Menstruation Across Cultures Nithin Sridhar 2021-08-26 Menstruation across Cultures attempts to provide a detailed review of menstruation notions prevalent in India and in cultures from across the world. The world cultures covered in the book include Indic traditions like Hinduism, Buddhism, Jainism and Sikhism; ancient civilisations like Greece, Rome, Mesopotamia and Egypt; and Abrahamic religions of Judaism, Christianity, and Islam. Two themes of special focus in the book are: Impurity and Sacrality. While they are often understood as being opposed to each other, the book examines how they are treated as two sides of the same coin, when it comes to menstruation. This is especially true in Indic traditions and pre-Christian polytheistic traditions like Greco-Roman, Mesopotamian and Egyptian. Impurity and Sacrality complement each other to form a comprehensive worldview in these cultures. The book also examines how the understanding of impurity in Abrahamic religions differs from those of polytheistic cultures. As part of the examination of the sacrality attached to menstruation, a special focus has also been given to the deities of menstruation in polytheistic cultures and to what Ayurveda and Yoga say about this essential function in a woman's physiology. Finally, a comparative study of menstrual notions prevalent in modernity is presented, along with a Do and Don't dossier.

Love Life Zeruya Shalev 2007-12-01 Israel's provocative #1 bestseller from the author of *Pain*. In "a hybrid-Last Tango in Paris meets *Story of O* . . . Shalev deconstructs sexual longing" (Darcey Steinke, author of *Flash Count Diary*). Hailed by *The New York Times Book Review* as a novel that "broke all the barriers . . . sexually explicit yet dense with biblical allusions and psychological insight," *Love Life* unbuttoned Hebrew literature and spent four months as Israel's number one bestseller. What begins as a story of a young married woman's turbulent affair with an older man rapidly devolves into a feverish, lyrical crash course in the anatomy of obsession. When Yaara meets Aryeh, her father's boyhood friend, she is instantly drawn to his impassive and archly assured presence. It is not long before she forsakes her devoted and well-meaning husband for the powerful, mysterious older man who seems to embody all that she lacks: will, strength, and the key to her parents' inaccessible pasts. They embark on a heated affair that soon spirals toward the destructive as Yaara finds that the things in Aryeh that attract her also repel her with equal intensity. With shocking immediacy, Shalev lays bare Yaara's struggle to navigate extreme terrain ranging from the sublime to the grotesque, the sacred to the profane, the liberating to the all-consuming. *Love Life* is cerebral, seductive, provocative, and profound. "Shalev . . . outdoes Erica Jong with outrageously sensuous, often humiliating situations described by a narrator who acts as if she has lost her sanity while commenting wryly, even perceptively, on her own misdeeds."—*Publishers Weekly* "*Love Life* is a lucid feverish dream . . . disturbingly brilliant."—*Tubantia* (Holland)

Kiss of the Yogini David Gordon White 2006-07-07 For those who wonder what relation actual Tantric practices bear to the "Tantric sex" currently being marketed so successfully in the West, David Gordon White has a simple answer: there is none. Sweeping away centuries of misunderstandings and misrepresentations, White returns to original texts, images, and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day. *Kiss of the Yogini* focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra: sexualized ritual practices, especially as expressed in the medieval Kaula rites. Such practices centered on the exchange of powerful, transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis. It was only by "drinking" the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods. By focusing on sexual rituals, White resituates South Asian Tantra, in its precolonial form, at the center of religious, social, and political life, arguing that Tantra was the mainstream, and that in many ways it continues to influence contemporary Hinduism, even if reformist misunderstandings relegate it to a marginal position. *Kiss of the Yogini* contains White's own translations from over a dozen Tantras that have never before been translated into any European language. It will prove to be the definitive work for persons seeking to

understand Tantra and the crucial role it has played in South Asian history, society, culture, and religion.

Nude Coeds Marcus C. Hanlon 2018-01-01 It was again one of those routine afternoons. The homework had been done together quickly and now they sat around, hugging, Emil, Jannik and the four girls, the upright Jule, the chaste Christina, the quiet Anni and of course Michaela, in the house of their parents where they had gathered as usual because of the generous space. The six were really good friends, really good. Michaela had last month celebrated her birthday to the age of majority and all went to see the graduation together. The silence was long and heavy. A bit of Robbie Williams dabbled out of small speakers, everyone was dwelling on their own thoughts and the sun heated up the room quite well through the windows. The summer was warm and everyone wore only casual summer dresses and the girls all were of course barefoot. Suddenly, without any advance notice and without warning, Juli said: »I would like to dance completely naked. Do you know where you can dance naked? I mean, without being arrested immediately...« The silence continued for a moment, but now for another reason. Everyone was baffled, the chaste Christina even was a bit piqued. A witty smile crossed the boys' faces. »What makes you think that's great to be...« Anni skeptically interjected »_naked_.« She said it as if it were a swear word. Only Michaela smiled openly at Juli. Michaela quickly replied before the others got their mouths shut again »I used to dance naked in a disco. That was pretty nice. Somehow different, but nice.« Michaela nodded, confirming the truthfulness of her statement in her memory. »You were... I mean naked?« Anni wanted to know, and still did not know if she was going to say something more, or just say it like that. »Who were you with, Michi?« Jannik wanted to know, because a slight jealousy stirred in him, which always made Michaela feel comfortable in the abdomen. ... (from *Nude Coeds*) You'll find these two stories in this volume: *107 *Nude Coeds** A small group is bored. Four girls and two boys, just past the threshold of adulthood, meet in the afternoon to explore life. It's about their desires to try out and to playfully explore feelings, their body and sexuality. The girls are always more open in their fantasies - and to realize them together. The girls love to dance

naked and without strings, and then one thing follows the other. A little unrestrained, a lot of first love, lustfully naked dancing, sensual massage and more. ****113 Casting**** The young actress wants to take on a role in which clearly erotic scenes are played. How does she feel about this...? »I would really like to dance completely naked. Do you know where you can dance naked?« then she just pulled on the loose ends of the bows that held the bottoms together and with her next hip swing they fell uselessly to the ground. Juli wasted no time and immediately kissed Michaela again on her lips. »I'm so horny to do it now. Come on, let's do it.« »...then you can get fucked by the masseur, if you want.«

What Your Child Needs to Know About Sex Dr. Fred Kaeser 2011-09-06 If you start talking early enough, kids will listen. FOR MANY PARENTS, the talk is one of the most dreaded rites of passage in the child-raising experience--but it doesn't have to be. The key is to start early when talking about sex with your child. In Dr. Fred Kaeser's progressive approach, parents become their child's first resource for sexual information (instead of ceding control to peers, the school system, or the media) in order to have a lasting and positive influence over their child's sexual development. As the former director of health in the New York City public schools, there's nothing Dr. Kaeser hasn't been asked by kids, or by parents. And he has seen firsthand the results of our increasingly sexualized youth culture, and how it's making children

grow up faster than ever these days. From sexting to cyberbullying, challenges and pressures abound--even for kids in kindergarten. This means that parents must begin laying the groundwork for basic conversations about sex when their child is as young as three years old. Parents then build their discussions on this early foundation, introducing more information at developmentally appropriate ages (for example, talking about puberty with your eight-year-old, and discussing safe sex with your ten-year-old). *What Your Child Needs to Know About Sex (and When)* goes far beyond the birds and the bees to discuss uncomfortable issues with a winning frankness and empowering attitude. It offers families the tools they need for navigating how and when to have positive dialogues about sexuality and helps parents learn to use everyday teachable moments. Open communication about sex with your children isn't necessarily easy, but it can be done; this indispensable book will guide you every step of the way.

Vagina Insanity Niranjan Jha 2013-01-20 The day was blessed with no problem to start kissing her. As her quivering lips touched mine, with the sizzling sensation piercing in hearts, I inserted my tongue into her mouth. Within a minute, the kisses tuned into wild hallucinating both of us to have cockpit crunch. She drew me a little more closely and wetting around the cheeks began to suck my lips. It was giving me a terrific feel encouraging me to associate with her more and more. I put my lips on her throat and then down below the cleavage. She was getting overwhelmed with joy. I wanted to go a little more down, so I put her top off and started kissing. A mesmerizing and exhilarating touch of her breasts was surpassing all the bliss I had ever felt in my life. The domino effect was dominating my novice mind giving un-alcoholic delirium tremens when I saw her bosom bumping out of the brassiere. With the licit, legitimate and longing desire, I put my hand to feel the soothing touch of the flesh. The sleek, silken and smoothly enigmatic shape inside her bra spurred my phenomena. I supported her with my hand to lie down, and looking at her appealing figure I slipped down to her bottom. My mirage-burnt heart desired more and more, and so, I was placing kisses at every inch of her body. And finally, there came a moment of pause when I reached her G spot. My hand, as it reached down her floss, it felt a soft touch of her labia majora while creeping through her pubic symphysis. From the back, I was still able to see her butt crack intoxicating me to have action gagnée. Her entire physic crammed up with impulses was enticing me to go more ferocious with her. I was at the pre-penetrating feel of ecstasy and orgasm viewing her dazzling beauty with rampant drive of sex within. Seeing no instinct of objection on her face, I unbuttoned her jeans, and within seconds, she was lying in carpet in her innerwear. From toe to forehead, she was so gorgeous that I could not leave any part of her body un-kissed, un-licked or un-sucked. In no time, the remaining two pieces of her clothes were also removed. She was there in her full nudity and I was seeing her complete beautifulness. My kisses on her sensitive spot were still rolling!
