Activate Your English Pre-intermediate Teacher's Book Barbara Sinclair 1996-02-29 Activate Your English is a short course for adults.

The Book of Knowledge: The Keys of Enoch J. J Hurtak 2023 The Keys of Enoch contain spiritual-scientific teaching from two higher Teachers of universal intelligence called "Enoch" and "Metatron." Enoch identified himself as the same Enoch mentioned in the ancient biblical texts. However, this book is not channeled information but comes from a direct experience. The Book of knowledge: the keys of Enoch: a teaching given on seven levels to be read and visualized in preparation for the Brotherhood of Light, to be delivered for the quickening of the "People of Light. It is a para-physical "code-book". It is a text of higher consciousness experience which explains how the human race is connected with a more advanced higher evolutionary structure of universal intelligence. The linkage is made through 64 areas of future science, that defines the course of human development. The book covers a cosmology that is now being confirmed by a wide spectrum of independent scientific confirmations. The purpose of The Book of Knowledge: The Keys of Enoch is to open the mind of humanity to new ideas, inviting you to share in the experience of the education of the soul. The Keys are a blueprint of the many levels of spiritual consciousness and are designed to bring you in touch with the meaning of Divine Intelligence. As a tool for the building of communities of Light and the orientation that must be made by the human race, the Keys of Enoch begin to show us how to work collectively and understand the greater role we play within the entire universe of creation. Its purpose, therefore, is of science with self realization, for the advancement of humanity into the new spiritual cycle of "the Christ." The Book of Knowledge: The Keys of Enoch is available for your study and research. Many sociologists, psychologists, ecologists, economists, and others are forecasting a cataclysmic result to man's shortsighted and selfish excesses and his attempts to subjugate nature. Many people see the only hope lies in scientific logic or a spiritual pathway. However, the conclusion which has been borne out by the accumulated investigations of many scientists working with The Keys of Enoch is that a greater unity must occur between both the scientific and spiritual pathways which would link the human evolution with the Higher Evolution, connecting humankind with the greater Master Plan of Life.
