission to help the enigmatic Finnian find her faith in life again. Bridge has long

yearned for a life partner, and her best friend's wedding has intensified that desire. But when you're a lesbian vicar in a small English village, it's not easy to find your perfect match. Their chemistry is clear from the start, despite their different beliefs and Bridge insisting Finn isn't her type. But will the mentalist find the magic that can charm the vicar?

Forest Plantations at Biltmore, North Carolina Ferdinand Wead Haasis 1930 The forest plantations in the Biltmore Estate, near Biltmore and Asheville, N.C., represent one of the earliest large-scale reforestation projects under private initiative in this country. Planting and seed-sowing operations were begun there about 40 years ago, in 1890, and the work was continued until about 1911. The resulting stands present an excellent opportunity to study the success or failure of forest planting with a large number of species in this part of the southern Appalachian region.

1001 Dark Nights: Bundle Four Carrie Ann Ryan 2016-06-20 From New York Times and USA Today Bestselling authors Carrie Ann Ryan, Heather Graham, Kristen Proby, and Cherise Sinclair, and introducing K. L. Grayson and Mari Carr... Six Dark Tales. Six Sensual Stories. Six Page Turners. WICKED WOLF: Gina Eaton has always known fate can be tricky, but when she finds the one man that could be her mate, she might throw caution to the wind. Quinn Weston puts his whole being into two things: the safety of his Pack and his son. When the two Alphas put Gina and Quinn together to find a way to ensure their treaties remain strong, fate has a plan of its own. WHEN IRISH EYES ARE HAUNTING: Devin Lyle and Craig Rockwell are back, this time to a haunted castle in Ireland where a banshee may have gone wild—or maybe there's a much more rational explanation—one that involves a disgruntled heir, murder, and mayhem. EASY WITH YOU: With a murderer terrorizing the Tulane University campus, Asher Smith finds himself toe-to-toe with the one woman that haunts his dreams. Lila Bailey has fought for every good thing in her life during every day of her thirty-one years. Aside from that one night with an impossible to deny stranger a year ago, Lila is the epitome of responsible. When some of her female students are viciously murdered, Lila's shaken to the core. But when Lila becomes the target, can Asher save her in time? MASTER OF FREEDOM: Detective Atticus Ware needs a woman to give her heart as well as her body. When Virginia Cunningham is invited to observe BDSM classes on a wilderness camping trip, she's shocked—her fiancé had insisted BDSM was a fabrication to sell books. But when Atticus lures her into participating, she learns submission under the hands of a powerful Dom is beyond anything she'd imagined. LIVE WITHOUT REGRET: L.O.V.E. How can those four letters cause so much pain? Everyone talks about how great love is, with all the flowers and the butterflies, but that wasn't my experience at all. Love wasn't something I wanted or even needed. But then Connor Jackson came into my life. OFF LIMITS: According to the bro code, enacted by Evan Sparks and Logan Grady years ago, sisters are out. However, Lacy Sparks isn't about to let a silly boyhood pact stand between her and the man she's wanted for nearly twenty years. She's waited long enough. Logan thinks she's too sweet to give him what he needs. He's about to learn as far as Lacy's concerned, in bed or out, nothing is off-limits. Every Dark Nights tale is breathtakingly sexy and magically romantic.

Dress and Popular Culture Patricia Anne Cunningham 1991 The subjects of the essays in this book range from looking at the ever changing means of specific garments and clothing practices of subcultural groups to examining dress as a reflection of changing life styles in American culture. The essays also examine fashions, fads, and popular images. Dress and Popular Culture hopes to shed new light on popular culture through a study of the associations of dress to

culture.

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One
Jon Knowles 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Volume I of this two-part publication traces the history of sex from the Stone Age to the Enlightenment. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

Survey of Historic Costume Phyllis G. Tortora 2009-06-08 In the Preface of the 5th Edition of Survey of Historic Costume, Tortora and Eubank conclude with the following: "In the history of dress at the beginning of the 21st century, costume might be compared to a constantly moving river. This river divides into many narrower channels that separate, cross, come together, and separate again, and yet that river continually moves on." Building on the previous editions, the authors update their analysis of Western dress to 2008. Survey of Historic Costume has, from its beginnings, taken seriously the need to accompany the text with appropriate illustrations and the major change in the 5th Edition is the move to full color throughout the book to enrich the text and the concepts. Perfect for anyone interested in historic costume, fashion, textiles, drama, and design, this beautifully illustrated book is full of interesting facts and commentary. New to this Edition:-- Over 500 four-color photographs and illustrations-- Updated text to 2008-- Additional influences from one period or civilization to another, including influences from other cultures-- Index - updated and organized to be utilized as glossary with terms defined and page numbers printed in boldface-- Instructor's Guide provides sources for visuals, websites, teaching strategies and evaluation techniques-- PowerPoint® Presentation contains interactive visual presentation with links to Internet

Reading the Prostitute Lorna Ryan 2018-12-20 First published in 1997, this study aims to forge new connections between debates on prostitution, media processes and everyday life in its exploration of depictions of female prostitution in British and Irish broadsheet newspapers between 1987 and 1991. Lorna Ryan first examines a range of discourses on prostitution before proceeding to areas including signals of prostitution and images in the press. Encompassing both textual and visual analyses, Ryan demonstrates that these newspapers relied on appearance, place, time, motive and intent in categorising women as prostitutes.

Crossing the Blue Willow Bridge Nancy McCabe 2011-11-01 Even before Nancy McCabe and her daughter, Sophie, left for China, it was clear that, as the mother of an adopted child from China, McCabe would be seeing the country as a tourist while her daughter, who was seeing the place for the first time in her memory, was “going home.” Part travelogue, part memoir, *Crossing the Blue Willow Bridge* immerses readers in an absorbing and intimate exploration of place and its influence on the meaning of family. A sequel to *Meeting Sophie*, which tells McCabe’s story of adopting Sophie as a single woman, *Crossing the Blue Willow Bridge* picks up a decade later with a much different Sophie—a ten-year-old with braces who wears black nail polish, sneaks eyeliner, wears clothing decorated with skulls, and has mixed feelings about being one of the few non-white children in the little Pennsylvania town where they live. Since she was young, Sophie had felt a closeness to the country of her birth and held it in an idealized light. At ten, she began referring to herself as Asian instead of Asian-American. It was McCabe’s hope that visiting China would “help her become comfortable with both sides of the hyphen, figure out how to be both Chinese and American, together.” As an adoptive parent of a foreign-born child, McCabe knows that homeland visits are an important rite of passage to help children make sense of the multiple strands of their heritage, create their own hybrid traditions, and find their particular place in the world. Yet McCabe, still reeling from her mother’s recent death, wonders how she can give any part of Sophie back to her homeland. She hopes that Sophie will find affirmation and connection in China, even as she sees firsthand some of the realities of China—overpopulation, pollution, and an oppressive government—but also worries about what that will mean for their relationship. Throughout their journey on a tour for adopted children, mother and daughter experience China very differently. New tensions and challenges emerge, illuminating how closely intertwined place is with sense of self. As the pair learn to understand each other, they lay the groundwork for visiting Sophie’s orphanage and birth village, life-changing experiences for them both.

All Ways Butch and Femme. The stories in these pages resist simple definitions. The people in these stories defy reductive stereotypes and inflexible categories. The pages in this book describe the lives of an incredible diversity of people whose hearts also pounded for some reason the first time they read or heard the words "butch" or "femme." Contributors such as Jewelle Gomez (The Gilda Stories), Thea Hillman (Intersex), S. Bear Bergman (Butch is a Noun), Chandra Mayor (All the Pretty Girls), Amber Dawn (Sub Rosa), Anna Camilleri (Brazen Femme), Debra Anderson (Code White), Anne Fleming (Anomaly), Michael V. Smith (Cumberland), and Zoe Whittall (Bottle Rocket Hearts) explore the parameters, history, and power of a multitude of butch and femme realities. It's a raucous, insightful, sexy, and sometimes dangerous look at what the words butch and femme can mean in today's ever-shifting gender landscape, with one eye on the past and the other on what is to come. Includes a foreword by Joan Nestle, renowned femme author and editor of The Persistent Desire: A Femme-Butch Reader, a landmark anthology originally published in 1992. Ivan E. Coyote is the author of seven books (including the novel Bow Grip, an American Library Association Stonewall Honor Book) and a long-time muser on the trappings of the two-party gender system. Zena Sharman is the assistant director of Canada's national Institute of Gender and Health.

Queering Femininity Hannah McCann 2017-12-04 Queering Femininity focuses on femininity as a style of gender presentation and asks how (and whether) it can be refigured as a creative and queer style of the body. Drawing on a range of feminist texts and interviews with self-identifying queer femmes from the LGBTQ community, Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities. She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles, and recognising the punitive realities of dominant gender norms and expectations. Topics covered range from second wave feminist critiques of beauty culture, to the importance of hair in queer femme presentation. This book offers students and researchers of Gender, Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity, a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics.

Copeland's Cure Natalie Robins 2009-07-22 Today, one out of every three Americans uses some form of alternative medicine, either along with their conventional ("standard," "traditional") medications or in place of them. One of the most controversial—as well as one of the most popular—alternatives is homeopathy, a wholly Western invention brought to America from Germany in 1827, nearly forty years before the discovery that germs cause disease. Homeopathy is a therapy that uses minute doses of natural substances—minerals, such as mercury or phosphorus; various plants, mushrooms, or bark; and insect, shellfish, and other animal products, such as Oscilloccinum. These remedies mimic the symptoms of the sick person and are said to bring about relief by

“entering” the body’s “vital force.” Many homeopaths believe that the greater the dilution, the greater the medical benefit, even though often not a single molecule of the original substance remains in the solution. In *Copeland’s Cure*, Natalie Robins tells the fascinating story of homeopathy in this country; how it came to be accepted because of the gentleness of its approach—Nathaniel Hawthorne and Henry Wadsworth Longfellow were outspoken advocates, as were Louisa May Alcott, Harriet Beecher Stowe, and Daniel Webster. We find out about the unusual war between alternative and conventional medicine that began in 1847, after the AMA banned homeopaths from membership even though their medical training was identical to that of doctors practicing traditional medicine. We learn how homeopaths were increasingly considered not to be “real” doctors, and how “real” doctors risked expulsion from the AMA if they even consulted with a homeopath. At the center of *Copeland’s Cure* is Royal Samuel Copeland, the now-forgotten maverick senator from New York who served from 1923 to 1938. Copeland was a student of both conventional and homeopathic medicine, an eye surgeon who became president of the American Institute of Homeopathy, dean of the New York Homeopathic Medical College, and health commissioner of New York City from 1918 to 1923 (he instituted unique approaches to the deadly flu pandemic). We see how Copeland straddled the worlds of politics (he befriended Calvin Coolidge, Herbert Hoover, and Franklin and Eleanor Roosevelt, among others) and medicine (as senator, he helped get rid of medical “diploma mills”). His crowning achievement was to give homeopathy lasting legitimacy by including all its remedies in the Federal Food, Drug, and Cosmetic Act of 1938. Finally, the author brings the story of clashing medical beliefs into the present, and describes the role of homeopathy today and how some of its practitioners are now adhering to the strictest standards of scientific research—controlled, randomized, double-blind clinical studies.

Integrating history, feminist analysis, and developmental theory, the authors describe how and why women have become rock musicians -- what inspires them to play and perform, how they write, what their music means to them, and what they hope their music means to listeners. As these musicians tell their stories, topics emerge that illuminate broader trends in rock's history. From Wanda Jackson's revolutionary act of picking up a guitar to the current success of independent artists such as Ani DiFranco, *Girls Rock!* examines the shared threads of these performers' lives and the evolution of women's roles in rock

Men Trapped in Men's Bodies Anne A. Lawrence 2012-12-09 There are few topics in sex research as compelling and confounding to researchers, clinicians, and the general public as that of transsexualism. Upending normative notions of gender, eroticism, and identity, it poses significant scientific and clinical challenges. The book addresses a fascinating and largely unexplored topic within the study of transsexualism: The feelings and desires of conventionally masculine men who are attracted to women yet want to become women themselves. Through a collection and discussion of vivid first-person narratives, the book provides an in-depth examination of these men's unusual propensity to be sexually aroused by the thought of themselves as women and how these men's sexual feelings influence their decisions to seek or undergo sex reassignment. These narratives about autogynephilia by autogynephilic male-to-female (MtF) transsexuals provide the first comprehensive documentation of the erotic ideation that underlies the most common form of MtF transsexualism. The narratives provide empirical evidence for Blanchard's theory of MtF transsexual motivation, and thus are of interest to researchers and theorists studying the phenomenology of MtF transsexualism. The narratives are likely to be eye-opening to psychologists, psychiatrists, physicians, and other professionals who work with MtF transsexuals: Most clinicians probably do not fully appreciate the erotic underpinnings of their clients' condition. A better understanding of their clients' autogynephilic feelings and motivations would enable these professionals to provide more empathetic and effective clinical care.

Now Let's Talk of Graves Sarah Shankman 2013-07-16 In her witty, southern-fried suspense novels, Sarah Shankman delivers nonstop action with a hilarious bite. Now she sends her acclaimed, irreverent heroine -- New Orleans writer Samantha Adams -- to a southwestern New Age hot spot, to unearth a secret past that was supposed to be six feet under. My dearest Sugar. I must see you. It's urgent. I need your help. The letter that arrived from Sam's mother was postmarked Santa Fe, penned in her mother's handwriting, and disclosed details only Johanna Adams could know. There was just one catch: Johanna Adams had been dead for thirty-four years. The mind-blowing missive could have been an entry from Sam's latest book of bizarre anecdotes, *American Weird* -- or an elaborate hoax. Either way, it instantly rekindled Sam's impossible wish that her mother hadn't really died in a plane crash when Sam was a child. Fueled by her journalistic instincts -- and a daughter's need for closure -- Sam touches down among Santa Fe's tourists and crystal gazers, jewelry shops and fast-food stands. But only when she summons the courage to knock on the door of Room 409 at the La Fonda Hotel does her surreal, mother-seeking adventure take off with no turning back.
