An Astronaut's Guide to Life on Earth Chris Hadfield 2013-10-29 Travel to space and back with astronaut Chris Hadfield's "enthraling" bestseller as your eye-opening guide (Slate). Colonel Chris Hadfield has spent decades training as an astronaut and has logged nearly 4000 hours in space. During this time he has broken into a Space Station with a Swiss army knife, disposed of a live snake

while piloting a plane, and been temporarily blinded while clinging to the exterior of an orbiting spacecraft. The secret to Col. Hadfield's success-and survival-is an unconventional philosophy he learned at NASA: prepare for the worst- and enjoy every moment of it. In *An Astronaut's Guide to Life on Earth*, Col. Hadfield takes readers deep into his years of training and space exploration to show how to make the impossible possible. Through eye-opening, entertaining stories filled with the adrenaline of launch, the mesmerizing wonder of spacewalks, and the measured, calm responses mandated by crises, he explains how conventional wisdom can get in the way of achievement – and happiness. His own extraordinary education in space has taught him some counterintuitive lessons: don't visualize success, do care what others think, and always sweat the small stuff. You might never be able to build a robot, pilot a spacecraft, make a music video or perform basic surgery in zero gravity like Col. Hadfield. But his vivid and refreshing insights will teach you how to think like an astronaut, and will change, completely, the way you view life on Earth – especially your own. "Hadfield proves himself to be not only a fierce explorer of the universe, but also a deeply thoughtful explorer of the human condition." –Maria Popova, *Brain Pickings*

I Am Having So Much Fun Here Without You Courtney Maum 2014-06-10 A romance in reverse is set in Paris and London and follows an artist's attempts to fall back in love with his wife after the end of his affair, an effort that is challenged by the sale of a personal painting and his wife's discovery of his infidelity. A first novel.

We Were Never Here Andrea Bartz 2021-08-03 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • "This book is every suspense lover's dream and it kept me up way too late turning pages. . . . A novel with crazy twists and turns that will have you ditching your Friday night plans for more chapters."–Reese Witherspoon A backpacking trip has deadly consequences in this "eerie psychological thriller . . . with alluring locales, Hitchcockian tension, and possibly the best pair of female leads since *Thelma and Louise*" (BookPage), from the bestselling author of *The Lost Night* and *The Herd*. A Marie Claire Book Club Pick • Named One of the Best Books of the Year by NPR and Marie Claire Emily is having the time of her life—she's in the mountains of Chile with her best friend, Kristen, on their annual reunion trip, and the women are feeling closer than ever. But on the last night of the trip, Emily enters their hotel suite to find blood and broken glass on the floor. Kristen says the cute backpacker she brought back to their room attacked her, and she had no choice but to kill him in self-defense. Even more shocking: The scene is horrifyingly similar to last year's trip, when another backpacker wound up dead. Emily can't believe it's happened again—can lightning really strike twice? Back home in Wisconsin, Emily struggles to bury her trauma, diving headfirst into a new relationship and throwing herself into work. But when Kristen shows up for a surprise visit, Emily is forced to confront their violent past. The more Kristen tries to keep Emily close, the more Emily questions her motives. As Emily feels the walls closing in on their cover-ups, she must reckon with the truth about her closest friend. Can Emily outrun the secrets she shares with Kristen, or will they

destroy her relationship, her freedom—even her life?

The Apollo Murders Chris Hadfield 2021-10-12 From New York Times bestselling author and astronaut Chris Hadfield comes this exceptional thriller and "exciting journey" into the dark heart of the Cold War and the space race (Andy Weir, author of *The Martian* and *Project Hail Mary*). 1973: a final, top-secret mission to the Moon. Three astronauts in a tiny spaceship, a quarter million miles from home. A quarter million miles from help. NASA is about to launch Apollo 18. While the mission has been billed as a scientific one, flight controller Kazimieras "Kaz" Zemeckis knows there is a darker objective. Intelligence has discovered a secret Soviet space station spying on America, and Apollo 18 may be the only chance to stop it. But even as Kaz races to keep the NASA crew one step ahead of their Russian rivals, a deadly accident reveals that not everyone involved is quite who they were thought to be. With political stakes stretched to the breaking point, the White House and the Kremlin can only watch as their astronauts collide on the lunar surface, far beyond the reach of law or rescue. Full of the fascinating technical detail that fans of *The Martian* loved, and reminiscent of the thrilling claustrophobia, twists, and tension of *The Hunt for Red October*, *The Apollo Murders* is a high-stakes thriller unlike any other. Chris Hadfield captures the fierce G-forces of launch, the frozen loneliness of space, and the fear of holding on to the outside of a spacecraft orbiting the Earth at 17,000 miles per hour as only someone who has experienced all of these things in real life can. Strap in and count down for the ride of a lifetime. "Packed with cosmic action... Featuring undercover spies, scheming Russians and psychopathic murderers, sometimes all at once, it teems with authoritative details." —The New York Times "Nail-biting . . . I couldn't put it down." —James Cameron, writer and director of *Avatar* and *Titanic* "Not to be missed." —Frederick Forsyth, author of *The Day of the Jackal* "An explosive thriller by a writer who has actually been to space . . . Strap in for the ride!" —Gregg Hurwitz, author of *Orphan X*

Pale Blue Dot Carl Sagan 2011-07-06 "Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan's books."—The Washington Post Book World (front page review) In *Cosmos*, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel, Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In *Pale Blue Dot*, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race. "Takes readers far beyond *Cosmos* . . . Sagan sees humanity's future in the stars."—Chicago Tribune

You Are Here Chris Hadfield 2014-10-14 In *You Are Here*, celebrated astronaut

Chris Hadfield gives us the really big picture: this is our home, as seen from space. The millions of us who followed Hadfield's news-making Twitter feed from the International Space Station thought we knew what we were looking at when we first saw his photos. But we may have caught the beauty and missed the full meaning. Now, through photographs – many of which have never been shared – Hadfield unveils a fresh and insightful look at our planet. He sees astonishing detail and importance in these images, not just because he's spent months in space but because his in-depth knowledge of geology, geography and meteorology allows him to reveal the photos' mysteries. Featuring Hadfield's favourite images, *You Are Here* is divided by continent and represents one (idealized) orbit of the ISS. Surprising, thought-provoking and visually delightful, it opens a singular window on our planet, using remarkable photographs to illuminate the history and consequences of human settlement, the magnificence of never-before-noticed landscapes, and the power of the natural forces shaping our world and the future of our species.

Wish You Were Here Renée Carlino 2017-08-15 "You know when you're looking at someone and you can't help but smile at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks."--

This Is How We Do It Matt Lamothe 2017-05-02 Follow the real lives of seven kids from Italy, Japan, Iran, India, Peru, Uganda, and Russia for a single day! In Japan Kei plays Freeze Tag, while in Uganda Daphine likes to jump rope. But while the way they play may differ, the shared rhythm of their days—and this one world we all share—unites them. This genuine exchange provides a window into traditions that may be different from our own as well as a mirror reflecting our common experiences. Inspired by his own travels, Matt Lamothe transports readers across the globe and back with this luminous and thoughtful picture book.

Glad You're Here Walker Hayes 2022-05-03 When Craig Cooper and Walker Hayes met, Walker was an alcoholic atheist reeling from the backlash of a failed music career. Through their unlikely friendship, Craig's life demonstrated the love of Christ in a way that shattered Walker's misconceptions of Christianity, ultimately leading him down the path to a dramatic conversion. The two are now close as brothers, choosing to be next-door neighbors and ripped out the fence between their homes as a testament to the power of the gospel to break down barriers and unite people together in Christ. *Glad You're Here* helps us discover how building relationships, sacrificing for the good of others, and drawing near in times of need can lead to powerful transformation. Through story and biblical reflections, *Glad You're Here* helps readers see how God works in the everyday lives of those who love him.

You Are Here Chris Hadfield 2014-10-14 Divided by continent, *YOU ARE HERE* represents one (idealized) orbit of the ISS. This planetary photo tour --

surprising, playful, thought-provoking, and visually delightful -- is also punctuated with fun, fascinating commentary on life in zero gravity. In the spirit of his bestselling *An Astronaut's Guide to Life on Earth*, *YOU ARE HERE* opens a singular window on our planet, using remarkable photographs to illuminate the history and consequences of human settlement, the magnificence (and wit) of never-before-noticed landscapes, and the power of the natural forces shaping our world and the future of our species.

You Are Here Thich Nhat Hanh 2012-08-14 Cut through the busyness and anxieties of daily life to discover the simple happiness of living in the present moment, as taught by a world-renowned Zen monk. In this book, Thich Nhat Hanh—Zen monk, author, and meditation master—distills the essence of Buddhist thought and practice, emphasizing the power of mindfulness to transform our lives. But true mindfulness, Hanh explains, is not an escape. It is being in the present moment, totally alive and free. Based on a retreat that Thich Nhat Hanh led for Westerners, *You Are Here* offers a range of effective practices for cultivating mindfulness and staying in the present moment—including awareness of breathing and walking, deep listening, and skillful speech. These teachings will empower you to witness the wonder of life and transform your suffering, both within and outside you, into compassion, tenderness, and peace. As Thich Nhat Hanh declares, “the energy of mindfulness is the energy of the Buddha, and it can be produced by anybody.” It is as simple as breathing in and breathing out.

You Are Here Katharine Harmon 2004 Mapmaking fulfills one of our most ancient and deep-seated desires: understanding the world around us and our place in it. But maps need not just show continents and oceans: there are maps to heaven and hell; to happiness and despair; maps of moods, matrimony, and mythological places. There are maps to popular culture, from Gulliver's Island to Gilligan's Island. There are speculative maps of the world before it was known, and maps to secret places known only to the mapmaker. Artists' maps show another kind of uncharted realm: the imagination. What all these maps have in common is their creators' willingness to venture beyond the boundaries of geography or convention. *You Are Here* is a wide-ranging collection of such superbly inventive maps. These are charts of places you're not expected to find, but a voyage you take in your mind: an exploration of the ideal country estate from a dog's perspective; a guide to buried treasure on Skeleton Island; a trip down the road to success; or the world as imagined by an inmate of a mental institution. With over 100 maps from artists, cartographers, and explorers, *You are Here* gives the reader a breath-taking view of worlds, both real and imaginary.

Book Scavenger Jennifer Chambliss Bertman 2015-06-02 A New York Times-Bestseller! For twelve-year-old Emily, the best thing about moving to San Francisco is that it's the home city of her literary idol: Garrison Griswold, book publisher and creator of the online sensation *Book Scavenger* (a game where books are hidden in cities all over the country and clues to find them are revealed through puzzles). Upon her arrival, however, Emily learns that Griswold has been attacked and is now in a coma, and no one knows anything

about the epic new game he had been poised to launch. Then Emily and her new friend James discover an odd book, which they come to believe is from Griswold himself, and might contain the only copy of his mysterious new game. Racing against time, Emily and James rush from clue to clue, desperate to figure out the secret at the heart of Griswold's new game—before those who attacked Griswold come after them too. This title has Common Core connections.

Kurtz, these pages explore mental health, identity, handling setbacks, and finding humor in the unknown—and will be a touchstone for seekers, graduates, creatives, and anyone who’s trying to figure out what’s next (and maybe even feel a little hopeful about it).

Braver Than You Think Maggie Downs 2020-05-12 Newly married and established in her career as an award-winning newspaper journalist, Maggie Downs quits her job, sells her belongings, and embarks on the solo trip of a lifetime: Her mother’s. As a child, Maggie Downs often doubted that she would ever possess the courage to visit the destinations her mother dreamed of one day seeing. “You are braver than you think,” her mother always insisted. That statement would guide her as, over the course of one year, Downs backpacked through seventeen countries—visiting all the places her mother, struck with early-onset Alzheimer’s disease, could not visit herself—encountering some of the world’s

most striking locales while confronting the slow loss of her mother. Interweaving travelogue with family memories, *Braver Than You Think* takes the reader hiking the Inca Trail to Machu Picchu, white-water rafting on the Nile, volunteering at a monkey sanctuary in Bolivia, praying at an ashram in India, and fleeing the Arab Spring in Egypt. By embarking on an international journey, Downs learned to make every moment count—traveling around the globe and home again, losing a parent while discovering the world. Perfect for fans of adventure memoirs like *Wild* and *Welcome to the Goddamn Ice Cube*, *Braver Than You Think* explores grief and loss with tenderness, clarity, and humor, and offers a truly incredible roadmap to coping with the unimaginable.

Who We are and how We Got Here David Reich (Of Harvard Medical School) 2018 David Reich describes how the revolution in the ability to sequence ancient DNA has changed our understanding of the deep human past. This book tells the emerging story of our often surprising ancestry - the extraordinary ancient migrations and mixtures of populations that have made us who we are.

Here We Are Oliver Jeffers 2017-11-14 #1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for *Here We Are*: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, *Here We Are* carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -"[*Here We Are*] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

[The Darkest Dark](#) Colonel Chris Hadfield 2016-10-11 Inspired by the childhood of

real-life astronaut Chris Hadfield and brought to life by Terry and Eric Fan's lush, evocative illustrations, *The Darkest Dark* will encourage readers to dream the impossible. Chris loves rockets and planets and pretending he's a brave astronaut, exploring the universe. Only one problem--at night, Chris doesn't feel so brave. He's afraid of the dark. The Sky Is Everywhere Jandy Nelson 2011-03-22 Jandy Nelson's beloved, critically adored debut is now an Apple TV+ and A24 original film starring Jason Segel, Cherry Jones, Grace Kaufman, and Jacques Colimon. "Both a profound meditation on loss and grieving and an exhilarating and very sexy romance." --NPR Adrift after her sister Bailey's sudden death, Lennie finds herself torn between quiet, seductive Toby--Bailey's boyfriend who shares Lennie's grief--and Joe, the new boy in town who bursts with life and musical genius. Each offers Lennie something she desperately needs. One boy helps her remember. The other lets her forget. And she knows if the two of them collide, her whole world will explode. As much a laugh-out-loud celebration of love as a nuanced and poignant portrait of loss, Lennie's struggle to sort her own melody out of the noise around her makes for an always honest, often uproarious, and absolutely unforgettable read.

Let the World See You Sam Acho 2020-10-13 NFL linebacker, speaker, podcaster, and humanitarian Sam Acho gives a blueprint for taking off our masks and living lives of genuine authenticity. Most of us hide. We play small and don't live up to our full potential. Sam Acho was one of those people. As an NFL linebacker, for example, he earned his MBA but told no one because he was afraid of what people might think if they found out that he cared about things that weren't "normal" for his profession. After many years of hiding himself, the person he had become had no connection to the real Sam. Only when he lost a friend and a mentor did he realize he was doing it all wrong--just like many of us do, when we try to become someone we're not. All the while, we ignore the unique gifts and talents and personality we truly possess. But there is another way of living: Let the world see you. Your quirks, your passions, and your inner desires were not given to you by accident. And the world needs your gifts. In *Let the World See You*, Sam Acho shares lessons from his own life as well as stories from others to reveal how you can overcome your fears and discover your true selves. Being the real you pays big. No one else has what you have. No one else can share what you share. *Let the World See You* helps crack the shell of people who are in hiding and reveals the benefits of a lifestyle lived on purpose.

Britt-Marie Was Here Fredrik Backman 2016-05-03 The New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She's Sorry*,

and *Anxious People* captivates readers with this “warm and satisfying” (People) story “about a woman rediscovering herself after a personal crisis...fans of Backman will find another winner in these pages” (Publishers Weekly). Britt-Marie can’t stand mess. A disorganized cutlery drawer ranks high on her list of unforgivable sins. She is not one to judge others—no matter how ill-mannered, unkempt, or morally suspect they might be. It’s just that sometimes people interpret her helpful suggestions as criticisms, which is certainly not her intention. But hidden inside the socially awkward, fussy busybody is a woman who has more imagination, bigger dreams, and a warmer heart that anyone around her realizes. When Britt-Marie walks out on her cheating husband and has to fend for herself in the miserable backwater town of Borg—of which the kindest thing one can say is that it has a road going through it—she finds work as the caretaker of a soon-to-be demolished recreation center. The fastidious Britt-Marie soon finds herself being drawn into the daily doings of her fellow citizens, an odd assortment of miscreants, drunkards, layabouts. Most alarming of all, she’s given the impossible task of leading the supremely untalented children’s soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs? Funny and moving, sweet and inspiring, *Britt-Marie Was Here* celebrates the importance of community and connection in a world that can feel isolating.

200 Women Ruth Hobday 2017-10 "200 women from around the world, famous and unknown, answer the same 5 questions, such as "What really matters to you?" and "What would you change in the world if you could?" The answers are inspiring, moving, sometimes funny, sometimes painful, but always powerful. Interviewees include Graca Michel, widow of Nelson Mandela and an impressive political and social activist, author Margaret Atwood, Nobel laureate Jody Williams, US Supreme Court Justice Ruth Bader Ginsberg, and women from around the world making a difference. Each interview is accompanied by a photographic portrait, resulting in a volume that is compelling in word and image as it is global in its scope. It is published to coincide with an interactive website, and a photographic exhibition. New Zealand interviewees include, Louise Nicholas, Marilyn Waring, Damaris Coulter, Kimbra Johnson, Lydia Ko, Marama Fox, Eva McGauley and Karen Walker"--Taken from publisher's website.

You Are Here Whitney Phillips 2021-03-02 How to understand a media environment in crisis, and how to make things better by approaching information ecologically. Our media environment is in crisis. Polarization is rampant. Polluted information floods social media. Even our best efforts to help clean up can backfire, sending toxins roaring across the landscape. In *You Are Here*, Whitney Phillips and Ryan Milner offer strategies for navigating increasingly treacherous information flows. Using ecological metaphors, they emphasize how our individual me is entwined within a much larger we, and how everyone fits within an ever-shifting network map.

Across the Street and Around the World Jeannie Marie 2018-10-02 Can God use ordinary people to change the world? Join Jeannie Marie, bestselling author and advocate for global outreach, as she teaches us how to follow Jesus to the nations in our neighborhood and around the world. She gently guides us away from common cultural missteps so we can offer Jesus in a winsome way, while honoring culture, faith, and family. *Across the Street and Around the World* will give you the tools you need to: Engage the world at your doorstep--specifically refugees and international students in your community Intentionally cultivate discipleship relationships so that you're encouraging our cross-cultural friends to follow Jesus Christ Gain global experience, education, and exposure while building a bridge from the nations in your neighborhood to the ends of the earth With confidence, courage, and compassion, Jeannie will teach you to start small, start soon, and start somewhere you already are. Praise for *Across the Street and Around the World*: "Jeannie Marie shares a lifetime of invaluable experience with the rest of us. Her book is a treasure trove of insights and practical resources for engaging the nations in our own backyard and to the ends of the earth!" --David Garrison, author of *Church-Planting Movements* and *Wind in the House of Islam* "A book to pay attention to--whether you are an individual thinking through your life's purpose, a church leader trying to ensure you lead on mission, or a mission leader navigating these days where everything is changing in your world. Jeannie is adding her experienced and articulate voice to the call for us all to have a fresh look at our efforts to bring the good news of Jesus to the billions who have never heard it or seen it lived out. If you are also serious about that mission, this is a must-read for you." --Andrew Scott, president and CEO of Operation Mobilization USA and author of *Scatter*

Around the World in 80 days Jules Verne 1881 *Around the World in Eighty Days*, an adventure novel first published in 1873, was written by the French writer Jules Verne. Phileas Fogg is a rich Englishman living in London, whose life moves strictly by the clock. He employs a new servant, Passepartout, after his previous servant makes the silly mistake of serving shaving water two degrees cold. Later that day, Phileas goes to the Reform Club as usual, where he gets into an argument with his whist partners who debate whether one can travel all around the world in eighty days. He bets a fortune to prove that he can accomplish the feat, being unaware that a look-alike has recently robbed a bank.

The Dot Peter H. Reynolds 2013-09-10 Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you."

Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

What Got You Here Won't Get You There Marshall Goldsmith 2010-09-03 Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

Wish You Were Here Jodi Picoult 2021-11-30 #1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *The Book of Two Ways* comes "a powerfully evocative story of resilience and the triumph of the human spirit" (Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* and *Daisy Jones & The Six*) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by *She Reads* Diana O'Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She's an associate specialist at Sotheby's now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She's not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their departure, Finn breaks the news: It's all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana's dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they'd booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local

family when a teenager with a secret opens up to Diana, despite her father's suspicion of outsiders. In the Galápagos Islands, where Darwin's theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.
