Teaching Writing Lucy Calkins 2020-01-21 "Writing allows each of us to live with that special wide-awakeness that comes from knowing that our lives and our ideas are worth writing about." -Lucy Calkins Teaching Writing is Lucy Calkins at her best—a distillation of the work that's placed Lucy and her colleagues at the forefront of the teaching of writing for over thirty years. This book promises to inspire teachers to teach with renewed passion and power and to invigorate the entire school day. This is a book for readers who want an introduction to the writing workshop, and for those who've lived and breathed this work for decades. Although Lucy addresses the familiar topics—the writing process, conferring, kinds of writing, and writing assessment—she helps us see those topics with new eyes. She clears away the debris to show us the teeny details, and she shows us the majesty and meaning, too, in these simple yet powerful teaching acts. Download a sample chapter for more information.

2nd Grade Writing Workman Publishing 2014-06-17 The Force is strong with this series! Introducing a line of workbooks that marries the iconic popularity of Star Wars with the unique mix of editorial quality, fun presentation, and rigorous educational standards that Workman applied to the BRAIN QUEST Workbooks. Twelve titles launch the series—three each for Pre-K through 2nd Grade—and dig deep into core subjects, including numbers, ABCs, phonics, and reading readiness for younger grades, and math, reading, and writing for the older ones. The material, which aligns with national Common Core State Standards, is designed to reinforce essential concepts and lessons taught in schools. Any child, not just fans of Star Wars—but yes, those fans will be especially delighted (as will reluctant learners)—will love the *Ó* is for Anakin approach to phonics. Kids will practice learning numbers by counting and circling X-wing starfighters and clone troopers. Master place values by sorting groups of Wookiees. There are math problems—Yoda is holding 7 lightsabers. 5 of the lightsabers are blue. The rest are green. How many green lightsabers is he holding? And

Language Arts—Circle the correct homophone in this sentence: Luke is a Jedi knight/night. Units of Study in Opinion, Information, and Narrative Writing Lucy Calkins 2013 Instruction in this series is organized around four grade-specific units of study at each level and a book of if/then curricular plans. The four units of study at each grade level are organized around opinion, information, and narrative writing. Each unit of study contains 18-22 sequential sessions subdivided into three to four bends, with each bend walking you step-by-step through the entire writing process from planing and drafting to revising and editing and eventually to publication. The grade-specific book *If ... then ... curriculum : assessment-based instruction* supports targeted instruction and differentiation with alternative assessment-based units. Each includes five to eight concise units of study for you to strategically teach before, after (or in-between) the core curriculum based on your students needs.

A Quick Guide to Teaching Informational Writing, Grade 2 Marika Páez Wiesen 2012-01 "Informational writing is the perfect genre for second graders because nobody is more curious about the workings of the world and is more eager to tell you a zillion facts about the topic at hand." --Marika Paez Wiesen Informational writing taps into second graders natural inclination to explore and excitedly share the new and strange discoveries that fill their worlds on a daily basis. Marika Paez Wiesen offers a framework that will help you harness

this energy and implement an informational writing unit of study that thoughtfully addresses the wide range of learners typically found in a second grade classroom. Addressing the heightened emphasis on reading and writing informational texts in the Common Core State Standards and on state tests, this unit of study guides you through the entire writing process. After considering how to plan and prepare an informational writing unit that builds on young writers' passions, interests, and abilities, Marika describes how to get started choosing topics, planning a draft, and beginning to write chapters. Ensuing chapters explore ways to elaborate on and revise these chapters with an eye towards addressing conventions and using features common to nonfiction texts. The final chapter offers ideas on how best to celebrate this writing and extend this learning across the curriculum. A Quick Guide to Teaching Informational Writing, Grade 2 is part of the Workshop Help Desk series. Units of Study for Teaching Reading Lucy Calkins 2015 "In second grade, children move from a "little-kid" focus on print to a "big-kid" focus on meaning. The first unit, Second-Grade Reading Growth Spurt, teaches children to take charge of their reading, drawing on everything they know to figure out hard words, understand author's craft, and build big ideas about the books they read. Children learn that books can be their teachers in the second unit, Becoming Experts: Reading Nonfiction, in which they learn more about familiar topics and grow understanding of new topics while working on word solving, vocabulary development, and comparing and contrasting information across texts. In the third unit, Bigger Books Mean Amping Up Reading Power, children learn strategies to build three foundational reading skills--fluency, understanding figurative language, and comprehension. In the final unit for second grade, Series Book Clubs, children work within book clubs to study author's craft to understand ways authors use word choice, figurative language, punctuation, and even patterns to construct a series and evoke feelings in readers"--Pearson.com.
