Someday, Someday, Maybe Lauren Graham 2013-04-30 NEW YORK TIMES BESTSELLER • From Lauren Graham, the beloved star of Gilmore Girls and Parenthood, comes a witty, charming, and hilariously relatable debut novel about a struggling young actress trying to get ahead—and keep it together—in New York City. It's January 1995, and Franny Banks has just six months left of the three-year deadline she set for herself when she came to New York, dreaming of Broadway and doing "important" work. But all she has to show for her efforts so far is a part in

an ad for ugly Christmas sweaters, and a gig waiting tables at a comedy club. Her roommates—her best friend Jane, and Dan, an aspiring sci-fi writer—are supportive, yet Franny knows a two-person fan club doesn't exactly count as success. Everyone tells her she needs a backup plan, and though she can almost picture moving back home and settling down with her perfectly nice ex-boyfriend, she's not ready to give up on her goal of having a career like her idols Diane Keaton and Meryl Streep. Not just yet. But while she dreams of filling their shoes, in the meantime, she'd happily settle for a speaking part in almost anything—and finding a hair product combination that works. Everything is riding on the upcoming showcase for her acting class, where she'll finally have a chance to perform for people who could actually hire her. And she can't let herself be distracted by James Franklin, a notorious flirt and the most successful actor in her class, even though he's suddenly started paying attention. Meanwhile, her bank account is rapidly dwindling, her father wants her to come home, and her agent doesn't return her calls. But for some reason, she keeps believing that she just might get what she came for. Someday, Someday, Maybe is a story about hopes and dreams, being young in a city, and wanting something deeply, madly, desperately. It's about finding love, finding yourself, and perhaps most difficult of all in New York City, finding an acting job. Praise for Someday, Someday, Maybe "A winning, entertaining read . . . [Lauren Graham] has smartly mined just the right details from her own experience, infusing her work with crackling dialogue and observations about show business that ring funny and true."—The Washington Post "A charmer of a first novel . . . [Graham] has an easy, unforced style and, when the situation calls for it, a keen sense of the ridiculous."—The Wall Street Journal "With insight, care, and an abundance of humor . . . Graham demonstrates that her acting chops are not her only talent."—Library Journal "Thoroughly charming."—Entertainment Weekly "Sweet, funny, and full of heart . . . a dazzling debut."—Emily Giffin, New York Times bestselling author of Something Borrowed and Where We Belong "Warm and funny, charming and smart."—Diane Keaton, New York Times bestselling author of Then Again "Graham deftly captures what it's like to be young, ambitious, and hopeful in New York City."—Candace Bushnell, New York Times bestselling author of Sex and the City and The Carrie Diaries "Fresh and funny and full of zingers, Lauren Graham's charming writing style instantly drew me in."—Meg Cabot, bestselling author of the Princess Diaries and Heather Wells Mystery series

The 57 Bus Dashka Slater 2017-10-17 One teenager in a skirt. One teenager with a lighter. One moment that changes both of their lives forever. If it weren't for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment.

The 57 Bus is Dashka Slater's true account of the case that garnered international attention and thrust both teenagers into the spotlight.

Talking as Fast as I Can Lauren Graham 2016-11-29 NEW YORK TIMES BESTSELLER • In this collection of personal essays, the beloved star of *Gilmore Girls* and *Parenthood* reveals stories about life, love, and working as a woman in Hollywood—along with behind-the-scenes dispatches from the set of the new *Gilmore Girls*, where she plays the fast-talking Lorelai Gilmore once again. With a new bonus chapter *In Talking as Fast as I Can*, Lauren Graham hits pause for a moment and looks back on her life, sharing laugh-out-loud stories about growing up, starting out as an actress, and, years later, sitting in her trailer on the *Parenthood* set and asking herself, “Did you, um, make it?” She opens up about the challenges of being single in Hollywood (“Strangers were worried about me; that’s how long I was single!”), the time she was asked to audition her butt for a role, and her experience being a judge on *Project Runway* (“It’s like I had a fashion-induced blackout”). In “What It Was Like, Part One,” Graham sits down for an epic *Gilmore Girls* marathon and reflects on being cast as the fast-talking Lorelai Gilmore. The essay “What It Was Like, Part Two” reveals how it felt to pick up the role again nine years later, and what doing so has meant to her. Some more things you will learn about Lauren: She once tried to go vegan just to bond with Ellen DeGeneres, she’s aware that meeting guys at awards shows has its pitfalls (“If you’re meeting someone for the first time after three hours of hair, makeup, and styling, you’ve already set the bar too high”), and she’s a card-carrying REI shopper (“My bungee cords now earn points!”). Including photos and excerpts from the diary Graham kept during the filming of the recent *Gilmore Girls: A Year in the Life*, this book is like a cozy night in, catching up with your best friend, laughing and swapping stories, and—of course—talking as fast as you can.

The sky is kira-kira because its color is deep but see-through at the same time. The sea is kira-kira for the same reason. And so are people's eyes. When Katie and her family move from a Japanese community in Iowa to the Deep South of Georgia, it's Lynn who explains to her why people stop them on the street to stare. And it's Lynn who, with her special way of viewing the world, teaches Katie to look beyond tomorrow. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always something glittering -- kira-kira -- in the future.
